This contract is valid and enforceable only, if sufficient funds are made available to County for the purpose of this contract. In addition, this contract is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress, State Legislature, or County governing board that may affect the provisions, terms, or funding of this contract in any manner.

SCOPE OF WORK

Project Understanding:

Project Understanding

The County of Tulare (“County”) has divided the Yettem and Seville Water System Improvement Project into two phases of construction. Phase 1 will consist of the Seville distribution system replacement (base bid) and the Seville storage tank (add alternate bid). Phase 2 will consist of the Yettem storage tank site improvements, new well and supply pipeline, and interconnection pipeline between Yettem and Seville. The County has requested a proposal for services during Phase 1 bidding and construction. The scope of services includes the following:

- Task 1: Project Administration
- Task 2: Bidding Phase Services
- Task 3: Engineering Services During Construction for Distribution System Replacement and Storage Tank
- Task 4: Construction Management and Review of Distribution System and Storage Tank
- Task 5: Construction and Materials Testing

The scope of services and fee estimate assumes the storage tank add alternate will be awarded.

Scope of Services

Our proposed scope of services for this project is segregated into multiple phases, described below.

Task 1: Project Administration

The scope of services under this phase includes providing project administration tasks associated with the funding agreement. It is assumed that the project administration tasks will take place over a period of 8 months for the construction contract and up to 3 additional months for project closeout. The following tasks are included:

Task 3: Engineering Services During Construction

The scope of services under this phase includes providing engineering services during the construction phase for Distribution System and Storage Tank. The following tasks are included:

- Engineer will attend pre-construction conference.
- Prepare conformed technical specifications and construction drawings.
- Review and approve contractor submittals prior to the start of construction. Review of up to 50 submittals and up to 10 re-submittals are included.

It is assumed that the construction contract duration will be 250 calendar days (160 working days) to substantial completion and an additional 30 calendar days to construction contract closeout. Closeout of the funding agreement may take up to 3 months after substantial completion.

- d. Any investigation by the District Attorney, California State Auditor, Bureau of State Audits, United States Environmental Protection Agency's Office of Inspector General, the Internal Revenue Service, Securities and Exchange Commission, a grand jury, or any other state or federal agency, relating to the Recipient's financial management, accounting procedures, or internal fiscal controls;
- e. A material adverse change in the condition of the Recipient, the Revenues, or the System, which the Division reasonably determines would materially impair the Recipient's ability to satisfy its obligations under this Agreement, or any other event that the Division reasonably determines would materially impair the Recipient's ability to satisfy its obligations under this Agreement,
- f. The Recipient's material violation of, or threat to materially violate, any term of this Agreement;
- g. An Event of Default;

3.7 Rates, Fees and Charges.

The Recipient shall, to the extent permitted by law, fix, prescribe and collect rates, fees and charges for the use of the System during each Fiscal Year that are reasonable, fair, and nondiscriminatory and that will be at least sufficient to yield Revenues during each Fiscal Year in an amount sufficient to cover Operations and Maintenance Costs and to meet the covenants and requirements of the Recipient's outstanding System Obligations and the Recipient's obligations under this Agreement. The Recipient may from time to time make adjustments of such rates, fees, and charges as it deems necessary, but shall not reduce such rates, fees or charges then in effect unless the Revenues from such reduced rates, fees, and charges will at all times be sufficient to meet the requirements of this section.

3.8 Financial Management System and Standards.

The Recipient shall comply with federal standards for financial management systems. The Recipient agrees that, at a minimum, its fiscal control and accounting procedures will be sufficient to permit preparation of reports required by the federal government and tracking of Project funds to a level of expenditure adequate to establish that such funds have not been used in violation of federal or state law or the terms of this Agreement. To the extent applicable, the Recipient shall be bound by, and to comply with, the provisions and requirements of the federal Single Audit Act of 1984, Office of Management and Budget (OMB) Circular No. A-133 and 2 CFR Part 200, subpart F, and updates or revisions, thereto.

The Recipient may retain such funding up to an amount which equals the Recipient's local share of Project Costs. To the extent allowed by requirements of other funding sources, excess funding shall be remitted to the State Water Board.

ARTICLE IV MISCELLANEOUS PROVISIONS

4.1 Amendment and Integration.

No amendment or variation of the terms of this Agreement shall be valid unless made in writing and signed by both the Recipient and the Deputy Director or designee.

This Agreement is not assignable by the Recipient, either in whole or in part, without the consent of the State Water Board in the form of a formal written amendment to this Agreement.

