SUBJECT: Reaffirm Resolution No. 2018-0442, adopted June 5, 2018

REQUEST(S):
That the Board of Supervisors:
Reaffirm the Proclamation of Local Emergency due to Critical Shortage of Health Care Facilities, Resolution No. 2018-0442

SUMMARY:
The Tulare Local Healthcare District was forced to suspend its operations, including those of Tulare Regional Medical Center, on October 28, 2017. The ongoing closure has had cascading impacts across the regional healthcare system, impacting emergency medical services, clinics hospitals, and other supporting services within both Tulare County and adjacent Counties. Patients from within the Tulare Local Healthcare District are required to travel further to access care or forego it altogether, and all patients are subjected to longer wait times for critical services as a result of perpetual hospital overflow conditions.

The Tulare Local Healthcare District continues to explore and pursue all available options to restore its operations. However, due to ongoing financial challenges and unsuccessful efforts to date, the District's Board of Directors proclaimed a Local Emergency on May 30, 2018. Staff recommends continuing the County's June 5, 2018 proclamation of Local Emergency at this time pursuant to Government Code §8630(c), as the conditions of Local Emergency continue to exist within Tulare County. At such time as those conditions abate, staff will bring to the Board a request to proclaim the termination of the Local Emergency pursuant to the requirements of Government Code §8630(d).

SUBJECT: Reaffirm Resolution No. 2018-0442, adopted June 5, 2018

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

Proclaiming a local emergency facilitates the County's response to, recovery from, and mitigation against such disasters.
