SUBJECT: Public Hearing to Consider Franchised Hauler Collection Rate Increases for the unincorporated area of Tulare County.

REQUEST(S):

That the Board of Supervisors:

1. Conduct a Public Hearing considering an increase to the Franchised Hauler's maximum collection and ancillary rates for Service Areas A, B, C, D, E, G, H, and J in accordance with the calculation methodology set forth in Tulare County Franchise Agreements Number 27185-A, 27186-A, 27187-A, 27188-A, 27189-A, and 27190-A.
2. At the conclusion of the Public Hearing, approve the recommended maximum collection and ancillary rates per attached Exhibit "A", effective July 1, 2018.

SUMMARY:

On June 16, 2015, the Board of Supervisors approved Franchise Agreements with Miramonte Sanitation Inc., servicing Area A (27188); Pena's Disposal Inc., servicing Area B (27185); USA Waste of California Inc servicing Area C and H (27189); Mid Valley Disposal LLC, servicing Areas D & E (27190); Tule Trash Company servicing Area G (27187); South Tulare Richgrove Refuse Inc., servicing Area J (27186). The goals of the Franchise Agreements are to integrate and align the collection system with the County's solid waste and recycling activities.

The Board of Supervisors may consider adjustments to the maximum rates that the Franchise Haulers can charge their customers pursuant to the Franchise Agreement. The Franchise Agreements also stipulate that the Franchised Hauler (Hauler) is entitled to apply for an annual adjustment of all maximum rates upon

application. On August 25, 2015 the Board of Supervisors conducted a Public Hearing to approve maximum ancillary and commercial rate increases for all of the Franchised service areas. The recommended rates were approved and went into effect on October 1, 2015, the 2016 annual rate adjustment was postponed due to negotiations for a proposed amendment to the Rate Adjustment Methodology.

On March 28, 2017, your Board approved the First Amendment to the Franchise Agreements that changed the Rate Adjustment Methodology from a three index blend of fuel, labor and consumer price to a two index blend of the San Francisco/Oakland/San Jose CPI and the Los Angeles/Riverside/Orange County CPI, subject to change in the event that one or more of the indices are discontinued or materially changed during the term of the rate period. The amendment included a floor of 0.00% and a cap of 3.00% on CPI adjustments in a rate period with unused percentages carried over until such time as it may be applied without violating the 3.00% cap. Provisions for adjustment to rates based on change in law or other special circumstances are proposed in conjunction with the annual adjustment.

During the current rate period the indices were discontinued and replaced by San Francisco/Oakland/Hayward CPI and Los Angeles/Long Beach/Anaheim CPI. Franchised Haulers calculated the proposed average percentage change in the two Consumer Price indices, which resulted in increases of 2.55% for collection rates and 3.00% ancillary rates and submitted an application to the County for the annual adjustment of all maximum rates. Applications for Rate Adjustments were received by the Solid Waste Department before the deadline as required by section 11.2 of the Franchise Agreement.

The proposed rates have been noticed pursuant to Government Code section 66018 (see Exhibit C) and published pursuant to Government Code section 6062a and 6066, in the Visalia Times-Delta, a newspaper of general circulation, on May 1, 2018, and May 9, 2018. Pursuant to Tulare County Ordinance Code 4-03-1255, the Franchised Haulers informed the effected customers in each respective jurisdiction of the intent to increase the fees; resulting in over 24,500 notifications being sent out. (see Exhibit D).

FISCAL IMPACT/FINANCING:

There is no net County cost associated with this action. There is no net impact to the Enterprise Fund as a result of the rate increase, as these are approved maximum rates charged directly by the Franchised Haulers to the customer.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Economic Well Being Initiative to promote and provide a business-friendly, can do service ethic. This adjustment to the maximum collection and ancillary rates will help fulfill this initiative by providing a mechanism to the Franchise Haulers to account for increases in costs associated with performing collection activities.

**NOTICE OF HEARING PERTAINING TO
APPROVING FRANCHISED HAULER COLLECTION RATE INCREASES FOR THE
UNINCORPORATED AREAS OF TULARE COUNTY**

NOTICE IS HEREBY GIVEN that on May 22, 2018, at the hour of 9:30 a.m., in the Chamber of the Board of Supervisors, County Administration Building, County Civic Center, 2800 Burrel Avenue, Visalia, California; the Board of Supervisors will hear the matter of approving Hauler Rate increase for Residential, Commercial and Multi-family Use Customers.

The Board of Supervisors shall provide reasonable time and opportunity for all interested persons to be heard at said hearing.

Dated: May 1, 2018

Bryce Howard, Director
Solid Waste Department
County of Tulare

April 20, 2018

Dear Valued Customer,

This letter serves as a notification that on May 22, 2018 at 9 A.M., the Tulare County Board of Supervisors will hold a public hearing at 2800 Burrell Ave, Visalia CA to hear a solid waste CPI increase for Tulare Unincorporated service areas. The Board of Supervisors shall provide reasonable time and opportunity for all interested persons to be heard at this hearing.