4.3 Bonding.

Where contractors are used, the Recipient shall not authorize construction to begin until each contractor has furnished a performance bond in favor of the Recipient in the following amounts: faithful performance (100%) of contract value; labor and materials (100%) of contract value. 4.7 Damages for Breach Affecting Tax-Exempt Status or Federal Compliance

In the event that any breach of any of the provisions of this Agreement by the Recipient shall result in the loss of tax-exempt status for any bonds of the State or any subdivision or agency thereof, or if such breach shall result in an obligation on the part of the State or any subdivision or agency thereof to reimburse the federal government by reason of any arbitrage profits, the Recipient shall immediately reimburse the State or any subdivision or agency thereof in an amount equal to any damages paid by or loss incurred by the State or any subdivision or agency thereof due to such breach. In the event that any breach of any of the provisions of this Agreement by the Recipient shall result in the failure of Project

Funds to be used pursuant to the provisions of this Agreement, or if such breach shall result in an obligation on the part of the State or any subdivision or agency thereof to reimburse the federal government, the Recipient shall immediately reimburse the State or any subdivision or agency thereof in an amount equal to any damages paid by or loss incurred by the State or any subdivision or agency thereof due to such breach.

4.8 Disputes.

Should the State Water Board determine not to review the final Division decision, this decision will represent a final agency action on the dispute.
- (b) This clause does not preclude consideration of legal questions, provided that nothing herein shall be construed to make final the decision of the State Water Board, or any official or representative thereof, on any question of law.
- (c) Recipient shall continue with the responsibilities under this Agreement during any dispute.
- (d) This section 4.8 relating to disputes does not establish an exclusive procedure for resolving claims within the meaning of Government Code sections 930 and 930.4.

This Agreement is governed by and shall be interpreted in accordance with the laws of the State of California.

4.10 Income Restrictions.

The Recipient agrees that any refunds, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Recipient under this Agreement shall be paid by the Recipient to the State Water Board, to the extent that they are properly allocable to costs for which the Recipient has been reimbursed by the State Water Board under this Agreement.

4.11 Indemnification and State Reviews.

The parties agree that review or approval of Project plans and specifications by the State Water Board is for administrative purposes only, including conformity with application and eligibility criteria, and expressly not for the purposes of design defect review or construction feasibility, and does not relieve the Recipient of its responsibility to properly plan, design, construct, operate, and maintain the Project. To the extent permitted by law, the Recipient agrees to indemnify, defend, and hold harmless the State Water Board, the Bank, and any trustee, and their officers, employees, and agents for the Bonds, if any (collectively, "Indemnified Persons"), against any loss or liability arising out of any claim or action brought against any Indemnified Persons from and against any and all losses, claims, damages, liabilities, or expenses, of every conceivable kind, character, and nature whatsoever arising out of, resulting from, or in any way connected with (1) the System or the Project or the conditions, occupancy, use, possession, conduct, or management of, work done in or about, or the planning, design, acquisition, installation, or construction, of the System or the Project or any part thereof; (2) the carrying out of any of the transactions contemplated by this Agreement or any related document; (3) any violation of any applicable law, rule or regulation, any environmental law (including, without limitation, the Federal Comprehensive

The Recipient shall also provide for the defense and indemnification of the Indemnified Parties in any contractual provision extending indemnity to the Recipient in any contract let for the performance of any work under this Agreement, and shall cause the Indemnified Parties to be included within the scope of any provision for the indemnification and defense of the Recipient in any contract or subcontract. To the fullest extent permitted by law, the Recipient agrees to pay and discharge any judgment or award entered or made against Indemnified Persons with respect to any such claim or action, and any settlement, compromise or other voluntary resolution. The provisions of this section shall survive the term of this Agreement.

4.12 Independent Actor.

The Recipient, and its agents and employees, if any, in the performance of this Agreement, shall act in an independent capacity and not as officers, employees, or agents of the State Water Board.

