SUMMARY:

On August 16, 2005, the Board of Supervisors adopted Resolution No. 2005-0519

SUBJECT: Proceedings to Form Assessment District No. 18-789R-GOSHEN
DATE: February 26, 2019

requiring the formation of an assessment district for the maintenance of new public roadways resulting from land division and/or development activities. Planning Commission Resolution No. 8191, approving the tentative map for Subdivision Tract No. 789, required the formation of a road maintenance assessment district as a condition precedent to the recordation of the Final Map for Subdivision Tract No. 789. The Benefit Assessment Act of 1982, Section 54703 et seq. of the Government Code, provides for the formation of assessment districts to fund the maintenance of the public streets and roadways. The subdivider, TRD 2 – Goshen Village, LLC, a Delaware limited liability company, has requested the County form an assessment district to pay for maintenance of the public streets and roadways serving Subdivision Tract No. 789.

Subdivision Tract No. 789 consists of 17.06 acres divided into 76 residential lots with three lots designated as a stormdrain basin. The subdivision is scheduled to be constructed in three phases with Phase 1 consisting of 25 lots.

Construction cost of the streets and roadway improvements will be borne by the subdivider of Subdivision Tract No. 789. The cost of maintaining these improvements and administering this assessment district is proposed to be provided by assessing the 25 residential lots in Phase 1. The budget for the first year is reflected in the AUD 308 form (Attachment H). Based on the cost of providing these services, each of the 25 assessable lots within Phase 1 of Subdivision Tract No. 789, will be assessed an annual fee of \$149. A Consumer Price Index adjustment to cover inflationary costs, based on the increase in cost of goods and services as determined by the U.S. Department of Labor, Bureau of Labor Statistics, is included in the annual increases to each parcel and will not require an election or approval by the owners of the assessed lots.

TRD 2 – Goshen Village, LLC is the sole owner of all properties and parcels within Phase 1 of Tulare County Subdivision Map No. 789. The property owner has executed the Assessment Ballot and Waiver of Public Meeting and Hearing requesting that the Tulare County Board of Supervisors proceed, without further meeting or hearing, with the immediate formation of the proposed Tulare County Assessment District No. 18-789R-GOSHEN and the imposition of assessments to cover the expense of maintaining the public streets and roadways. County Counsel has prepared the ballot waiving the public meeting, hearing, including notice of the associated resolution forming the assessment district and imposition of assessments.

FISCAL IMPACT/FINANCING:

No Net County Cost.

All costs for engineering, district supervision and maintenance of the new public streets and roadways are funded by the assessment district.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes a Safety and Security initiative to

SUBJECT: Proceedings to Form Assessment District No. 18-789R-GOSHEN
DATE: February 26, 2019

provide for the safety and security of the public. The formation of this assessment district helps fulfill this initiative by ensuring and maintaining adequate roadways for the safety and protection of the public.

Engineer's Report

ENGINEER'S REPORT

IN THE MATTER OF FORMATION OF
COUNTY OF TULARE
ASSESSMENT DISTRICT NO. 18-789R-GOSHEN

Reed Schenke, P.E.
Director – Public Works

Tulare County, Resource Management Agency

ENGINEER'S REPORT

ASSESSMENT DISTRICT NO. 18-789R-GOSHEN

I. GENERAL

This report has been prepared in accordance with applicable sections of Streets and Highways Code Sections 22565 through 22574. The Benefit Assessment Act of 1982, Section 54703 et seq. of the Government Code, provides authority for formation of this Assessment District.

The Board of Supervisors has directed, in Board Resolution No. 2005-0519, that the County will require the formation of an assessment district for the maintenance of new public roadways resulting from land division and land development activities. Planning Commission Resolution No. 8191 approving the tentative map for Subdivision Tract No. 789 required the formation of a road assessment district as a condition precedent to recordation of the final map for Subdivision Tract No. 789. The subdivider (TRD 2 – Goshen Village, LLC, a Delaware limited liability company) has requested the county form an assessment district to pay for maintenance of the public streets and roadways serving Subdivision Tract No. 789.

Subdivision Tract No. 789 is a division of 17.06 acres into 76 residential lots to be divided into three phases with Phase 1 consisting of 25 residential lots. The subdivision is located between Avenue 308 and Avenue 310 east of Road 72, located the community of Goshen.

Construction costs of the streets and roadway improvements within Phase 1 will be borne by the subdivider of Subdivision Tract No. 789. The cost of maintaining these improvements and administering this assessment district is proposed to be provided for by assessing the 25 residential lots within Phase 1 of the subdivision.

II. IMPROVEMENTS

Improvements to be maintained under this assessment district include approximately 44,100 square feet of public roadways. The initial construction costs of roadway improvements will be or has been borne by the subdivider of this development.

III. FORMULA FOR INFLATION ADJUSTMENT

The annual assessments beginning in the 2018/2019 fiscal year, and each fiscal year thereafter, shall be adjusted for inflation according to the following formula: The Consumer Price Index [Urban Wage Earners and Clerical Workers for the Los Angeles-Anaheim-Riverside CSMA] published by the United States Department of Labor, Bureau of Labor Statistics (the "Index"), which will be published for the first six months of the 2018/2019 fiscal year. Each fiscal year thereafter shall be compared to the Index published for the same period in the prior fiscal year. If the Index of the last fiscal year has increased over the Index of the prior fiscal year, the assessment for the coming fiscal year shall be set by multiplying the assessment amount, as previously adjusted by this formula, imposed in the last fiscal year by a fraction, the numerator of which is the Index of the last fiscal year and the denominator of which is the Index of the prior fiscal year.

ENGINEER'S REPORT

ASSESSMENT DISTRICT NO. 18-789R-GOSHEN

If the Index is changed so that base year differs from that used for Index period of the prior fiscal year most immediately preceding the Index period for the last fiscal year, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Index period of any fiscal year, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

This formula for inflation adjustment shall provide a progressive adjustment resulting in increased maximum annual assessments to cover increased costs due to inflation.

IV. BENEFIT ANALYSIS

There is special benefit, as opposed to a general benefit to the public at large, to the lots or parcels assessed provided by the public roadway improvements because such improvements provide access to each lot within the subdivision boundary. All lots or parcels within the assessment district receive such special benefit equally.

V. ESTIMATE OF EXPENSES

The proposed assessment is to provide a method for all parcels benefiting from the road maintenance to pay their proportional share of the cost of providing those services. The County, as the tax levying and collecting agency, will fix the assessments each fiscal year on the tax rolls on parcels within the proposed road maintenance assessment district receiving the special benefit. Penalties will be assessed for delinquent payments as well as non-payment. Operation and maintenance expenses, as well as the expense to administer the district are included in the annual assessment.

The estimated annual assessment of \$149.00 is for the 2018/2019 fiscal year. The assessments for each fiscal year thereafter shall be revised according to the formula for inflation adjustment set out in Section III for the 2019/2020 fiscal year and each fiscal year thereafter.

Estimated annual costs to maintain these improvements and administer the assessment district for Fiscal Year 2018/2019 are as follows:
