SUBJECT: Proclaiming May 2018 as Older Americans Month in Tulare County

REQUEST(S):
That the Board of Supervisors:
Adopt a resolution proclaiming the month of May 2018 as Older Americans Month in Tulare County.

SUMMARY:
Since 1963 May has been set aside to appreciate and celebrate older Americans. This month of recognition has come to be known as Older Americans Month. It is a time when older Americans are recognized for the sacrifices and accomplishments they have contributed to their communities.

Tulare County includes more than 64,000 citizens ages 60 and over. In proclaiming May as Older Americans Month, we salute these senior citizens for the contributions they have given in the past and which they continue to give in the present with their experience, knowledge, and leadership. This year's theme is "Engage at Every Age," and more than ever before older Americans are working longer, advocating for themselves, and engaging in their communities.

This proclamation shows support for our seniors and the programs that enrich their lives and keep them healthy and active. Coordinated activities are being conducted throughout the County in celebration of Older Americans Month, including the 49th Annual Senior Day in the Park on Friday, May 18, 2018.

FISCAL IMPACT/FINANCING:
