Exhibit A

CONTRACTOR shall provide the services detailed below.

A. EVIDENCE BASED PRACTICE

CONTRACTOR shall provide 2.0 FTE caseworkers for the SafeCare Home Based Visitation Program. The curriculum used will follow the SafeCare Model to provide home-based training for parents who are at-risk or have been reported for child abuse and neglect. The program will be provided in both English and Spanish. SafeCare has three modules to improve parent/child interactions, home environments, and problem solving skills. These modules are:

- Infant and Child Health
- Home Safety
- Parent-Child/Parent-Infant Interactions

SafeCare is to be delivered in home by trained staff carrying caseloads of no more than 10-12 families at one time. The primary target population is families served which children aged 0-5. SafeCare may also serve families with children aged 6-7. Service delivery is typically four to six months. The caseworkers will attend all required Safe Care training. Contractor agrees to adhere to the SafeCare model fidelity.

B. TARGET POPULATION

CONTRACTOR shall provide services primarily to the benefit of a child that has been referred by Child Welfare Services through bimonthly Differential Response Multi Disciplinary Team meetings. Services may also be provided to other at risk families identified by the CONTRACTOR. Services shall be provided directly to the parents or primary caregiver of such a child, in order to provide families with necessary prevention and early intervention mental health that promote wellness and recovery.

C. CONTRACTOR SHALL:

1. Provide evidenced-based, low-intensity, short-term sessions targeting parents of children who are experiencing a broad range of emotional, behavioral, and family problems.
2. Utilize "any means necessary" methods to remove barriers to service access for remote, rural populations.
3. Provide and refer families to the necessary prevention and early intervention mental health services that promote wellness and recovery.

Parenting Network

Exhibit A Continued

4. Utilize existing collaborations and community resources to leverage the resources of the PEI Safe Care Program. Assigned staff will work flex schedules as needed to meet the needs of the population served
5. Ensure that input from mental health consumers and consumer family members are integral to the development, implementation, and ongoing activities of the PEI SafeCare Program.
6. Collaborate with the Tulare County Department of Mental Health Child Welfare Services and Family Services of Tulare County to implement SafeCare (an approved evidence-based practice) and to coordinate the efforts of this program.
7. Attend the bi monthly Differential Response Multidisciplinary Team Meetings (MDT) to obtain potential Child Welfare Services referrals.

D. OUTCOME AND EVALUATION

1. Number of Individuals/Families to be Served

CONTRACTOR shall serve a minimum of one hundred (100) unduplicated families in Fiscal Year 2018-2019. Fifty percent of the families served shall complete all three modules and graduate with a SafeCare certificate.

FISCAL YEAR	FAMILIES SERVED	FAMILIES SAFECARE CERTIFIED
2018-2019	100	50
TOTAL	100	50

2. Program Evaluation

CONTRACTOR shall develop internal methods for evaluating effectiveness of the program and shall also arrange for local evaluations that address the expected outcomes of the SafeCare Program.

Parenting Network

Exhibit A Continued

Parents will be trained in treating children's illnesses and maximizing their own healthcare skills (Health Module), positive and effective parent-child interaction skill (Parenting Module), and maintaining low-hazard homes (Safety Module). A pre and post assessment will be administered for each module. The effectiveness of these training components will be evaluated as the change in the parents' score on role play situations for child health problems, hazards present in the home, and the frequency and quality of parent-child interactions during activities of daily living. Parents receive credit for passing a module only after they have mastered the learning objectives at a minimum of 80%.

a. Individual-Level Outcomes

1. Health Module

- Increased parental capacity to identify symptoms of illnesses and injuries, and seek the most appropriate health treatment for their child.

2. Home Safety Module

- Significant reduction in the number of hazards in the home.

3. Parent-Child/Parent-Infant Interactions Module

- **Increased** number of positive parent/child interactions, **and stimulating activities.**

4. Problem Solving and Counseling

- Increased parental structured problem-solving skills (e.g., framing the problem, generating potential solutions, identifying pros and cons of solutions, choosing a solution, and acting).

b. System-Level Outcomes

- Improved access to mental health services.
- Increased cooperation between agencies, systems, and programs.
- Increased early intervention services in rural and isolated communities.

c. Community-Level Outcomes

- Short-term: increased family access to wellness and recovery early intervention services; increased utilization of prevention services; a reduction in disparities in the access of mental health service; and the creation and/or strengthening of relationships between Tulare County Mental Health and the community partners.
- Intermediate-term: children display a decrease in the negative outcomes that may result from a mother's untreated mental illness, decrease stigma associated with accessing mental health services.

2. CONTRACTOR shall collect all demographic and service count data, participant data, and progress data, and report quarterly to MHSA.

Parenting Network

3. Annual Report

- a. CONTRACTOR will work with CWS to develop an evaluation plan listing all evidence-based measures, surveys and any other outcome measurements that will be completed by populations served (e.g., consumers, family members, staff, community service providers) within 60 days of contract start.
- b. CONTRACTOR will analyze outcome data in accordance with methods outlined in the established evaluation plan and generate a summary report of findings including system outcomes to demonstrate system change over time.
- c. CONTRACTOR will provide the Tulare County Department of Mental Health with a copy of the summary report within 60 days of the close of the contract year per MHSA PEI requirements.

4. MHSA manager and/or contracted evaluator(s) will have access to this data and will review data and reports generated by CONTRACTOR.

5. CONTRACTOR shall develop a system for using data across the continuum of family interaction services to improve the quality of services, identify service system gaps, and make recommendations for bridging those gaps. Contractor agrees to collect all required data defined by CWS. CWS will supply a spreadsheet defining the data to be collected.

E. ADDITIONAL EXPECTATIONS

1. CONTRACTOR and any partners or subcontractor(s) will be expected to share information, materials, and findings with the Tulare County Department of Mental Health and all agencies identified by the Mental Health Department. No work developed under the contract may be considered proprietary or may be sold for additional profit.
2. CONTRACTOR may be expected to participate in regular meetings of MHSA grantees in order to disseminate information on project outcomes and to ensure that all contractor(s) can leverage each other's work and experience.
