III. FUNDING TYPES

Time studies performed by service providers will be utilized to allocate funding. Allowable activities for each funding category are below.

A. FSP Funding (including flex funding)

1. Shall be used to provide a full spectrum of mental health services and community supports to partners (i.e., consumers enrolled in an FSP program) exclusively.
2. Flex funding will be used to support the partner for 'whatever it takes' to achieve optimal outcomes, and must be clearly linked to a goal/strategy in the care plan. The use of funds is not an entitlement.

a) Eligibility

(1) Partners of all ages, ethnicities, cultures and conditions who are actively enrolled in an FSP program, and who have insufficient funds to provide the materials and resources necessary to achieve their treatment goals are eligible to receive flex funding.

(2) Partners currently receiving government assistance and/or other income are only eligible to utilize flex funding after it has been clearly established that there are insufficient funds available for their housing, personal/community integration, vocational and other expenses.

(3) Flex funding is to be used for the consumer and not the family.

(4) Flex funds are a temporary support, not to be used for recurring expenses.

b) Uses

(1) Flex funding may be used to pay for housing, food, clothing, transportation, educational and vocational expenses.

(2) Flex funding may also pay for medical, dental, optical care, prescriptions, and laboratory tests when the partner or family member does not have insurance to pay for such care.

(3) Excluded purchases include: alcohol, tobacco, construction or rehabilitation of housing, buildings or offices, purchasing land or buildings, illegal substances and activities, sexually explicit

materials, costs for staff to accompany consumers on outings (e.g., sporting events, concerts, amusement parks, etc.), incentives, covering Medi-Cal Share of Cost, prescription medication otherwise available through Indigent medication or prescription assistance programs, Service Extenders, or vehicles for programs.

(4) Every attempt should be made to purchase items as economically as possible.

(5) Items purchased with flex funds become the property of the consumer and the consumer is not obligated to return the property upon leaving the program.

(6) If an expense is determined to be ongoing, the program must develop a plan for consumer self-sufficiency related to the ongoing expense.

c) Reimbursement

(1) CONTRACTOR shall itemize expenses claimed on the Flexible Funding Expense Reimbursement Claim Form, hide the Protected Health Information (PHI) and submit to the COUNTY within the close of the month after the reported period.

(2) Failure to submit claims on a regular basis impedes the efficiency of the reimbursement process significantly. Claims that are not submitted in a timely manner each month may be subject to delays in review and payment.

(3) After the reimbursement claim for a month has been submitted, any additional expense claims for a month shall be submitted on a separate reimbursement claim form.

(4) CONTRACTOR is required to archive all flex funding expenditure receipts for a period of at least six (6) years. There may be occasions when a copy of an archived receipt is requested.

(5) CONTRACTOR shall report any reimbursement received on the Flexible Funding Expense Reimbursement Claim Form for the month in which the reimbursement occurred.
