YOUTH TRANSITIONS PROGRAM
STATEMENT OF WORK
COMMUNITY SERVICES EMPLOYMENT TRAINING, INC. (CSET)
OCTOBER 1, 2018 THROUGH SEPTEMBER 30, 2019

Tulare County recognizes there is a significant population of youth (ages 16-21) that are at risk for one or more of the following: gang involvement, suicide, school dropout/truancy, drug abuse, pregnant/parenting, homelessness, etc. Youth lacking protective factors may also include being basic skills deficient, a current or former foster child or having a parent who is a current or recovering substance abuser. Tulare County believes that these youth, and the community as a whole, will benefit from a program that provides work experience, mentors, and encouragement to obtain and retain meaningful employment. Many organizations within the community are committed to youth advocacy and are willing to collaborate to further this objective. In keeping with the goals of the County's Step Up program to provide more opportunities for at-risk youth, the County would like to continue the Youth Transitions Program. The Health & Human Services Agency will be the lead agency for the Youth Transitions Program. Work experience sites for this program may be established within any County department.

CSET will provide the following services:

Outreach and Recruitment: CSET will coordinate outreach and recruitment. Tulare County will assist in these activities by referring potentially eligible youth to the program from Tulare County-based programs.

Initial Eligibility and Assessment: CSET will consider youth eligible if they meet one or more of the following criteria: at risk for gang involvement, suicide, school dropout/truancy, drug abuse, pregnant/parenting, homelessness or if youth is receiving services, current/former foster child, has a parent who is a current/recovering substance abuser, or a participant of the Leading Educating Advocating & Dedication (#LEAD) program. Eligibility will be verified using applicable documentation supplied by the referral source, documentation supplied by the youth, interview of youth and/or self-attestation. Initial assessment for the Youth Transitions Program will be conducted by CSET directly following the eligibility determination. The assessment information will be gathered through a combination of testing tools which may include a Skill and Competencies Checklist, the Career Ability Placement Survey, or a Customer Profile booklet to be completed by the youth.

Enrollment: The Youth Transitions Program will serve youth who are ages 16 through 21 at the time of enrollment or high school juniors or seniors who have participated in the #LEAD program. All referrals will flow through the Youth Transitions Senior Program Coordinator at CSET using the Youth Transitions Program Referral Form. Referrals may flow from several agencies including all departments of Tulare County, community-based organizations, and school districts. When it has been determined that an applicant is eligible and an appropriate candidate, the applicant will be enrolled into the Youth Transitions Program. Participants will collaborate with CSET staff to create an Individual Service Strategy. Continued participation in the Youth Transitions Program will be contingent upon the participant meeting the goals and milestones established in the Service Strategy. Failure to meet the goals is grounds for removal from the program. Youth Transitions participation is estimated to be from 5 months to a maximum of 1 year. Participants will work an estimated average of 500 hours with a maximum amount of hours not to exceed 1,500. Extension may be granted on a case-by-case basis with

CSET's recommendation and approval of the County. Under no circumstances can a participant be enrolled in Youth Transitions beyond 24 months.

Orientation & Job Preparation: CSET staff will prepare youth for working at Tulare County job sites using assessment, orientation and appropriate training about work ethics, proper work attire, sexual harassment and behavior and performance expectations.

Training for Youth: CSET staff will provide applicable training and workshops for enrollees including, but not limited to: Interviewing Skills, Application Completion, Resume Creation, Dressing for Success, Moving up the Career Ladder, Workplace Ethics, County Dress Code Policy, and Financial Literacy.

Work Experience: The Youth Transitions Program will provide a maximum of 45,451 work experience hours for 30 up to a maximum of 90 participants at County-designated worksites. Each participant will receive paid work experience ranging from approximately 500 hours to a maximum of 1,500 hours (average hours are approximately 1,300).

Job Placement: CSET's Job Developer and staff will place 70% of all out of school youth in the program into intent-to-hire internships/direct-hire employment. CSET staff will provide 6 months of retention services to assure 70% of placements stay on the job.

Referral: CSET staff will provide and track referrals to other safety net services as needed for participant success in the Youth Transitions program.

Training for Mentors: CSET staff will provide training for County employee volunteer mentors which include the expectations of a mentor, how to positively engage a youth, and setting appropriate work & social boundaries when interacting with a youth.

Monitoring: CSET will provide youth/program monitoring at work sites on a consistent basis.

Record Keeping: CSET will maintain case files for all participants in the Youth Transitions Program. CSET will track all participant activity, gather participant time sheets, and perform all payroll functions for Youth Transition participants.

Reporting and Payment:

CSET will submit an invoice/payment request to Tulare County HHSA monthly. The invoice/payment request will be in a format approved by HHSA and include an itemized listing of all reimbursable expenses. In addition to the invoice, CONTRACTOR will provide in a format approved by HHSA:

- The total amount billed for the period indicated on the invoice.
- The names of the participants included in the billing total.
- The planned start and end dates for each participant's work experience contract.
- The actual hours worked by each participant.
- The work location/department of each participant indicated on the invoice.
- Other supportive documentation as required by the County.
- End date of the youth's contract & the company at which permanent employment was secured.

EXHIBIT A

CSET will provide other reports and documentation as requested by Tulare County to monitor the program activities and expenditures.

CSET will be reimbursed for these allowable costs using a monthly invoicing process approved by the County.

In return for the minimal services provided by the youth in the Program, Tulare County will reimburse CSET at the following rate: \$18.06 per participant hour worked. This total agreed-upon hourly rate may require revision if there is a change to California's minimum wage and/or the Worker's Compensation rate.

See Exhibit B for the estimated monthly reimbursement and the maximum reimbursement for the term of this agreement.

Tulare County will provide the following:

- Reimbursement for allowable costs of participant placements upon submittal of invoice (see Exhibit B).
- Identification of County-designated worksites to provide meaningful work experience hours.
- A worksite mentor for each youth assigned.
- Worksite supervision.
- A performance evaluation every pay period (on participant timesheet) about each youth placed.
- The number of youth placed and hours worked by each youth will be determined by Tulare County based on worksite needs, available supervision, and available funding.
