**SUBJECT:** 50<sup>th</sup> Anniversary of the Pacific Crest Trail

**REQUEST(S):**

That the Board of Supervisors:  
Adopt a resolution recognizing the 50<sup>th</sup> Anniversary of the Pacific Crest Trail.

**SUMMARY:**

The Pacific Crest Trail (PCT) is one of the original two National Scenic trails in the nation designated by the National Trails System Act of 1968. 2018 marks the 50<sup>th</sup> anniversary of the PCT's designation.

The PCT spans 2,650 miles from the Mexican border near Campo, California to the Canadian border near Boundary Monument 78 in Washington. It extends 1,692 miles through 5 California state parks as well as national forests, national parks, wilderness areas, and private property. The trail runs through 20 California counties including Tulare County.

The Rural County Representatives of California have asked its member counties to consider adopting resolutions commemorating the 50<sup>th</sup> Anniversary of the PCT. Earlier this year, the Legislature enacted Senate Resolution 121 (Hertzberg) to commend the anniversary of the PCT.

The PCT is a major attraction for out of state and out of country visitors. Hiking and other forms of recreation are huge drivers for the trail and boost California's tourism economy.