4.13 Reserved.

4.14 Non-Discrimination Clause.

- a) The Recipient shall comply with Government Code section 11135 and the implementing regulations (Cal. Code Regs, tit. 2, § 11140 et seq.), including, but not limited to, ensuring that no person is unlawfully denied full and equal access to the benefits of, or unlawfully subjected to discrimination in the operation of, the Project or System on the basis of sex, race, color, religion, ancestry, national origin, ethnic group identification, age, mental disability, physical disability, medical condition, genetic information, marital status, or sexual orientation as such terms are defined under California law, for as long as the Recipient retains ownership or possession of the Project.
- b) If Project Funds are used to acquire or improve real property, the Recipient shall include a covenant of nondiscrimination running with the land in the instrument effecting or recording the transfer of such real property.
- c) The Recipient shall comply with the federal American with Disabilities Act of 1990 and implementing regulations as required by Government Code section 11135(b).
- d) The Recipient's obligations under this section shall survive the term of this Agreement.

During the performance of this Agreement, Recipient and its contractors and subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, sexual orientation, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, denial of family care leave, or genetic information, gender, gender identity, gender expression, or military and veteran status.

The Recipient, its contractors, and subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

- e) The Recipient, its contractors, and subcontractors shall comply with the provisions of the Fair Employment and Housing Act and the applicable regulations promulgated thereunder. (Gov. Code, §12990, subs. (a)-(f) et seq.; Cal. Code Regs., tit. 2, § 7285 et seq.) Such regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full.
The Recipient, its contractors, and subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.
- f) The Recipient shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

4.16 Operation and Maintenance; Insurance.

The Recipient agrees to sufficiently and properly staff, operate and maintain all portions of the System during its useful life in accordance with all applicable state and federal laws, rules, and regulations.

The Recipient will procure and maintain or cause to be maintained insurance on the System with responsible insurers, or as part of a reasonable system of self-insurance, in such amounts and against such risks (including damage to or destruction of the System) as are usually covered in connection with systems similar to the System. Such insurance may be maintained by a self-insurance plan so long as such plan provides for (i) the establishment by the Recipient of a separate segregated self-insurance fund in an amount determined (initially and on at least an annual basis) by an independent insurance consultant experienced in the field of risk management employing accepted actuarial techniques and (ii) the establishment and maintenance of a claims processing and risk management program.

In the event of any damage to or destruction of the System caused by the perils covered by such insurance, the net proceeds thereof shall be applied to the reconstruction, repair or replacement of the damaged or destroyed portion of the System. The Recipient shall begin such reconstruction, repair or replacement as expeditiously as possible, and shall pay out of such net proceeds all costs and expenses in connection with such reconstruction, repair or replacement so that the same shall be completed and the System shall be free and clear of all claims and liens.

Recipient agrees that for any policy of insurance concerning or covering the construction of the Project, it will cause, and will require its contractors and subcontractors to cause, a certificate of insurance to be issued showing the State Water Board, its officers, agents, employees, and servants as additional insured; and shall provide the Division with a copy of all such certificates prior to the commencement of construction of the Project.

4.17 Permits, Subcontracting, and Remedies.

The Recipient shall comply in all material respects with all applicable federal, state and local laws, rules and regulations. Recipient shall procure all permits, licenses and other authorizations necessary to accomplish the work contemplated in this Agreement, pay all charges and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work. Signed copies of any such permits or licenses shall be submitted to the Division before construction begins.

The Recipient shall not contract or allow subcontracting with excluded parties. The Recipient shall not contract with any party who is debarred or suspended or otherwise excluded from or ineligible for participation in any work overseen, directed, funded, or administered by the State Water Board program for which this funding is authorized. For any work related to this Agreement, the Recipient shall not contract with any individual or organization on the State Water Board's List of Disqualified Businesses and Persons that is identified as debarred or suspended or otherwise excluded from or ineligible for participation in any work overseen, directed, funded, or administered by the State Water Board program for which funding under this Agreement is authorized. The State Water Board's List of Disqualified Businesses and Persons is located at http://www.waterboards.ca.gov/water_issues/programs/enforcement/fwa/dbp.shtml.

The Recipient agrees to be bound by all applicable provisions of State Labor Code regarding prevailing wages. The Recipient shall monitor all agreements subject to reimbursement from this Agreement to ensure that the prevailing wage provisions of the State Labor Code are being met.

4.19 Public Funding.

This Project is publicly funded. Any service provider or contractor with which the Recipient contracts must not have any role or relationship with the Recipient, that, in effect, substantially limits the Recipient's ability to exercise its rights, including cancellation rights, under the contract, based on all the facts and circumstances.

4.20 Recipient's Responsibility for Work.

The Recipient shall be responsible for all work and for persons or entities engaged in work performed pursuant to this Agreement, including, but not limited to, contractors, subcontractors, suppliers, and providers of services. The Recipient shall be responsible for responding to any and all disputes arising out of its contracts for work on the Project. The State Water Board will not mediate disputes between the Recipient and any other entity concerning responsibility for performance of work.