We work hard every day to ensure effective and efficient service; however, we cannot avoid the rising cost of doing business. The Consumer Price Index (CPI) measures the cost of different products and services across the country and published monthly.

If approved by Tulare County Board of Supervisors, the proposed rates will be effective July 1st, 2018. Please refer to Exhibit A & B for a complete list of adjusted rates for commercial and residential customers.

We thank you for your understanding and as always we appreciate your patronage.

Thank You,

Mid Valley Disposal

Dear Valued Customer,

This letter is to serve as notification that on May 22, 2018 at 9:00 a.m. in the Chamber of the Board of Supervisors, Tulare County Administration Building, County Civic Center, 2800 Burrel Avenue, Visalia, California; the Board of Supervisors will hear the matter of a solid waste collection rate increase pertaining to service areas A, B, C, D, E, G, H and J. If approved, the new rates will be effective July 1, 2017. Attached are the current and proposed solid waste collection rates.

The Board of Supervisors shall provide reasonable time and opportunity for all interested persons to provide public comments at this hearing. Again, if approved by the Tulare County Board of Supervisors, the proposed rates will be effective July 1, 2018

Waste Management is committed to provide you with excellent service and strives to operate as economically and efficiently as possible. However, with the change in state and federal laws, and other factors related to rising costs of providing service, we will ask the Tulare County Board of Supervisors to approve the rate increase based on the Consumer Price Index (CPI). We hope you understand the need for this rate adjustment. Keep in mind, Tulare County rates remain lower than what customers pay in neighboring counties, i.e., Kern and Fresno.

Please call Waste Management Customer Service Center at 1-800-834-4070 if you have any questions.

If approved by the Tulare County Board of Supervisors, the proposed rates will be effective July 1, 2018.

The Current and proposed rates are included on the reverse of this letter. The Board of Supervisors shall provide a reasonable time and opportunity for all interested persons to be heard at this meeting.

Tule Trash Company strives to operate as economically and efficiently as possible. However, with changes in state and federal laws, workers compensation and health insurance, and rising fuel rates, we will be asking the Tulare County Board of Supervisors to approve the rate increase based on the Consumer Price Index (CPI). We hope you understand the need for this rate increase and keep in mind that even with the proposed increase, Tulare County rates remain lower than what customers pay in neighboring counties, ie., Kern and Fresno.

We thank you for your patronage and understanding in this matter.

If you have any questions regarding this letter, please contact Tule Trash Company at 559-757-1045.

Sincerely,

Tule Trash Company

Dear Valued Customer,

This letter is to notify you that on May 22, 2018, the Tulare County Board of Supervisors will hear the proposal for a rate increase requested by the County of Tulare Solid Waste department for service areas A, B, C, D, E, G, H, and J. The meeting will begin at 9:00 a.m. in the County Administrative Building Board of Supervisors Chamber located at 2800 Burrel Avenue, Visalia. If approved, the proposed rates will be effective July 01, 2018. Attached are the current and proposed solid waste collection rates. The Board of Supervisors will provide reasonable time and opportunity for all interested persons to be heard at this hearing.

South Tulare-Richgrove Refuse, Inc. strives to operate as economically and efficiently as possible. However, with changes in state and federal laws, workers compensation and health insurance, and rising fuel rates, we will be asking the Tulare County Board of Supervisors to approve the rate increase based on the Consumer Price Index (CPI).

We appreciate your patronage and understanding in this matter. In return, we are committed to providing you with the quality of service you are accustomed to receiving from us here at South Tulare-Richgrove Refuse, Inc.

Sincerely,

South Tulare-Richgrove Refuse, Inc.

Dear Customer,

This letter is to notify you that on May 22, 2018, the Tulare County Board of Supervisors will hear the proposal for a rate increase requested by County of Tulare Solid Waste department for service areas A, B, C, D, E, G, H, and J. The meeting will begin at 9:00 a.m. in the County Administrative Building Board of Supervisors Chamber located at 2800 Burrel Avenue, Visalia. If approved, the proposed rates will be effective July 01, 2018. Attached are the current and proposed solid waste collection rates. The Board of Supervisors will provide reasonable time and opportunity for all interested persons to be heard at this hearing.

Peña's Disposal strives to operate as economically and efficiently as possible. However, with changes in state and federal laws, workers compensation and health insurance, and rising fuel rates, we will be asking the Tulare County Board of Supervisors to approve the rate increase based on the Consumer Price Index (CPI). We hope you understand the need for this rate increase and keep in mind that even with the proposed increase, Tulare County rates remain lower than what customers pay in neighboring counties, i.e., Kern and Fresno.

We appreciate your patronage and understanding in this matter. In return, we are committed to providing you with the quality of service you are accustomed to receiving from us here at Peña's Disposal, Inc.

Sincerely,

Peña's Disposal, Inc.
