CDFA may consider Recipient's refusal to repay the requested disbursed amount a contract breach subject to the default provisions in Suspension of Payments Provision.

If CDFA notifies Recipient of its decision to withhold the entire funding amount from Recipient pursuant to this paragraph, this Agreement shall terminate upon receipt of such notice by Recipient and CDFA shall no longer be required to provide funds under this Agreement and the Agreement shall no longer be binding on either party.

In the event CDFA finds it necessary to enforce this provision of this Agreement in the manner provided by law, Recipient agrees to pay all costs incurred by CDFA including, but not limited to, reasonable attorneys' fees, legal expenses, and costs.

## SCOPE OF WORK

In the best interest of the state, under the authority of the Secretary of the Department of Food and Agriculture (CDFA), and in accordance with the California Business and Professions Code (BPC), Division 5, Chapter 7, Section 12703.1, the Division of Measurement Standards (Division) and the County agree to the conditions and requirements within this Scope of Work.

The Division will pay the County \$240.00 for each completed initial inspection of an assigned junk dealer or recycler establishment licensed as a weighmaster to determine compliance with BPC Section 12703.1. For purposes of this Agreement, a "junk dealer" and "recycler" are as defined in BPC Sections 21601 and 21605(b). An initial inspection is the first physical inspection in the fiscal year of a business location after renewal or issuance of a weighmaster license. The total allocation to the County for these inspections shall not exceed the Agreement.

The County shall obtain all required information regarding a newly licensed junk dealer or recycler weighmaster via the county "undisclosed" link. The County shall have 75 calendar days after issuance of a license to either conduct an initial inspection at each assigned junk dealer or recycler weighmaster location or notify the Division in writing that they will be unable to perform the inspection. Failure to perform an initial inspection within 75 calendar days shall result in nonpayment.

Per BPC Section 12703.1. (c) (1)., the County shall complete an initial inspection of the information contained in the Weighmaster License Application. Findings shall be recorded on the Weighmaster Inspection Report (Form 42-009, Rev. 11/14) supplied by the Division.

The initial inspection shall verify that the following items are materially accurate:

- Weighmaster License Application information
  - Business License information
  - The weighmaster location or business has a Storm Water Permit issued by the State Water Resources Board, or has applied for a Storm Water Permit, or substantiation the permit is not required
  - Thumbprint equipment is functioning and in good working order
  - Photograph/camera equipment is functioning and in good working order
  - Verification that the weighmaster has signed up to receive theft alert notifications
  - Verification of the name or names of any deputy weighmasters
- Weighmaster License information

- All commercial weighing devices are sealed

The County may observe other violations while performing an initial inspection. Per BPC Section 12015, the County agrees to document and take the appropriate enforcement action upon discovery of any violation of weights and measures laws during this inspection.

Within five (5) calendar days of conducting an initial inspection, the County shall upload an electronic copy of the completed Weighmaster Inspection Report and a photograph of the site showing how and where the weighmaster conducts their business activities via the Division's county "undisclosed" link. For business locations failing an initial inspection, the County shall also upload all supporting evidence; i.e., copies of county report forms, emails, and photographs demonstrating license information submitted was not materially accurate. Electronic copies may be in pdf, jpg, or png format.

**Note:** The Weighmaster Inspection Report must be scanned or photographed separately from any supporting documents; however, all supporting documents and photographs may be combined into one file. Uploading the Weighmaster Inspection Report and any supporting documents completes the initial inspection and entitles the County to payment.

When a location is found to be out of business, the County shall complete and upload a Weighmaster Inspection Report indicating the location is no longer in business and notify the Division in accordance with the instructions above. Locations that are out of business are not billable.

The original Weighmaster Inspection Report shall be maintained at the County Office of Weights and Measures for three (3) years and be made available to the Division upon request.

All requests for payment under this Agreement shall be made on the County's official letterhead. The invoice shall be submitted quarterly and include a summary sheet with the following information: the number of inspections completed; a list of locations where the inspections were conducted; the weighmaster license name; the weighmaster license number; and, the amount of money requested. **The County shall upload the completed invoice including the required summary sheet in pdf format via the county "undisclosed" link.** Funds will be disbursed to the County on approval of the invoice submitted quarterly.