4.21 Related Litigation.

Under no circumstances may the Recipient use funds from any disbursement under this Agreement to pay costs associated with any litigation the Recipient pursues against the State Water Board or any Regional Water Quality Control Board. Regardless of the outcome of any such litigation, and notwithstanding any conflicting language in this Agreement, the Recipient agrees to repay all of the disbursed funds plus interest in the event that Recipient does not complete the project.

4.22 Rights in Data.

The Recipient agrees that all data, plans, drawings, specifications, reports, computer programs, operating manuals, notes, and other written or graphic work produced in the performance of this Agreement are subject to the rights of the State as set forth in this section. The State shall have the right to reproduce, publish, and use all such work, or any part thereof, in any manner and for any purposes whatsoever and to authorize others to do so. If any such work is copyrightable, the Recipient may copyright the same, except that, as to any work which is copyrighted by the Recipient, the State reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use such work, or any part thereof, and to authorize others to do so, and to receive electronic copies from the Recipient upon request.

4.23 State Water Board Action; Costs and Attorney Fees.

Any remedy provided in this Agreement is in addition to and not in derogation of any other legal or equitable remedy available to the State Water Board as a result of breach of this Agreement by the Recipient, whether such breach occurs before or after completion of the Project, and exercise of any remedy provided by this Agreement by the State Water Board shall not preclude the State Water Board from pursuing any legal remedy or right which would otherwise be available. In the event of litigation between the parties hereto arising from this Agreement, it is agreed that each party shall bear its own costs and attorney fees.

4.24 Termination; Repayment; Interest.

- (a) This Agreement may be terminated by written notice during construction of the Project, or thereafter at any time during the term of this Agreement, at the option of the State Water Board, upon an Event of Default.
- (b) In the event of such termination, the Recipient agrees, upon demand, to immediately repay to the State Water Board an amount equal to Project Funds disbursed hereunder, accrued interest, penalty assessments, and Additional Payments. In the event of termination, interest shall accrue on all amounts due at the highest legal rate of interest from the date that notice of termination is mailed to the Recipient to the date all monies due have been received by the State Water Board.
- (c) [Reserved].

4.25 Timeliness.

Time is of the essence in this Agreement.

4.26 Unenforceable Provision.

In the event that any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have force and effect and shall not be affected thereby.

4.27 Useful Life.

The Recipient warrants that the economic useful life of the Project, commencing at Project Completion, is at least equal to the term of this Agreement, as set forth in Exhibit B.

4.28 Venue.

Any action arising out of this Agreement shall be filed and maintained in the Superior Court in and for the County of Sacramento, California.

4.29 Waiver and Rights of the State Water Board.

Any waiver of rights by the State Water Board with respect to a default or other matter arising under this Agreement at any time shall not be considered a waiver of rights with respect to any other default or matter.

Any rights and remedies of the State Water Board provided for in this Agreement are in addition to any other rights and remedies provided by law.

IN WITNESS WHEREOF, this Agreement has been executed by the parties hereto.

8. Project Objective.

The Project objective is to replace the existing water distribution system within the community of Seville. The existing distribution system serving the community of Seville is approximately 100 years old and far beyond its estimated useful life. Recent drought conditions have exacerbated the situation and the community continues to experience water outages. Seville's residents are on an indefinite boil water notice due to the depressurizing of the water system and potential introduction of bacteriological contamination via broken pipes. The long-term solution of the community consists of two phases. This Project, Phase 1, includes the replacement of Seville's distribution system, including the storage tank and other appurtenances. Phase 2 will consist of the infrastructure needed to consolidate into the neighboring Yettem Water System.

9. Scope of Work.

Approximately 14,540 feet of 8-inch pipe will be installed within the community, along with water supply meters, gate valves, and fire hydrants. The Project's scope includes a 211,000-gallon storage tank and a new Supervisory Control and Data Acquisition (SCADA) system, however construction of these elements is contingent on available funding.

10. Signage.

The Recipient shall place a sign at least four feet tall by eight feet wide made of ¾ inch thick exterior grade plywood or other approved material in a prominent location on the Project site and shall maintain

the sign in good condition for the duration of the construction period. The sign must include the following disclosure statement and color logos (available from the Division):

“Funding for this Replace Seville Water Distribution System Project has been provided in full or in part by the Proposition 1 – the Water Quality, Supply, and Infrastructure Improvement Act of 2014 and the Drinking Water State Revolving Fund through an agreement with the State Water Resources Control Board. California’s Drinking Water State Revolving Fund is capitalized through a variety of funding sources, including grants from the United States Environmental Protection Agency and state bond proceeds.”

