SUBJECT: Approval of annual funding to the Tulare County Child Abuse Prevention Council

REQUEST(S):
That the Board of Supervisors:
Approve the Tulare County Child Abuse Prevention Council's request for their annual funding in the amount not to exceed \$88,320 from the County's Children's Trust Fund for Fiscal Year 2016-2017 to allow for intervention and treatment, training of professionals in the detection, treatment, and prevention of child abuse and neglect, promoting community support for child abuse and neglect programs, and maintaining a community presence.

SUMMARY:
The Tulare County Child Abuse Prevention Council (CAPC) is requesting \$88,320 from the County's Children's Trust Fund to support child abuse awareness efforts in Tulare County. Pursuant to the Welfare and Institution Code Section 18980 et seq., the responsibility for establishing and funding CAPC rests with the Tulare County Board of Supervisors.

Tulare County CAPC is the appointed independent agency of the Board of Supervisors, responsible for setting priorities and making recommendations for funding child abuse and neglect prevention programs through the County's Children's Trust Fund.

The role of the CAPC in the County's prevention and family support efforts is beneficial to a number of County planning processes as described below. CAPC provides a forum for interagency cooperation and promotes public awareness of the

abuse and neglect of children. Outreach and educational activities are as follows:

- Coordinate the 10th Annual Cynthia Lockhart Mummery conference on Hidden Victims of Domestic Violence on October 29, 2015. The conference increased awareness of the long-term effects on children who witness domestic violence, and the understanding of domestic violence as a form of child abuse; and
- Partner with the City of Farmersville to establish a community-wide focus on child well-being with a formal Proclamation from the Farmersville City Council that was established on Dec. 14, 2015. The Proclamation was followed with the installation and dedication of the “Children’s Bench” on April 28, 2016, and the establishment of an annual report to be submitted to the city council and the community of the status of the children of Farmersville; and
- Partner with Tulare County Child Welfare Services to provide guidelines and functions for operating the Parent Agency Collaborative Effort community leadership structure. The leadership group was created in 2012 and implemented culturally responsive outreach and leadership trainings to recruit and sustain parent leaders and agency representatives.

The Tulare County CAPC is a member of the Child Protection Planning Committee and contributes to the Child Protection Plan. The plan outlines a continuum of care that ranges from prevention, early intervention, intervention, and an aftercare which builds an understanding of collective efforts to support communities through a comprehensive approach across Tulare County.

FISCAL IMPACT/FINANCING:

Welfare and Institution Code Section 18983.8 directs that the CAPC shall provide a local cash or in-kind match of approximately 33%. CAPC has provided an operation budget and evidence of the required match. The annual funding amount of \$88,320 is included in the Fiscal Year 2016-2017 budget. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The child abuse prevention services coordinated through the CAPC links to the County’s five-year strategic plan’s Quality of Life Initiative. These community-based services provide innovative and quality supportive services for at-risk adults, youth, and children.
