SUBJECT: Approve an agreement with Plumas County regarding School-Based Medi-Cal Administrative Activities

REQUEST(S):
That the Board of Supervisors:

1. Approve an agreement with Plumas County acting as the host entity of the Local Government Agency Consortium over School-Based Medi-Cal Administrative Activities Trust Fund to update the fee structure. This agreement is retroactive from July 1, 2018 through June 30, 2019 in the amount not to exceed \$54,100. This agreement is retroactive due to inadvertent delays in receiving the agreement and the participation fee schedule from Plumas County. It was impracticable for the Board to take action prior to July 1, 2018, due to the time needed to process, prepare, and submit agenda item;
2. Find that the Board had authority to enter into the proposed agreement as of July 1, 2018, and that it was the County's best interest to enter in the agreement on that date; and
3. Authorize the Chairman of the Board to sign two (2) copies of the agreement.

SUMMARY:
The Tulare Health and Human Services Agency (HHSA), the designated health department for the County of Tulare, contracts with the Department of Health Care Services (DHCS) to participate in the School-Based Medi-Cal Administrative Activities (SMAA) program. This program provides Federal Financial Participation (FFP) funds to participating Local Government Agencies (LGAs) for assisting Medi-Cal eligible individuals in accessing Medi-Cal services.

SUBJECT: Approve an agreement with Plumas County regarding School-Based Medi-Cal Administrative Activities

DATE: December 18, 2018

Each LGA that participates in the SMAA program is required to pay an annual participation fee to the host entity of the LGA Consortium. This agreement authorizes Plumas County to collect the appropriate participation fee for Fiscal Year 2018-2019 which is calculated from the total amount of SMAA revenues received in Fiscal Year 2017-2018 as voted by the LGA Consortium members. The Tulare County Board of Supervisors previously approved a combined agreement for SMAA and County-Based Medi-Cal Administrative Activities (CMAA) for the term of July 1, 2017 through June 30, 2018. Beginning July 1, 2018, DHCS' new policy requires a separate host entity agreement for SMAA and CMAA. The purpose of this agreement is to extend Plumas County as the host entity for Fiscal Year 2018-2019.

This agreement has been approved as to form by County Counsel. The following terms deviates substantively from standard County boilerplate: 1) The County will sign first; 2) Any LGA requesting reinstatement that left the Consortium in bad standing will be required to pay the balance of its outstanding participation fees plus interest and penalties as determined by the host entity; and, 3) This agreement includes a mutual indemnification and insurance provision.

FISCAL IMPACT/FINANCING:

The SMAA participation fee due to Plumas County for Fiscal Year 2018-2019 is estimated at and shall not exceed \$54,100. This estimate is based on \$948,945 in SMAA revenues received in Fiscal Year 2017-2018 countywide. The participation fee is paid out of Random Moment Time Survey vendor fees from the school districts and administrative fees collected by HHSA for administering and coordinating the local SMAA claiming program. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Quality of Life Initiative, which encourages innovative provision of quality supportive services for the general population, especially those who are eligible to receive free or low cost health services funded by federal programs including the SMAA program. This program increases the ability to improve the quality of life of Tulare County residents.