The Project sign may include another agency's required promotional information so long as the above logos and disclosure statement are equally prominent on the sign. The sign shall be prepared in a professional manner.

The Recipient shall include the following disclosure statement in any document, written report, or brochure prepared in whole or in part pursuant to this Agreement:

“Funding for this project has been provided in full or in part through an agreement with the State Water Resources Control Board. California’s Drinking Water State Revolving Fund is capitalized through a variety of funding sources, including grants from the United States Environmental Protection Agency and state bond proceeds. The contents of this document do not necessarily reflect the views and policies of the foregoing, nor does mention of trade names or commercial products constitute endorsement or recommendation for use.”

COUNTY OF TULARE'S GENERAL AGREEMENT TERMS AND CONDITIONS

**COUNTY OF TULARE'S
GENERAL AGREEMENT TERMS AND CONDITIONS
(Form revision approved 01/01/2018)**

1. PAYMENT DOES NOT IMPLY ACCEPTANCE OF WORK: CONTRACTOR is not entitled to any payments from COUNTY until the County Department for which services are provided under the Agreement approves services, including any furnished deliverables, as satisfying all of the requirements of this Agreement. Payments to CONTRACTOR by COUNTY shall not excuse CONTRACTOR from its obligation to replace unsatisfactory deliverables, including equipment, components, materials, or services even if the unsatisfactory character of such deliverables, equipment, components, materials, or services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and services that do not conform to the requirements of this Agreement may be rejected by COUNTY and in such case must be replaced by CONTRACTOR without delay and at no cost to the COUNTY.

2. DISALLOWANCE: If CONTRACTOR requests or receives payment from COUNTY for services hereunder, reimbursement for which is later disallowed by the State of California or United States Government, CONTRACTOR shall promptly refund the disallowed amount to COUNTY upon COUNTY'S request. At its option, COUNTY may offset the amount disallowed from any payment due or to become due to CONTRACTOR under this Agreement or any other Agreement between CONTRACTOR and COUNTY. CONTRACTOR'S obligations under this section 2 will survive the expiration or termination of this Agreement.

3. LIABILITY OF COUNTY: COUNTY'S payment obligations under this Agreement shall be limited to the payment of the compensation provided for in section 3, "PAYMENT FOR SERVICES," of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall COUNTY be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including, but not limited to, lost profits, arising out of or in connection with this Agreement or the services performed in connection with this Agreement.

4. QUALIFIED PERSONNEL: CONTRACTOR shall utilize only competent personnel under the supervision

of, and in the employment of, CONTRACTOR (or CONTRACTOR'S authorized subcontractors) to perform the services. CONTRACTOR will comply with COUNTY'S reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at COUNTY'S request, must be supervised by CONTRACTOR. CONTRACTOR shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

5. INDEPENDENT CONTRACTOR STATUS: The Parties enter into this Agreement with the express understanding that CONTRACTOR will perform all services required under this Agreement as an independent contractor. The Parties agree that the CONTRACTOR and any of its agents, employees, or officers cannot be considered agents, employees, or officers of COUNTY.

CONTRACTOR agrees to advise everyone it assigns or hires to perform any duty under this Agreement that they are not employees of COUNTY. Subject to any performance criteria contained in this Agreement, CONTRACTOR will be solely responsible for determining the means and methods of performing the specified services and COUNTY will have no right to control or exercise any supervision over CONTRACTOR as to how the CONTRACTOR will perform the services. As CONTRACTOR is not COUNTY'S employee, CONTRACTOR is responsible for paying all required state and federal taxes. In particular, COUNTY will not:

- (1) Withhold FICA (Social Security) from CONTRACTOR'S payments.
- (2) Make state or federal unemployment insurance contributions on CONTRACTOR'S behalf.
- (3) Withhold state or federal income tax from payments to CONTRACTOR.
- (4) Make disability insurance contributions on behalf of CONTRACTOR.
- (5) Obtain unemployment compensation insurance on behalf of CONTRACTOR.

