The Consortium will give the County notice of the approved schedule within ten (10) days after such approval.

A. County hereby agrees to contribute to the Consortium its share of Administrative Costs, as determined by the Consortium, in advance pursuant to California Government Code section 6504.

B. County shall also contribute an amount equal to any penalties, fines, finance charges, interest or other costs that may result in the event County's tardy payment(s) result in insufficient funds to pay the Consortium's expenses when due.

4.1.5. If, during the term of this MOU, the County is unable to appropriate sufficient funds, or is otherwise unable to meet its financial obligations under this MOU, and there are no other legal procedures or available funds by or with which such obligations can be met, County shall have the right to terminate this MOU and withdraw its membership from the Consortium effective as of the end of that fiscal year by adoption of a resolution of withdrawal by County's Board of Supervisors, provided that a copy of said resolution has been served on all other Members by May 31 of that fiscal year, as provided for in Section 2.11 (Withdrawal of Member) of the JPA Agreement. Withdrawal under this subsection shall not relieve the County of any financial obligations or liabilities arising prior to the effective date of the withdrawal.

4.1.6. Section 17.1.1 of the "Amended and Restated Agreement for a California Statewide Automated Welfare System" between the Consortium and Accenture LLP provides as follows:

17.1.1 Consortium Member Demand for Indemnification

CONTRACTOR's obligation to indemnify CONSORTIUM Members shall only be exercised through the CONSORTIUM and upon written demand by the CONSORTIUM. Any demand for indemnification by a CONSORTIUM Member shall be tendered to the CONSORTIUM, which shall have the authority to make the demand for indemnification to CONTRACTOR. The obligation on CONSORTIUM Members to submit demands for indemnification to the CONSORTIUM rather than directly to the CONTRACTOR shall not apply to L A COUNTY so long as L A COUNTY remains the sole county utilizing the LRS System in actual production. Once a second county migrates into the LRS System and from that point forward, all indemnification claims must go through the CONSORTIUM.

County claims covered by this provision shall be referred to the Consortium's Executive Director for action in accordance with this provision. The Consortium will be entering into other vendor contracts on behalf of the Member counties and anticipates including comparable language in some or all of those contracts. County claims arising under those other contracts shall also be referred to the Consortium's Executive Director for action in accordance with the requirements set forth in those contracts.

Unless otherwise agreed by the Executive Director or designee, the County will prepare and submit to the Consortium a change order to request a cost estimate for hardware and/or Software licenses and associated maintenance. This request will identify the number of units of hardware and/or Software licenses anticipated for each County Site. The request will specify any special needs or considerations for the items requested. These special needs may include, but are not limited to, monitor sizes, configurations, ergonomics, specialized software, or color printers. The request will also identify whether the County will install all, some, or none of the items requested and whether the County will provide any ongoing technical support that may be necessary.

4.2.3. Upon receiving a change order request from the County for hardware and/or Software licenses, the Consortium will forward the change order to the Primary Project Vendor for a cost estimate that will be provided in accordance with the procedures in the Consortium agreements with the Primary Project Vendor, including estimates with all appropriate costs for the items specified in the request as well as all other hardware and/or Software licenses and hardware maintenance that is necessary

to ensure compliance with Consortium specifications. Such other hardware may include, but is not limited to, network and Central Equipment, such as switches, routers, and servers. The Consortium Staff will forward the estimate to the appropriate County Staff following receipt of the estimate from the Primary Project Vendor Staff.

4.2.4. Once the applicable APD is approved, the County will be responsible for providing written approval, from the State, of the cost estimate to the Consortium. The Consortium will not take any steps to authorize the procurement of the hardware and/or Software licenses until such written authorization is provided. Any increases in the cost estimate must also be approved in writing by the County.

4.2.5. The Consortium Staff will authorize the purchase of the hardware and/or Software licenses after approval of the cost estimate from the Member. The Project Staff will ensure that the requested items are ordered in a timely manner and in compliance with the approved cost estimate.

4.2.6. All Local Equipment and hardware procured under this MOU will become County property unless otherwise agreed to by the Executive Director or designee and County. All software licenses which are purchased by Consortium for use with the System(s) shall be retained by the Consortium and County will be granted permission to use the software pursuant to such licenses, unless otherwise agreed to by the Executive Director or designee and County. County shall be responsible to Consortium for costs associated with acquisition of Software licenses required for County use which are purchased through the Consortium. The County will track and manage property in accordance with mutually agreed upon inventory and accounting practices and procedures identified in the System Operations and Support Plan ("SOSP"). If County and Consortium are unable to agree upon inventory and accounting practices and procedures, County shall track and manage property in accordance with its inventory and accounting practices and procedures. The Consortium shall provide operational support of all hardware in accordance with Consortium procedures and the County network model, unless otherwise agreed to by the Executive Director or designee and Member.

