**SUBJECT:** Approve an agreement with Tulare County Superintendent of Schools

**REQUEST(S):**

That the Board of Supervisors:

1. Approve an agreement with Tulare County Superintendent of Schools for the provision of mental health services to Tulare County adolescents and children, in an amount not to exceed \$6,000,000 effective from July 1, 2018 through June 30, 2019; and
2. Authorize the Chairman of the Board to sign three (3) copies of the agreement.

**SUMMARY:**

To ensure a greater quality of life, Tulare County Superintendent of Schools, Children's Mental Health Clinic, also known as Tulare County Office of Education, Behavioral Health Services, provides special education instruction and/or related services, including mental health services, to its students with disabilities. The specialty mental health services include: medication support, case management, and crisis intervention.

This agreement provides Tulare County Superintendent of Schools with access to Federal Financial Participation (FFP) funds, which enables Tulare County Superintendent of Schools to provide more services at the school sites.

Tulare County Superintendent of Schools is responsible for all clinical and administrative oversight under this agreement and agrees to comply with laws and

regulations of the Medicaid program. Tulare County Health and Human Services Agency, Mental Health Branch, operates solely as the billing agent for the services provided through this agreement.

It is estimated that approximately 750 consumers will be served through this agreement in Fiscal Year 2018-2019. This agreement did not go out to RFP because through Assembly Bill (AB) 114, the Tulare County Superintendent of Schools is the designated Local Educational Agency for providing special education and related services, and may opt to utilize the County Mental Health Plan to bill for specialty mental health services.

**FISCAL IMPACT/FINANCING:**

Funding for this agreement in an amount not to exceed \$6,000,000 will be included in the Fiscal Year 2018-2019 budget. This agreement is paid through Medi-Cal reimbursement of the FFP percentage (50%), and Tulare County Superintendent of Schools will provide match dollars in advance to cover the balance of the cost. There is no additional net cost to the County General Fund.

**LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:**

The County's five-year strategic plan includes the Quality of Life Initiative that encourages innovative provision of quality supportive services for at-risk adults, youth and children in state and federally mandated programs. This agreement increases the ability to fulfill that obligation by providing special education instruction and/or related services, including mental health services, to its students with disabilities.