**COUNTY OF TULARE'S
GENERAL AGREEMENT TERMS AND CONDITIONS
(Form revision approved 01/01/2018)**

Notwithstanding this independent contractor relationship, COUNTY will have the right to monitor and evaluate the performance of CONTRACTOR to assure compliance with this Agreement.

6. COMPLIANCE WITH LAW: CONTRACTOR must provide services in accordance with applicable Federal, State, and local laws, regulations and directives. With respect to CONTRACTOR'S employees, CONTRACTOR must comply with all laws and regulations pertaining to wages and hours, state and federal income tax, unemployment insurance, Social Security, disability insurance, workers' compensation insurance, and discrimination in employment.

7. LICENSES AND PERMITS: CONTRACTOR represents and warrants that it possesses and will maintain during the term of this Agreement all licenses and permits required for its performance of the services required under this Agreement.

8. GOVERNING LAW: The laws of the State of California, without reference to California conflict of laws principles, govern this Agreement and its interpretation. The Parties agree that this Agreement is made in and will be performed in Tulare County, California.

9. RECORDS AND AUDIT: CONTRACTOR must maintain complete and accurate records with respect to the services rendered and the costs incurred under this Agreement. In addition, CONTRACTOR must maintain complete and accurate records with respect to any payments to employees or subcontractors. All of the records must be prepared in accordance with generally accepted accounting procedures, must be clearly identified, and must be kept readily accessible. Upon request, CONTRACTOR must make the records available within Tulare County to the Auditor of Tulare County and to his or her agents and representatives, for the purpose of auditing and/or copying the records for a period of five (5) years from the date of final payment under this Agreement.

10. CONFLICT OF INTEREST:

(a) At all times during the performance of this Agreement, CONTRACTOR must comply with the law of the State of California regarding conflicts of interests and

appearance of conflicts of interests, including, but not limited to, Government Code Section 1090 et seq., and the Political Reform Act, Government Code Section 81000 et seq. and regulations promulgated by the California Fair Political Practices Commission. The statutes, regulations and laws previously referenced include, but are not limited to, prohibitions against any public officer or employee, including CONTRACTOR for this purpose, from making any decision on behalf of COUNTY in which the officer, employee or consultant/contractor has a direct or indirect financial interest. A violation can occur if the public officer, employee or consultant/contractor participates in or influences any COUNTY decision that has the potential to confer any pecuniary benefit on CONTRACTOR or any business firm in which CONTRACTOR has an interest, with certain narrow exceptions.

(b) CONTRACTOR agrees that if any facts come to its attention that raise any questions as to the applicability of conflicts of interests laws, then it will immediately inform COUNTY and provide all information needed for resolution of this question.

11. INSURANCE: The attached **Exhibit C** outlines the minimum scope, specifications, and limits of insurance required under this Agreement. Additional insured endorsements required as outlined in **Exhibit C** cannot be used to reduce limits available to COUNTY as an additional insured from CONTRACTOR'S full policy limits. Insurance policies cannot be used to limit liability or to limit the indemnification provisions and requirements of this Agreement or act in any way to reduce the policy coverage and limits available from the insurer(s). If CONTRACTOR fails to maintain or renew coverage, or to provide evidence of renewal, then COUNTY may consider that failure a material breach of this Agreement. COUNTY may also withhold any payment otherwise due to CONTRACTOR for failure to provide evidence of renewal until CONTRACTOR provides such evidence.

12. INDEMNIFICATION AND DEFENSE:

(a) To the fullest extent permitted by law, CONTRACTOR must indemnify, defend (at CONTRACTOR'S sole cost and expense and with legal counsel approved by

**COUNTY OF TULARE'S
GENERAL AGREEMENT TERMS AND CONDITIONS
(Form revision approved 01/01/2018)**

COUNTY, which approval may not be unreasonably withheld), protect and hold harmless COUNTY, all subsidiaries, divisions and affiliated agencies of COUNTY, and all of their representatives, partners, designees, officers, directors, employees, consultants, agents, successors and assigns, (each, an "Indemnified Party" and collectively, the "Indemnified Parties"), from and against all claims (including, without limitation, claims for bodily injury, death or damage to property), demands, obligations, damages, actions, causes of action, suits, losses, judgments, fines, penalties, liabilities, costs and expenses (including, without limitation, attorneys' fees, disbursements and court costs, and all other professional expert or consultants' fees and costs and COUNTY general and administrative expenses) of every kind and nature whatsoever (individually, a "Claim"; collectively, "Claims") which may arise out of, pertain to, or relate (directly or indirectly) to the negligence, recklessness, or misconduct of CONTRACTOR with respect to any work performed or services provided under this Agreement (including, without limitation, the acts, errors and/or omissions of CONTRACTOR, its principals, officers, agents, employees, vendors, suppliers, consultants, sub-consultants, contractors, anyone employed directly or indirectly by any of them or for whose acts they may be liable or any or all of them). CONTRACTOR'S obligation to indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an Indemnified Party. If it is finally adjudicated that liability is caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR'S indemnification obligation shall be reduced in proportion to the established comparative liability.