4.2.7. The County will be responsible for the installation of all electrical and Data cabling to support any necessary additional hardware at the County Site(s) unless otherwise agreed to by the Executive Director or designee. Electrical cabling will be installed in compliance with the County's current practices for such installations. Data cabling will be installed and tested per the standards identified in the SOSP. Data cabling test results will be provided to the Consortium for its review.

4.2.8. The County will be responsible for the costs associated with the ordering and installation of Data circuits between the local County Site(s) and the applicable Data centers, unless otherwise agreed to by the Executive Director or designee. The County will work with Primary Project Vendor Staff to ensure that the Data circuit is of appropriate bandwidth in accordance with Consortium specifications.

4.3.1. The County may, at its sole discretion, prepare and submit to the Consortium a change order to request Separate Services to be performed by the Primary Project Vendor or other Project vendors. This request will identify the type(s) of Separate Services sought for each County Site and specify any special needs or considerations for the requested Separate Services. The Consortium, upon receiving a change order request, will forward the change order to the Primary Project Vendor or other Project vendors for a cost estimate, including estimates with all appropriate costs for the services specified in the request. The Consortium will also ensure that such services are appropriately related to the System(s). Any applicable terms, conditions, and limitations of any agreements that provide for such services shall remain applicable.

4.3.2. The County and the Consortium will ensure that such Separate Services are performed in a timely manner and in compliance with the cost estimate provided by the Primary Project Vendor or other Project vendors. The County will communicate with the Consortium regarding the progress of the Separate Services and any issues that may affect the Consortium or the System(s).

4.4. Development of Procedures for Acceptance/Rejection of Deliverables. The Parties agree to develop and implement procedures for the timely acceptance or rejection of Deliverables that may need to be reviewed by Member as necessary for the Project.

4.5. Ownership of Accepted Deliverables. The Parties agree that all rights, titles, and interests to Deliverables accepted by County pursuant to the procedures developed as called for under Section 4.4 (Development of Procedures for Acceptance/Rejection of Deliverables) shall not pass to County except as defined by this MOU or further agreed to in writing.

4.6. Sharing of Business Records. 4.8.1. The Parties shall use their reasonable best efforts to resolve disputes arising in the normal course of business at the lowest organizational level between the Party's staff with appropriate authority to resolve the disputes. When a dispute arises between the Consortium and the County that cannot be resolved in the normal course of business, the Executive Director and County Director will work in good faith to resolve the dispute. If the Executive Director and the County Director cannot resolve the disputed issue(s) within five (5) business days, the matter shall be escalated to the Board of Directors of the Consortium for resolution.

4.9. No Alteration of JPA Agreement. The Parties agree that entering into this MOU or performing as provided hereunder shall not in any way change the obligations, rights or authority of the Parties as set forth in the JPA Agreement establishing the Consortium between the counties. Should any provision of this MOU conflict with any provision of the JPA Agreement, the provision of the JPA Agreement shall prevail.

- II. WHEREAS, Los Angeles County joined the 39 Counties pursuant to the Amended and Restated Joint Exercise of Powers Agreement ("JPA Agreement"), with an effective date of September 1, 2017, pursuant to which the name of the Consortium was changed to the California Automated Consortium Eligibility System Consortium ("CalACES Consortium"); and
- III. WHEREAS, the C-IV Consortium previously entered into an agreement with a primary vendor ("C-IV Agreement") to provide the necessary equipment and services for an automated system ("C-IV System") utilized by the 39 Counties; and
- IV. WHEREAS, Los Angeles County previously entered into an agreement with a primary vendor ("LRS Agreement") to provide the necessary equipment and services for an automated system known as the Leader Replacement System ("LRS"); and
- V. WHEREAS, 18 counties ("WCDS Counties") previously entered into an agreement with a primary vendor ("CalWIN Agreement") to provide the necessary equipment and services for an automated system known as the CalWORKS Information Network and related systems ("CalWIN"); and
- VI. WHEREAS, the Centers for Medicare and Medicaid Services and the Food and Nutrition Services agencies of the United States Department of Agriculture directed California to move to a single statewide automated welfare system ("CalSAWS") by 2023. In moving toward that goal, the WCDS Counties and the CalACES Consortium have joined together to form the CalSAWS Consortium, pursuant to the JPA Agreement; and
- VII. WHEREAS, Los Angeles County will continue to use the LRS, the 39 Counties will continue to use the C-IV System, and the WCDS Counties will continue to use CalWIN until the migration of the Members to CalSAWS is complete; and

- VIII. WHEREAS, the purpose of this MOU is to delineate the areas of understanding and agreement among the Consortium and the Members regarding matters related to the administration and fulfillment of the Consortium's purpose; and

The County, within its sole discretion, agrees to undertake best efforts to provide County Personnel to the Project as required by the Project's needs, applicable Work Plan(s) or as otherwise necessary to fulfill the Consortium's purpose. County Personnel provided to the Project or the Consortium under this provision will be provided subject to the following terms and conditions:

2.1.1. The rendition of the services performed by County Personnel, the standards of performance, the discipline of its employees, and other matters incident to the performance of such services and the control of County Personnel so engaged in these services shall remain with the County. The County and the Consortium shall agree to the scope of services to be performed by each County Personnel.

