SUMMARY:
Homelessness remains a serious and pervasive issue for communities throughout the nation. Recognizing the severity of this context, the State of California has made available a variety of new programs for counties to shape a tailored response to local homelessness.

The Homeless Mentally Ill Outreach and Treatment Program is one of the programs that provides flexible local funding to develop and implement outreach and treatment approaches for individuals experiencing or at risk of homelessness with serious mental illness. This program is administered through the Department of Health Care Services (DHCS), and allocates a one-time amount of \$309,000 to Tulare County, as authorized by SB840. On September 18, 2018, through Resolution Nos. 2018-0781 and 2018-0782, the Board approved the request to

FISCAL IMPACT/FINANCING:

Upon approval to accept funding, the attached AUD308 form will be filed to adjust the budget to include the \$309,000 awarded one-time, received and expended through the 2018/2019 fiscal year from January 1, 2019 to June 30, 2019, and the 2019/2020 fiscal year. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's Strategic Business Plan includes the Quality of Life initiative to promote public health and welfare and encourage the provision of quality supportive services for individuals in Tulare County.