(b) The duty to defend is a separate and distinct obligation from CONTRACTOR'S duty to indemnify. CONTRACTOR shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, the Indemnified Parties immediately upon tender to CONTRACTOR of the Claim in any form or at any stage of an action or proceeding, whether or not liability is established. Payment to CONTRACTOR by any Indemnified Party or the payment or advance of defense costs by any Indemnified Party cannot be a condition

precedent to enforcing the Indemnified Party's rights to indemnification under this Agreement. An allegation or determination that persons other than CONTRACTOR are responsible for the Claim does not relieve CONTRACTOR from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent defense counsel if CONTRACTOR asserts that liability is caused in whole or in part by the negligence or willful misconduct of an Indemnified Party. If it is finally adjudicated that liability was caused by the comparative active negligence or willful misconduct of an Indemnified Party, then CONTRACTOR may submit a claim to the COUNTY for reimbursement of reasonable attorneys' fees and defense costs in proportion to the established comparative liability of the Indemnified Party. CONTRACTOR'S indemnification obligations under this Agreement will survive the expiration or earlier termination of this Agreement until action against the Indemnified Parties for the matter indemnified is fully and finally barred by the applicable statute of limitations or statute of repose. CONTRACTOR'S liability for indemnification under this Agreement is in addition to any liability CONTRACTOR may have to COUNTY for a breach by CONTRACTOR of any of the provisions of this Agreement. Under no circumstances may the insurance requirements and limits set forth in this Agreement be construed to limit CONTRACTOR'S indemnification obligation or other liability under this Agreement. The terms of this Agreement are contractual and the result of negotiation between the Parties.

(c) CONTRACTOR must indemnify and hold COUNTY harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses, for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequence of the use by COUNTY, or any of its officers or agents, of articles or services to be supplied in the performance of this Agreement.

**COUNTY OF TULARE'S
GENERAL AGREEMENT TERMS AND CONDITIONS
(Form revision approved 01/01/2018)**

13. TERMINATION:

(a) **Without Cause:** COUNTY may terminate this Agreement without cause by giving thirty (30) days' prior written notice to CONTRACTOR of its intention to terminate under this provision, specifying the date of termination. COUNTY will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. COUNTY will not pay lost anticipated profits or other economic loss. The payment of any compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement, and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR in accordance with this Agreement. COUNTY will not impose sanctions on CONTRACTOR under these circumstances.

(b) **With Cause:** Either Party may terminate this Agreement immediately, by written notice to the other Party, should the other Party:

- (1) Be adjudged a bankrupt, or
- (2) Become insolvent or have a receiver appointed, or
- (3) Make a general assignment for the benefit of creditors, or
- (4) Suffer any judgment that remains unsatisfied for 30 days, and that would substantively impair the ability of the judgment debtor to perform under this Agreement, or
- (5) Materially breach this Agreement.

In addition, COUNTY may terminate this Agreement based on:

- (6) Material misrepresentation, either by CONTRACTOR or anyone acting on CONTRACTOR'S behalf, as to any matter related in any way to COUNTY'S retention of CONTRACTOR, or
- (7) Other misconduct or circumstances that, in the sole discretion of COUNTY, either impairs the ability of CONTRACTOR to competently provide the services under this Agreement,

or exposes COUNTY to an unreasonable risk of liability.

For any of the occurrences except item (5) above, termination may be effected upon written notice by the terminating Party specifying the date of the termination. If CONTRACTOR fails to perform according to the terms and conditions of this Agreement, then COUNTY may, in addition to any other remedy it may have, issue a declaration of default after 10 days written notice to CONTRACTOR.