2.1.2. The County will be responsible for all payroll, personnel, and other administrative functions for its employees assigned to perform services for the Consortium hereunder.

2.1.3. At the start of the Consortium assignment, the County, or the Consortium, with consent from the County, will provide functional supervision of County Personnel assigned, specify their duties, establish working hours, and other matters incidental to the supervision of the County Personnel.

2.1.4. In the event of a dispute between the County and the Consortium as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the Consortium shall be consulted and a mutual determination thereof shall be made by both the County and the Consortium. However, the County, in an unresolved dispute, shall have final and conclusive determination as between the Parties hereto.

2.1.5. For and in consideration of the services to be performed by the County Personnel for the Consortium under this MOU, the Consortium shall pay the County for said services according to the hourly prevailing direct salary and employee benefit costs as determined by the County for the current applicable fiscal year. 2.1.8. If such payment is not delivered to the County office that is described on said invoice within sixty (60) days after the date of the invoice, the invoice will be deemed uncollectible and may be forwarded for appropriate action.

2.1.9. Both Parties hereto in the performance of this Agreement shall act as independent contractors and not as agents, employees, partners, joint venturers, or associates of one another.

2.1.10. The Consortium shall not assume any liability for the direct payment of any salaries, wages, retirement benefits, workers' compensation insurance, or other compensation to any County Personnel performing services hereunder.

2.3. Release of Information to Auditor/Controller. The County acknowledges that the Consortium - Auditor/Controller Agreement sets forth certain procedures for the disclosure of records of the County to the Auditor/Controller and the Executive Director as the Auditor/Controller deems necessary to resolve any funding, invoice, records, accounting or audit-related issues, to the extent allowed by law. Therefore, the County agrees to use commercially reasonable efforts to comply with these procedures and, further, shall cooperate with the Consortium and Auditor/Controller in complying with any changes or modifications of these procedures, as may be necessary from time to time.

Such Data shall include all results, technical information, and materials developed for and/or obtained by Consortium and retained to fulfill its purpose, including, but not limited to, all reports, surveys, plans, charts recordings (video and/or sound), pictures, drawings, analysis, source and object code, graphic representations, computer programs and printouts, notes and memoranda, and documents whether finished or unfinished, which result from or are prepared in connection with the Project, but only as it relates to the County or is Data that is meant for distribution to, or for access by, all Members of the Consortium. To the extent that County requires access to System(s) information and Data relating to another Member(s) of the Consortium, County shall seek permission from such Member(s) and shall enter into all appropriate confidentiality and non-disclosure agreements, if required, and comply with all confidentiality and security requirements of such Member(s). The County's use of Consortium information and Data shall not apply, and the County shall have no right, to title and interest in or to any Consortium's vendor's confidential and proprietary information.

3.6. Cooperation with County Risk Management Assessment. The Consortium agrees to cooperate and share its records and information with the County as necessary for the County to conduct an adequate risk of liability assessment(s) and develop an appropriate risk of liability management plan(s) as to Project activities occurring at County Sites and facilities or otherwise in connection with the County's participation in the Consortium.

IV. MUTUAL RESPONSIBILITIES

4.1. Fiscal Responsibilities and Claiming.

4.1.1. The Consortium's Auditor-Controller shall act as the fiscal agent for the Consortium and perform accounts payable functions that relate to vendor billings and overall Project costs, including Separate Services and hardware and/or Software purchased by the County. The Consortium will invoice the County as agreed for the specific costs incurred in accordance herewith. At a minimum, invoicing will be quarterly, except by mutual agreement.

4.1.2. Unless otherwise agreed upon by the Consortium Executive Director or designee, the County will be responsible for the costs of hardware, and/or Software and associated maintenance for new County Sites or the expansion of existing County

Sites, changes in County network models, refresh of existing hardware and/or Software (as deemed necessary by the County), Separate Services requested by the County and other changes the County deems necessary. The County will prepare and submit APDs to the State for approval of these items, except as otherwise agreed upon by the Consortium, as above, subject to oversight by the Office of System Integration (OSI) or applicable State APD department.

4.1.3. The Consortium will allocate the Project budget to each Member and each of the Counties will be required to pay its applicable share of budget, in accordance with Section 4.1.4 hereof and Section 5.02 (Statewide Automated Welfare System Funding Allocations) of the JPA Agreement, at the time and in the manner specified by the Consortium. Such County Project costs will be paid to the Consortium or State as directed by the Consortium. The Consortium will continue to evaluate total Consortium expenditures and budget variances. The annual budget requests and updates will be prepared by the Consortium along with County Personnel.

