SUBJECT: Approve an agreement with Community Services & Employment Training, Inc

REQUEST(S):

That the Board of Supervisors:

1. Approve an agreement with Community Services & Employment Training, Inc. for the Youth Transitions Program in the amount not to exceed \$758,325, effective from October 1, 2016 through September 30, 2017; and
2. Authorize the Chairman of the Board to sign three (3) copies of the agreement.

SUMMARY:

Tulare County recognizes there is a significant population of youth (ages 16-21) that are at risk for one or more of the following: gang involvement, suicide, school dropout/truancy, drug abuse, pregnant/parenting teens, and homelessness, etc. Tulare County believes that these youth, and the community as a whole, will benefit from a program that provides work experience, mentors, and encouragement to obtain and retain meaningful employment. In keeping with the goals of the County's Step Up program to provide more opportunities for at-risk youth, the County would like to continue the Youth Transitions Program. The County designates the Health & Human Services Agency (HHSA) as the lead agency for the Youth Transitions Program; however, work experience sites for this program may be established within any County department.

Services provided to the youth in the Youth Transitions Program by Community Services & Employment Training (CSET) will include, but are not limited to:

preparing youth for working at Tulare County job sites using assessment, orientation and appropriate trainings about work ethics, proper work attire, sexual harassment, and behavior and performance expectations; applicable training and workshops for enrollees including, but not limited to: interviewing skills, application completion, resume creation, dressing for success, and workplace ethics; and youth/program monitoring at work sites on a consistent basis.

In addition to the continued focus on the target group of at-risk youth, Youth Transitions will expand work experience opportunities for the young leaders identified from the #LEAD (Leading, Educating, Advocating, and Dedication) Program. HHSA's established partnership with CSET for the #LEAD Program provides opportunities for employment to help stop the cycle of dependency on government assistance and provide other pathways to self-sufficiency.

Under the 2015/2016 agreement, Youth Transitions has served 56 youth through August 2016, twenty (20) of which were referrals from the #LEAD Program. Youth Transitions will serve a minimum of 30 up to a maximum of 90 youth under the 2016/2017 agreement, which includes the continued provision of work site placements for youth referred from the #LEAD Program.

The previous agreement was approved by the Board of Supervisors on September 1, 2015. There were no deviations on the previous agreement. The following term deviates substantively from the standard County boilerplate: This agreement extends into Fiscal Year 2017/2018 (effective October 1, 2016 through September 30, 2017). The only changes from the previous agreement are to the effective dates and the number of hours to be worked by the youth.

FISCAL IMPACT/FINANCING:

The maximum amount for this agreement is \$758,325 and uses Federal and State funds. \$568,744 is included in the Fiscal Year 2016/2017 budget and \$189,581 will be included in the Fiscal Year 2017/2018 budget. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Quality of Life Initiative that encourages innovative provision of quality supportive services for at-risk adults, youth and children in state and federally mandated programs. This agreement increases the ability to fulfill that obligation by providing youth that are facing significant life barriers a positive support system, an opportunity to develop leadership skills, and, ultimately, a path toward self-sufficiency.
