**SUBJECT:** Amendment to the Tulare County Conflict of Interest Code

**REQUEST(S):**

That the Board of Supervisors:

Approve changes in designated officials and employees in the Tulare County Conflict of Interest Code as recommended by County departments and agencies in Appendix "A", attached hereto.

**SUMMARY:**

The Political Reform Act, administered by the Fair Political Practices Commission (FPPC), requires local governmental agencies to adopt a Conflict of Interest Code and update it from time-to-time to reflect changes in decision-making positions within an agency. This includes newly added positions, deleted positions, or changes in disclosure categories for designated positions.

A Conflict of Interest Code is designated to cover members of boards, committees, and similar bodies, and administrative employees who make, or participate in making, government decisions in which the official may have a personal financial interest. Positions designated in an agency's code are required to file a Form 700-Statement of Economic Interests upon appointment to a designated position, upon leaving the position and on a yearly basis while performing the official functions of that position. For this reason, positions designated in the Tulare County Conflict of Interest Code must also be assigned a disclosure category. Disclosure categories describe the types of personal financial interests that the official must disclose in his or her Form 700-Statement of Economic Interests.

**SUBJECT:** Amendment to the Tulare County Conflict of Interest Code  
**DATE:** January 29, 2019

In addition, a local government agency is required to conduct a review of its Conflict of Interest Code every even numbered year. In August 2018, written notices were sent to all County departments requiring their review of those portions of the County Code applicable to that department, and requiring that the department or agency make recommendations, if any, for changes in the designated positions for that department.

Attached as Appendix "A" is a revised list of the County's designated positions and disclosure categories, incorporating the changes recommended by the County departments and agencies.

**FISCAL IMPACT/FINANCING:**

There is no County cost associated with this request.

**LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:**

The County's Five-year Strategic Plan includes the Organizational Performance Initiative to continuously improve organization effectiveness. The approval of the Conflict of Interest Codes helps fulfill this initiative by ensuring that the County and the local agencies are in compliance with the law.