4.1.4. Administrative Costs (also known as unfunded costs) are costs properly incurred by the Consortium but designated by the State of California as ineligible for reimbursement to the Consortium by the State, including the County's share as determined by the appropriate Cost Allocation Plan to be applied to that cost as approved by the State. On or before April 1 of each year, the Consortium, with the concurrence of the Consortium's Member representatives as defined in Section 2.07 (Quorum; Required Votes; Approvals) of the JPA Agreement, will approve a schedule of Administrative Costs for the upcoming fiscal year (July 1 through June 30). The Consortium will give the County notice of the approved schedule within ten (10) days after such approval.

A. County hereby agrees to contribute to the Consortium its share of Administrative Costs, as determined by the Consortium, in advance pursuant to California Government Code section 6504.

B. County shall also contribute an amount equal to any penalties, fines, finance charges, interest or other costs that may result in the event County's tardy payment(s) result in insufficient funds to pay the Consortium's expenses when due.

4.1.5. If, during the term of this MOU, the County is unable to appropriate sufficient funds, or is otherwise unable to meet its financial obligations under this MOU, and there are no other legal procedures or available funds by or with which such obligations can be met, County shall have the right to terminate this MOU and withdraw its membership from the Consortium effective as of the end of that fiscal year by adoption of a resolution of withdrawal by County's Board of Supervisors, provided that a copy of said resolution has been served on all other Members by May 31 of that fiscal year, as provided for in Section 2.11 (Withdrawal of Member) of the JPA Agreement. Withdrawal under this subsection shall not relieve the County of any financial obligations or liabilities arising prior to the effective date of the withdrawal.

4.1.6. Section 17.1.1 of the "Amended and Restated Agreement for a California Statewide Automated Welfare System" between the Consortium and Accenture LLP provides as follows:

17.1.1 Consortium Member Demand for Indemnification

CONTRACTOR's obligation to indemnify CONSORTIUM Members shall only be exercised through the CONSORTIUM and upon written demand by the CONSORTIUM. Any demand for indemnification by a CONSORTIUM Member shall be tendered to the CONSORTIUM, which shall have the authority to make the demand for indemnification to CONTRACTOR. The obligation on CONSORTIUM Members to submit demands for indemnification to the CONSORTIUM rather than directly to the CONTRACTOR shall not apply to L A COUNTY so long as L A COUNTY remains the sole county utilizing the LRS System in actual production. Once a second county migrates into the LRS System and from that point forward, all indemnification claims must go through the CONSORTIUM.

County claims covered by this provision shall be referred to the Consortium's Executive Director for action in accordance with this provision. The Consortium will be entering into other vendor contracts on behalf of the Member counties and anticipates including comparable language in some or all of those contracts. County claims arising under those other contracts shall also be referred to the Consortium's Executive Director for action in accordance with the requirements set forth in those contracts.

4.2. County Hardware and Software License Purchases.

4.2.1. This section pertains to County hardware and software purchases initiated by the County, that enable the County to acquire Local Equipment and/or Software through the Consortium and to contribute to the cost of Central Equipment needed for County use. Any applicable terms, conditions, and limitations of any agreements that provide for such purchases shall remain applicable.

4.2.2. Unless otherwise agreed by the Executive Director or designee, the County will prepare and submit to the Consortium a change order to request a cost estimate for hardware and/or Software licenses and associated maintenance. This request will identify the number of units of hardware and/or Software licenses anticipated for each County Site. The request will specify any special needs or considerations for the items requested. These special needs may include, but are not limited to, monitor sizes, configurations, ergonomics, specialized software, or color printers. The request will also identify whether the County will install all, some, or none of the items requested and whether the County will provide any ongoing technical support that may be necessary.

4.2.3. Upon receiving a change order request from the County for hardware and/or Software licenses, the Consortium will forward the change order to the Primary Project Vendor for a cost estimate that will be provided in accordance with the procedures in the Consortium agreements with the Primary Project Vendor, including estimates with all appropriate costs for the items specified in the request as well as all other hardware and/or Software licenses and hardware maintenance that is necessary

to ensure compliance with Consortium specifications. Such other hardware may include, but is not limited to, network and Central Equipment, such as switches, routers, and servers. The Consortium Staff will forward the estimate to the appropriate County Staff following receipt of the estimate from the Primary Project Vendor Staff.

4.2.4. Once the applicable APD is approved, the County will be responsible for providing written approval, from the State, of the cost estimate to the Consortium. The Consortium will not take any steps to authorize the procurement of the hardware and/or Software licenses until such written authorization is provided. Any increases in the cost estimate must also be approved in writing by the County.

4.2.5. The Consortium Staff will authorize the purchase of the hardware and/or Software licenses after approval of the cost estimate from the Member. The Project Staff will ensure that the requested items are ordered in a timely manner and in compliance with the approved cost estimate.