Upon a material breach, the Agreement may be terminated after the failure of the defaulting Party to remedy the breach to the satisfaction of the non-defaulting Party within 5 days of written notice specifying the breach. If the breach is not remedied within that 5-day period, then the non-defaulting Party may terminate this Agreement on further written notice specifying the date of termination. If the nature of the breach is such that it cannot be cured within a 5-day period, then the defaulting Party may submit a written proposal within that period which sets forth a specific means to resolve the default. If the non-defaulting Party consents to that proposal in writing, which consent may not be unreasonably withheld, then the defaulting Party must immediately embark on its plan to cure the default or breach. If the default or breach is not cured within the time agreed, then the non-defaulting Party may terminate this Agreement upon written notice specifying the date of termination.

COUNTY will pay to CONTRACTOR the compensation earned for work satisfactorily performed and not previously paid for to the date of termination. The payment of such compensation is subject to the restrictions on payment of compensation otherwise provided in this Agreement, and is conditioned upon receipt from CONTRACTOR of all plans, specifications and estimates, and other documents prepared by CONTRACTOR by the date of termination in accordance with this Agreement. COUNTY will not pay lost anticipated profits or other economic loss, nor will COUNTY pay compensation or make reimbursement to cure a breach arising out of or resulting from such termination. If COUNTY terminates this Agreement

**COUNTY OF TULARE'S
GENERAL AGREEMENT TERMS AND CONDITIONS
(Form revision approved 01/01/2018)**

for cause and the expense of finishing CONTRACTOR'S scope of work exceeds the unpaid balance of the Agreement, then CONTRACTOR must pay the difference to COUNTY. COUNTY may impose sanctions under these circumstances, which may include possible rejection of future proposals based on specific causes of CONTRACTOR'S non-performance.

(c) **Effects of Termination:** Expiration or termination of this Agreement will not terminate any obligations to indemnify, to maintain and make available any records pertaining to the Agreement, to cooperate with any audit, to be subject to offset, or to make any reports of pre-termination contract activities. Where COUNTY terminates CONTRACTOR'S services, that termination will not affect any rights of COUNTY to recover damages against CONTRACTOR.

(d) **Suspension of Performance:** Independent of any right to terminate this Agreement, the authorized representative of the COUNTY department or agency for which CONTRACTOR'S services are to be performed, may immediately suspend performance by CONTRACTOR, in whole or in part, in response to health, safety or financial emergency, or a failure or refusal by CONTRACTOR to comply with the provisions of this Agreement, until such time as the cause for suspension is resolved, or a notice of termination becomes effective.

14. LOSS OF FUNDING: It is understood and agreed that if COUNTY'S funding is either discontinued or reduced for the services to be provided hereunder, then COUNTY will have the right to terminate this Agreement under section 13 (a) ("Termination Without Cause") as of the end of the term for which funds are appropriated. Such termination shall be without penalty, liability, or expense to COUNTY of any kind, provided that COUNTY shall pay CONTRACTOR in accordance with section 13 (a) for services satisfactorily performed prior to the date of such termination and to the extent funds have been appropriated for such payment.

15. SUBMITTING FALSE CLAIMS; MONETARY PENALTIES: Under applicable federal and state law, if CONTRACTOR submits a false claim to COUNTY under

this Agreement, then CONTRACTOR will be liable to COUNTY for the statutory penalties set forth in those statutes, including but not limited to statutory fines, treble damages, costs, and attorneys' fees. CONTRACTOR will be deemed to have submitted a false claim to COUNTY if CONTRACTOR:

(a) Knowingly presents or causes to be presented to COUNTY a false claim or request for payment or approval;

(b) Knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by COUNTY;

(c) Conspires to defraud COUNTY by getting a false claim allowed or paid by COUNTY;

(d) Knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to COUNTY; or

(e) Is a beneficiary of an inadvertent submission of a false claim to COUNTY, later discovers the falsity of the claim, and fails to disclose the false claim to COUNTY within a reasonable time after discovery of the false claim.

16. FORM DE-542: If CONTRACTOR is an individual, CONTRACTOR acknowledges that this Agreement is subject to filing obligations under Unemployment Insurance Code Section 1088.8. Accordingly, COUNTY has an obligation to file a report with the Employment Development Department, which report will include CONTRACTOR'S full name, social security number, address, the date this Agreement was executed, the total amount of the Agreement, its expiration date or whether it is ongoing. CONTRACTOR agrees to cooperate with COUNTY to make that information available and to complete Form DE- 542. Failure to provide the required information may, at COUNTY'S option, prevent approval of this Agreement, or be grounds for termination by COUNTY.

17. WORKS FOR HIRE: CONTRACTOR acknowledges that all work(s) under this Agreement are "work(s)
