SUBJECT: Placement of Delinquent Sewer and Water Service Fees on the 2018/2019 Tax Roll for County Service Areas No. 1 and No. 2

REQUEST(S):
That the Board of Supervisors:

1. Conduct a Public Hearing on July 24, 2018, at 9:30 a.m. or as soon thereafter as can be heard in the Board Chambers, Administration Building, 2800 West Burrel, Visalia, California, to consider placement of delinquent water and sewer service fees, delinquent penalties, and Auditor's collection charges for County Service Areas No. 1 and No. 2 on the 2018/2019 tax roll; and
2. Direct the Assessor to place delinquent sewer and water service fees, delinquent penalties, and the Auditor's collection charges of County Service Areas No. 1 and No. 2 customers (as identified in Attachment A, Exhibits A through J) on the 2018/2019 tax roll if still delinquent after July 31, 2018.

SUMMARY:

In the late 1980's and early 1990's, the County constructed eight (8) sewer systems and three (3) water systems utilizing various state and federal funding programs. The County uses contractors for the maintenance and operation of these facilities. The County collects monthly service fees from users to cover the costs associated with the operations and maintenance of these systems. Some property owners fail to pay for the services they receive.

SUBJECT: Placement of Delinquent Sewer and Water Service Fees on the 2018/2019 Tax Roll for County Service Areas No. 1 and No. 2

DATE: July 24, 2018

Tulare County Ordinance 2924 (uncodified) authorizes the Board of Supervisors to place delinquent fees on the property tax roll in accordance with the provisions of the Health and Safety Code, Sections 5473 through 5474.10 and Government Code Section 6063. The process requires the Board to set the matter for public hearing, provide mailed and published notices of the public hearing and provide property owners the opportunity to speak to the matter. The Resource Management Agency has provided the published and mailed notices, as required.

A notice has been mailed to every delinquent property owner advising them that their bill must be paid in full by June 27, 2018, or the County will begin the process of placing the delinquent fees on the property tax rolls by publishing their delinquency in the newspaper. Further, the delinquent property owners have until July 31, 2018 at 4:30 p.m. to pay before their delinquencies will be placed on the tax rolls. Attachment A, Exhibits A through J, identifies the property owners who received delinquent notices but have failed to pay their account in full.

The purpose of the public hearing is to allow the Board to hear and consider all objections or protests from the affected property owners, prior to adopting the resolution to place delinquent charges and penalties on the 2018/2019 tax rolls. State law requires that the final list of delinquent property owners be submitted to the Auditor by August 10, 2018.

FISCAL IMPACT/FINANCING:

The costs to the County are those associated with noticing and conducting the Public Hearing, as well as an Auditor's administrative charge of \$200 per Zone of Benefit, a \$1 fee per assessor's parcel number and a ten percent (10%) penalty fee, which are assessed to the delinquent customers and applied to the tax rolls. These costs are included in the budget. There is a net County cost associated with the County Service Area program. Any shortfall in revenue within the CSA Zones of Benefit is covered by a loan from the revolving fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The proposed action links with the Safety And Security Strategic Initiative through the goals of providing adequate facilities for the protection of the public, providing an adequate and safe water supply, and promoting personal accountability for public safety by helping to maintain the budgets for the sewer and water systems.