4.2.6. All Local Equipment and hardware procured under this MOU will become County property unless otherwise agreed to by the Executive Director or designee and County. All software licenses which are purchased by Consortium for use with the System(s) shall be retained by the Consortium and County will be granted permission to use the software pursuant to such licenses, unless otherwise agreed to by the Executive Director or designee and County. County shall be responsible to Consortium for costs associated with acquisition of Software licenses required for County use which are purchased through the Consortium. The County will track and manage property in accordance with mutually agreed upon inventory and accounting practices and procedures identified in the System Operations and Support Plan ("SOSP"). If County and Consortium are unable to agree upon inventory and accounting practices and procedures, County shall track and manage property in accordance with its inventory and accounting practices and procedures. The Consortium shall provide operational support of all hardware in accordance with Consortium procedures and the County network model, unless otherwise agreed to by the Executive Director or designee and Member.

4.2.7. The County will be responsible for the installation of all electrical and Data cabling to support any necessary additional hardware at the County Site(s) unless otherwise agreed to by the Executive Director or designee. Electrical cabling will be installed in compliance with the County's current practices for such installations. Data cabling will be installed and tested per the standards identified in the SOSP. Data cabling test results will be provided to the Consortium for its review.

4.2.8. The County will be responsible for the costs associated with the ordering and installation of Data circuits between the local County Site(s) and the applicable Data centers, unless otherwise agreed to by the Executive Director or designee. The County will work with Primary Project Vendor Staff to ensure that the Data circuit is of appropriate bandwidth in accordance with Consortium specifications.

4.2.9. Following the receipt, installation, and acceptance of the hardware and/or Software licenses, the County will transfer to the Consortium an amount sufficient to satisfy the Consortium's actual expenditures for the hardware and/or Software licenses based on invoice documentation provided by the Consortium.

4.3. Separate Services.

4.3.1. The County may, at its sole discretion, prepare and submit to the Consortium a change order to request Separate Services to be performed by the Primary Project Vendor or other Project vendors. This request will identify the type(s) of Separate Services sought for each County Site and specify any special needs or considerations for the requested Separate Services. The Consortium, upon receiving a change order request, will forward the change order to the Primary Project Vendor or other Project vendors for a cost estimate, including estimates with all appropriate costs for the services specified in the request. The Consortium will also ensure that such services are appropriately related to the System(s). Any applicable terms, conditions, and limitations of any agreements that provide for such services shall remain applicable.

4.3.2. The County and the Consortium will ensure that such Separate Services are performed in a timely manner and in compliance with the cost estimate provided by the Primary Project Vendor or other Project vendors. The County will communicate with the Consortium regarding the progress of the Separate Services and any issues that may affect the Consortium or the System(s).

4.4. Development of Procedures for Acceptance/Rejection of Deliverables. The Parties agree to develop and implement procedures for the timely acceptance or rejection of Deliverables that may need to be reviewed by Member as necessary for the Project.

4.5. Ownership of Accepted Deliverables. The Parties agree that all rights, titles, and interests to Deliverables accepted by County pursuant to the procedures developed as called for under Section 4.4 (Development of Procedures for Acceptance/Rejection of Deliverables) shall not pass to County except as defined by this MOU or further agreed to in writing.

4.6. Sharing of Business Records. Notwithstanding Section 4.1 (Fiscal Responsibilities and Claiming), to ensure financial accountability of the Consortium and County the Parties agree to cooperate in the disclosure to the other Members of all business records (including, but not limited to, certified copies of records of all accounts, funds, and monies for the Project) except to the extent limited, restricted, or prohibited by law or applicable privilege.

4.7. Access to Books and Records by Regulatory Agencies. The Parties agree to maintain and make available for inspection sufficient records, files, and documentation that are not otherwise limited/restricted/prohibited by law or applicable

privilege, necessary in the case of audit by the State or federal agency, or other regulatory agency.

4.8. Dispute Resolution. The Parties agree that the resolution of any dispute between them related to Consortium business, whatsoever, shall be sought through the following procedures:

4.8.1. The Parties shall use their reasonable best efforts to resolve disputes arising in the normal course of business at the lowest organizational level between the Party's staff with appropriate authority to resolve the disputes. When a dispute arises between the Consortium and the County that cannot be resolved in the normal course of business, the Executive Director and County Director will work in good faith to resolve the dispute. If the Executive Director and the County Director cannot resolve the disputed issue(s) within five (5) business days, the matter shall be escalated to the Board of Directors of the Consortium for resolution.

4.9. No Alteration of JPA Agreement. The Parties agree that entering into this MOU or performing as provided hereunder shall not in any way change the obligations, rights or authority of the Parties as set forth in the JPA Agreement establishing the Consortium between the counties. Should any provision of this MOU conflict with any provision of the JPA Agreement, the provision of the JPA Agreement shall prevail.

4.10. Transfer of Impaired Devices.

4.10.1. Transfer of Impaired Devices.

A. Transfer of Impaired Devices. County conveys, assigns, and transfers to Consortium, and Consortium hereby accepts from County, all rights, titles, and interests of County in and to all of the Impaired Devices on the terms and conditions set forth herein. County is responsible for removing all County-Purchased Software and Data prior to the transfer of an Impaired Device to the Consortium, to the extent possible. County hereby authorizes Consortium to remove any and all County-Purchased Software and Data if County is unable to remove prior to transfer.

