SUBJECT: Approve the Vehicle Internal Borrowing Purchase for Fiscal Year 2018-19

REQUEST(S):

That the Board of Supervisors:

1. Approve the purchase of 43 Sheriff replacement vehicles and 13 Probation replacement vehicles.
2. Authorize payment for those vehicles through the utilization of the County's Vehicle Internal Borrowing Program which is made possible by a loan from the General Fund, not to exceed 36 months.

SUMMARY:

In Fiscal Year 2015, the County set aside \$3 million to fund the Vehicle Internal Borrowing Program (the Program) for the future replacement of County vehicles. The initial \$3 million, along with the annual collection of payments from participating departments, has been sufficient to fund the Program on an ongoing basis.

The Program is open to all departments with vehicles deemed eligible for replacement. The first annual payment for these vehicles will be made on, or before, June 30, 2019, and the final payment will be paid no more than 36 months after the initial payment date. The interest rate to repay the General Fund will be equivalent to the annual rate of the Treasury Pool for the duration of the loan. The annual interest rates for the Fiscal Years ending June 30, 2016, 2017, and 2018 were 1.18%, 1.25%, and 1.46%, respectively.

SUBJECT: Approve the Vehicle Internal Borrowing Purchase for Fiscal Year 2018-19
DATE: August 28, 2018

While the use of the Program is only recommended for departments who are not able to pay for necessary vehicles in full the year vehicles are purchased through the normal budgeting process, it is recommended that any necessary vehicles be funded internally from the General Fund, as opposed to borrowing funds from an outside lender.

FISCAL IMPACT/FINANCING:

The estimated cost for 56 replacement vehicles ranges from \$25,500 to \$60,000 for a total estimated cost of \$1,881,000. A further breakdown of these vehicles and their estimated costs is attached. The department will be responsible for paying the first quarter of the total purchase price the year the County takes possession of the vehicles, and the remaining three (3) quarters will be borrowed from the General Fund at that time. The payment required for the 2018-19 Fiscal Year has been included in the County's recommended budget document for the 2018-19 Fiscal Year; hence, an AUD 308 will not be required upon approval. The departments will be required to repay the General Fund in full within 36 months of the initial borrowing date. The required principal and interest payments, at the Treasury Pool's annual interest rate, will be obtained by annual charges to the Sheriff's accounting line 001-240-2100-9148 and Probation's accounting line 001-205-1100-9148 until the cost of the vehicles are fully amortized.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Organizational Performance Initiative to provide for the stability of County operations through periods of economic fluctuations and changing priorities and service demands. The Vehicle Internal Borrowing Purchase for Fiscal Year 2018-19 helps fulfill this initiative by continuing to ensure the County's fiscal stability. The Treasury Pool's annual interest rate is expected to be less than the interest rate charged by an outside lender, thus, resulting in projected savings.
