SUBJECT: Approve a revised resolution for Agreement Number 27994

DATE: October 9, 2018

SUMMARY:

The District Attorney's office has received grant funding from The California Governor's Office of Emergency Services (Cal OES) to operate the Unserved/Underserved Victim Advocacy and Outreach Program (UV Program) since 2010.

During the period of July 18 through July 19, 2018, Cal OES staff completed a programmatic site review to evaluate the UV Program's project performance, provide technical information, and review grant requirements to ensure compliance with Cal OES' rules and regulations. On August 1, 2018, Cal OES issued a Site Visit Performance Assessment Report, which listed its findings based on the UV Program site review. One of its finding was that our current resolution does not include information cited as required in section 1350 of the Cal OES 2018 Subrecipient Handbook. This Board agenda item includes the language from section 1350 as requests 3 through 6.

At the March 14, 2017 Board meeting, your Board approved an agreement for the Unserved/Underserved Victim Advocacy and Outreach Program (UV Program) for Fiscal Year 2017/2018, as Agreement number 27994. With this Board agenda item, we are seeking to obtain a revised resolution – containing all of the information from section 1350 of the Subrecipient Handbook – in order to be in compliance with Cal OES. The resolution will supersede resolution 2017-0164.

FISCAL IMPACT/FINANCING:

This agenda item is to add language to the resolution to comply with the funding source. There is no Net County Cost associated with this request.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year Strategic Business Plan and Management System include Safety and Security initiatives to provide for the safety and security of the public. Continued grant funding from Cal OES helps to fulfill this initiative. Through the Unserved/Underserved Victim Advocacy and Outreach Program, dedicated staff will provide services to victims of crime, including supportive services throughout the criminal justice proceedings, and by connecting them with financial assistance through the Victim Compensation and Government Claims Board.

1320 Terms of the Program

The applicable Request for Proposal (RFP) and/or the Request for Application (RFA) must be accessible by the project on-site (an internet link to the Cal OES website is acceptable). These key documents contain the applicable guidelines that define the terms of the program. Failure to adhere to these requirements, i.e. enabling legislation, funding regulations, service standards, program guidelines, etc., may result in the withholding or disallowance of grant payments on current or future Cal OES grants and/or a reduction in funding or termination of the Grant Subaward and/or the denial of future funding. In the event the terms of the program are inconsistent with the provisions of this Subrecipient Handbook, the terms of the program supersede the provisions of this Subrecipient Handbook.

1320.1 Special Conditions

Special Conditions may be applied to an application before final Cal OES approval. Special Conditions are applied at Cal OES's discretion to modify the terms of the program or funding as defined in the RFP or RFA. Special Conditions may include, but are not limited to: a change to the fund source, fund amount, and/or the fund expiration date and/or a reduction to the liquidation period, etc. If a Special Condition is applied, it will be fully explained on a colored sheet of paper that is included in the Subrecipient's fully executed Grant Subaward. By signing the Grant Subaward, the Subrecipient agrees to the terms of the Special Condition.

1330 Supplanting Prohibited

Supplanting means to deliberately reduce the amount of federal, state, or local funds currently being appropriated to an existing program or activity, because a Cal OES grant has also been awarded for the same purposes. When the Subrecipient replaces funds in this manner, it reduces the total amount that would have been available for the stated grant purpose, and the substitution results in supplanting.

Cal OES funds should be used to supplement existing funds for program activities and not replace funds that have been appropriated for the same purpose. Supplanting is strictly prohibited for all Cal OES grant funds. However, if both state and federal funds are allocated for the same line-item, state funds shall be expended first.

1340 Grant Subaward Changes

Changes made in the Grant Subaward during the grant year must be fully documented in accordance with the procedures described in this Subrecipient Handbook. Oral agreements are not binding.

1350 Proof of Authority

The "Proof of Authority from the City Council/Governing Board" has been incorporated into the Certification of Assurance of Compliance, Section VII. All Subrecipients, except for State Agencies, are required to obtain written authorization from the city council/governing board that the official executing the agreement (e.g. a Resolution, Board Minutes, or a letter from the Board Chair) is, in fact, authorized to do so and includes any amendments, extensions, thereof. Subrecipients must maintain this written authorization on file and make it available upon demand. Whenever possible, it is best to use the official's title rather than the

person's name to avoid having to seek further authorization from the governing agency if the person named is transferred or leaves an agency/organization.

1400 FUND AVAILABILITY

Allocation of funds is contingent on the enactment of the state budget. Cal OES does not have the authority to disburse any funds until the budget is passed and the Grant Subaward is fully executed. Any expenditure incurred prior to authorization is made at the Subrecipient's own risk and may be disallowed. Cal OES employees are not able to authorize an applicant to incur expenses or financial obligations prior to the execution of a Grant Subaward. However, once the Grant Subaward is finalized the Grant Subrecipient may claim reimbursement for expenses incurred on, or subsequent to, the start of the Grant Subaward period.

If, during the term of the Grant Subaward, the state and/or federal funds appropriated for the purposes of the Grant Subaward are reduced or eliminated by the California Legislature or by the United States Government, or in the event revenues are not collected at the level appropriated, Cal OES may immediately terminate or reduce the Grant Subaward upon written notice to the project. No such termination or reduction shall apply to allowable costs already incurred by the project to the extent that state or federal funds are available for payment of such costs.

The Grant Subaward entered into with Cal OES is subject to any applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government subsequent to execution of the Grant Subaward.