B. Liability for Impaired Devices. Consortium shall be responsible for any liabilities or obligations associated with or related to the Impaired Devices that occur after the Impaired Device transfer date.

4.10.2. Transfer Events.

A. County to Consortium. The transfer of each Impaired Device from County to Consortium shall be effective on an ongoing basis, when Consortium and County execute an equipment transfer.

4.10.3. Disclaimers of Representations and Warranties.

A. County. COUNTY IS TRANSFERRING, ASSIGNING, AND CONVEYING THE IMPAIRED DEVICES ON AN "AS IS" BASIS TO CONSORTIUM. COUNTY MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, REGARDING THE IMPAIRED DEVICES AND EXPRESSLY DISCLAIMS THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT AND TITLE FOR THE IMPAIRED DEVICES, AS WELL AS ANY IMPLIED WARRANTIES ARISING FROM STATUTE, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OR TRADE. COUNTY DOES NOT REPRESENT OR WARRANT THAT THE IMPAIRED DEVICES WILL MEET CONSORTIUM'S REQUIREMENTS, OR THAT THE IMPAIRED DEVICES WILL BE FREE FROM DEFECTS, DEFICIENCIES, PROBLEMS OR ERRORS.

THIS DISCLAIMER IS NOT INTENDED TO VOID ANY WARRANTIES THAT MAY BE AVAILABLE FROM THE MANUFACTURER OR SELLER OF THE IMPAIRED DEVICES, WHICH SHALL PASS TO THE CONSORTIUM AS APPROPRIATE.

B. Manufacturers' Warranties. The disclaimers in Section 4.10.3, above, notwithstanding each party assigns to the other party all of the manufacturer's warranties and indemnities relating to the Impaired Devices transferred pursuant to the provisions set forth herein. Such assignment shall take effect upon the applicable transfer date and is subject to all of the terms and conditions imposed by the manufacturers.

4.10.4. Limitations of Liability and Exclusive Remedies.

A. Limitations and Disclaimers of Liability. In no event shall County, Consortium, the Members comprising Consortium, or their contractors, agents, officers, directors, or employees be liable for any losses, expenses, claims or damages of any kind or nature including, but not limited to, direct, indirect, consequential, special or incidental damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business opportunity, loss of business information, or other pecuniary loss) arising out of the use or inability to use the Impaired Devices, any breach of this property transfer by either party, or any other matter hereunder, even if a party has been advised of the possibility of such damages.

The waiver stated above only relates to matters covered by Section 10.4 (Transfer of Impaired Devices) and extends to any rights such person or entity may have under California Civil Code section 1542 (and other similar statutes and regulations). Section 1542 states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

B. Exclusive Remedy of Consortium. Consortium acknowledges that County is providing the Impaired Devices as required under applicable state policy and Consortium agrees that Consortium's sole and exclusive remedy for any inability to use an Impaired Device or any other matter under this property transfer shall be that Consortium shall pursue any remedy that has been transferred or assigned by County from the Impaired Device's manufacturer.

4.10.5. Responsibility for Software Licenses.

A. County. County is responsible for removing all County-Purchased Software prior to the transfer of an Impaired Device to the Consortium, to the extent possible. County hereby appoints Consortium as County's agent for the sole purpose of removing any County-Purchased Software contained on any and all Impaired Devices County transfers to Consortium, if County is unable to remove prior to transfer.

Subject to the provisions of Section 4.2.6 herein, County shall retain all rights and obligations associated with any license to County-Purchased Software contained on any and all Impaired Devices that County transfers to Consortium.

B. Consortium. Consortium shall, acting as agent of the County, remove any and all County-Purchased Software from Impaired Devices that Consortium receives from County, if County is unable to remove prior to transfer. Consortium shall not acquire any rights or obligations associated with any license to County-Purchased Software contained on any and all Impaired Devices that Consortium receives from County.

4.10.6. Expenses. Each party shall pay its own expenses and fees incidental to the preparation and execution of this property transfer and the obtaining of necessary approvals thereof, including fees and expenses of its counsel, accountants, and other experts.

V. TERM/TERMINATION/MODIFICATIONS

5.1 Term. This MOU shall commence on June 28, 2019 ("Effective Date") and shall remain in effect so long as the Member is a member of the Consortium, unless terminated as specified herein.

5.2 Condition Precedent--State and Federal Funding. The Parties agree that their respective obligations under this MOU are contingent upon state and federal financial participation in the Project and the Consortium. In the event that such funds are not forthcoming for any reason, either Party shall notify the other and shall have the right to terminate this MOU.

5.3 Termination of Consortium or County's Consortium Membership. This MOU shall immediately terminate upon the termination of the Consortium's Joint Powers Authority or County's membership in the Consortium's Joint Powers Authority.

