streamline the contract process and speed service delivery.

The primary duties of the Deputy Sheriff will include answering calls for service, routine patrol, response to emergency calls and investigation of criminal offenses occurring in USACE recreation, administration and wildlife management areas.

The substantive deviations from the standard County boilerplate identified are: 1) County must indemnify the USACE for any copyright infringement claims; 2) USACE may terminate immediately, with or without cause; 3) County may not assign third party payments, but USACE is not prohibited from assigning; 4) interest will be charged on any payments due to the USACE if the amount is not paid within 30 days of due date. This would include any re-payments of overpayments; 5) USACE is providing an electronic signature only; and 6) term is for multiple years.

**FISCAL IMPACT/FINANCING:**

The 5 year IDIQ agreement will not exceed \$800,000. The Sheriff's Office will be reimbursed for the law enforcement services provided at Success Lake and Lake Kaweah Recreational Areas. Funds were included in the Sheriff Department's 2016/2017, 2017/2018 budget and will be rolled-over to future budgets, as well. There is no net County cost.

**LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:**

The County's five-year strategic plan includes the Safety and Security Initiative to effectively and fairly investigate arrest, prosecute and punish individuals who engage in criminal behaviors. The IDIQ agreement will help fulfill this initiative by providing normal, emergency and unanticipated enforcement of civil and criminal laws of the State and County of Tulare jurisdiction on USACE land.
