SUBJECT: Approve a California State Parks Division of Boating and Waterways FY 2019/20 Application for Financial Aid.

DATE: December 11, 2018

SUMMARY:

The California State Parks Division of Boating and Waterways Financial Aid Program application process provides an avenue for the Sheriff's Office to apply for partial reimbursement related to costs associated with patrol boat unit services to local waterways. In Tulare County, these waterways include Lakes Success and Kaweah, along with seasonal coverage of portions of the County's river system. The state subsidy defrays a portion of each county's costs to provide these marine patrol services.

Applying for this Financial Aid Program must be approved by the Board of Supervisors prior to consideration for financial aid from the California State Parks Department of Boating and Waterways. Today, the Sheriff's Office requests that your Board approve an application for this subsidy to Tulare County for Fiscal Year 2019/20 (July 1, 2019, through June 30, 2020). An agreement will follow once the application is approved.

FISCAL IMPACT/FINANCING:

The patrol boat unit's operational expenses will come from the Sheriff's operational budget during FY 2019/20. The projected state subsidy is \$256,932.00 during FY 2019/20.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The Safety and Security Initiative is one of four initiatives in the Tulare County Strategic Plan. The main focus of the lake patrol is to provide safety, education and enforcement for the public utilizing the County's waterways. The patrol boat unit is in line with this initiative, and the subsidy assists with operational costs of the unit.