5.4 Debts and Liabilities Upon Termination. Should this MOU terminate as provided herein, the debts, liabilities, and/or obligations of the Consortium shall remain those of the Consortium.

5.5 Entire Agreement/Amendments. This MOU constitutes the entire MOU between the Parties hereto with respect to the subject matter hereof and all prior or contemporaneous MOUs or other agreements of any kind or nature relating to the same shall be deemed merged herein. Except as provided herein, any modifications to, or termination of, this MOU must be in writing and signed by the Parties.

VI. MISCELLANEOUS PROVISIONS

6.1 Notices. Written notices provided hereunder shall be sufficiently addressed to the offices listed below and shall be deemed given upon deposit in the U.S. mail, first class, postage prepaid.

RECITALS:

WHEREAS, Chapter 5 (commencing with Section 6500) of Division 7 of Title 1 of the California Government Code ("Government Code"), permits two or more public agencies to enter into an agreement for the joint exercise of powers; and

WHEREAS, Chapter 4 (commencing with Section 10800) of Division 9 of Part 2 of the California Welfare and Institutions Code ("Welfare and Institutions Code"), declares the administration of public social services in each of the several counties of the state to be a county function and responsibility; and

WHEREAS, the four (4) counties of Merced, Riverside, San Bernardino, and Stanislaus contractually joined together in December 1998 to create C-IV, a joint powers authority for the purpose of the design, development, implementation, and on-going operation and maintenance of an automated welfare system to be used by each of the four counties, which may include an interface to other county consortia and state automated welfare systems as provided in the Welfare and Institutions Code; and

WHEREAS, in November 2012, Los Angeles County entered into an agreement with Accenture, LLP to implement the LEADER Replacement System ("LRS"), which replaces and integrates the functionality of multiple, disparate legacy systems of Los Angeles County while also streamlining case management of public assistance programs; and

WHEREAS, California Assembly Bill ABX1 16 (2011), as codified in Welfare and Institutions Code section 10823, required that the prior thirty-nine (39) C-IV counties migrate to a system jointly designed by the thirty-nine (39) C-IV counties and Los Angeles County, and that the migration result in a new consortium composed of the forty (40) counties; and

(c) **Call, Notice, Held, and Conduct of Meetings:** All meetings of the Board, and of the Member Representatives, including, without limitation, regular, adjourned regular, and special meetings, shall be called, noticed, held, and conducted in accordance with the provisions of the Brown Act (Section 54950 et seq. of the Government Code).

Section 2.06. Minutes. The Secretary shall cause to be kept minutes of the meetings of the Board, and of the Member Representatives, and shall, as soon as possible after each meeting, cause a copy of the preliminary minutes to be forwarded to each Member Representative. The preliminary minutes will then be included at the next meeting of the Board or the Member Representatives, for approval by the respective bodies.

Section 2.07. Quorum; Required Votes; Approvals.

(a) **Board:** At least seven (7) of the Directors or Alternate Board Directors from five (5) Regions shall constitute a quorum for the transaction of business, except that less than a quorum may adjourn. The State Representative's attendance or non-attendance at any meeting shall have no effect on quorum. The affirmative votes of at least seven (7) of the seated Directors from five (5) Regions shall be required to take any action by the Board, except as provided in (iii) below.

Notwithstanding the preceding paragraph, the following provisions shall apply:

- (i) **Member Representatives Concurrence.** Recommended changes to this Agreement, the Bylaws, or to Memorandums of Understandings between the Consortium and the Members require the concurrence of the Member Representatives and are not subject to Appeal to the Full Board as provided below. Concurrence is obtained by the affirmative vote of the Member Representatives pursuant to paragraph (b) of this section.
- (ii) **Appeal to the Full Board.** At any Board meeting with less than all twelve (12) Directors ("Full Board") present, any two (2) Directors, or Alternate Board Directors, from two (2) Regions may appeal any action taken or not taken by the Board, by requesting the continuance of the item(s) under appeal to a meeting of the "Full Board," at which all the Directors or Alternate Board Directors must be present. The Full Board meeting shall be held within 30 days, at either the next regular Board meeting, or a special meeting at which the Full Board is available to attend. Any Director(s) or Alternate Board Director(s) failure to attend a meeting of the Full Board shall result in a forfeit of the Director(s) or Alternate Board Director(s) vote. At the meeting of the Full Board, the affirmative votes of at least seven (7) Directors or Alternate Board Directors from four (4) Regions shall be sufficient to take action by the Board only on the item(s) under appeal. The action(s) taken by the Full Board shall be final.
- (iii) **Migration Period to CalSAWS.** During the migration period while the Consortium is operating more than one (1) automated welfare system, the Board shall take affirmative action as approved by those Members who are the users of their respective systems, as provided in Section VIII.B (System Subcommittees) of the Bylaws; provided, however, that the Board retains discretion concerning any such action if the Board determines the decision could materially adversely impact the design, development or implementation of the single statewide automated system. This provision shall automatically sunset when the Consortium is operating a single automated welfare system.

(b) Member Representatives: The presence of forty percent (40%) of the Member Representatives shall constitute a quorum for the transaction of business except that less than a quorum may adjourn. The State Representative's attendance or non-attendance shall have no effect on quorum. The affirmative votes of at least a majority of the Member Representatives present at any meeting at which a quorum is present shall be required to take any action by the Members.

Section 2.08. Bylaws. The Board, by a two-thirds (2/3) affirmative vote of the Directors from Regions 1 through 6 (including the affirmative vote of at least one Director from each Region), and with the concurrence of the Member Representatives as set forth in the voting provisions of Section 2.07 (Quorum; Required Votes; Approvals), shall adopt or amend Bylaws for the conduct of business, and as are necessary for the purposes hereof. The Board may also adopt additional resolutions, rules, regulations, and policies for the conduct of its business, and as are necessary for the purposes hereof in a manner consistent with this Agreement and the Bylaws.

Section 2.09. Annual Budget. The Board shall adopt an annual budget for each Fiscal Year. The Bylaws shall further provide for the presentation and content of the budget.

Section 2.10. Annual Operational and Fiscal Reports. The Board shall cause an annual operational report and annual fiscal report to be prepared and provided to each Member Representative.

Section 2.11. Addition of New Members. Any county in the State that is not a Member and desires to become a Member shall submit a written request to the Board. The Board may approve the request in accordance with the voting provisions of Section 2.07 (Quorum; Required Votes; Approvals). All new Members are subject to the approval of two-thirds (2/3) of the Boards of Supervisors of the Members, which approval may be granted by adoption of a resolution. Upon approval by the Board and two-thirds (2/3) of the Boards of Supervisors of the Members, the county desiring to be a Member shall execute an amendment to this Agreement adding it as a new Member. The Agreement shall be deemed amended to reflect the addition of the new Member upon execution of the amendment by the new Member.

Section 2.12. Withdrawal of Member. Any Member may withdraw from the Consortium and terminate its participation in this Agreement at the end of any Fiscal Year by adoption of a resolution of withdrawal by the Board of Supervisors of the withdrawing Member, provided that a copy of said resolution has been served on all Members by May 31 of that Fiscal Year. Upon the effective date of withdrawal, this Agreement shall be deemed automatically amended to reflect the deletion of the withdrawing Member. Withdrawal shall not relieve the withdrawing Member of any financial obligations or liability arising prior to withdrawal.

ARTICLE III

Section 3.07. Officers and Employees of the Consortium. As provided in section 6513 of the Act, all of the privileges and immunities from liability, exemption from laws, ordinances, and rules, all pension, relief, disability, workers’ compensation, and other benefits which apply to the activities of officers, agents, or employees of a public agency when performing their respective functions shall apply to the officers, agents, or employees of the Consortium to the same degree and extent while engaged in the performance of any of the functions and other duties of such officers, agents, or employees under this Agreement.

None of the officers, agents, or employees directly employed by the Board shall be deemed, by reason of their employment by the Board to be employed by any of the Members or, by reason of their employment by the Board, to be subject to any of the requirements of the Members. The State Representative may not hold any office or position within Consortium.

ARTICLE IV

- (f) to invest any money in the treasury pursuant to section 6509.5 of the Act which is not required for the immediate necessities of the Consortium, as the Consortium determines is advisable, in the same manner and upon the same conditions as local agencies, pursuant to Section 53601 of the Government Code; and
- (g) to carry out and enforce all the provisions of this Agreement.

Section 4.03. Restrictions on Powers. Pursuant to section 6509 of the Act, the above powers shall be subject to the restrictions upon the manner of exercising the power of one of the Members, which shall be designated as San Bernardino County.

Section 4.04. Obligations of Consortium. Except as otherwise agreed to in Section 6.03 (Member's Liability for Negligence of its Employees and Contractors), the debts, liabilities, and obligations of the Consortium shall not be the debts, liabilities, and obligations of the Members.

The State Representative is not eligible for such distributions.

ARTICLE VI

INDEMNIFICATION AND INSURANCE

Section 6.01. Consortium Indemnification of Members. The Consortium shall indemnify, defend, and hold harmless each of the Members, and their authorized officers, employees, agents, and volunteers from any and all claims, actions, losses, damages, and/or liability arising from the Consortium's acts, errors or omissions and for any costs or expenses incurred by the Member(s) on account of any claim therefore, except where such indemnification is prohibited by law.

Section 6.02. Member Indemnification. Pursuant to the provisions of Government Code section 895 et seq., and except as provided in Section 6.01 (Consortium Indemnification of Members) herein, each Member agrees to defend, indemnify, and hold harmless each other Member from any liability, claim, or judgment for injury or damages caused by any negligent or wrongful act or omission of any agent, officer, and/or employee of the indemnifying Member which occurs or arises out of the performance of this Agreement.
