SUBJECT: Approve an agreement with Turning Point of Central California, Inc.

REQUEST(S):

That the Board of Supervisors:

1. Approve an agreement with Turning Point of Central California, Inc., for the provision of Children's Mental Health services for TulareWorks Welfare to Work Participants in the amount not to exceed \$450,000, effective from July 1, 2019 through June 30, 2020; and
2. Authorize the Chairman of the Board to sign two (2) copies of the agreement.

SUMMARY:

Assembly Bill 74 and Senate Bill 1041 mandates that clients participating in the Welfare to Work program are provided services that remove barriers which are preventing them from employment opportunities. The legislation allows treatment for all family members, including children, if the barriers interfere with the client's ability to participate in Welfare to Work activities.

Turning Point of Central California, Inc., provides intensive mental health services to children of TulareWorks clients, at their various locations. This program operates under the administrative oversight of Tulare County Health and Human Services Agency (HHSA), Mental Health Branch. It is estimated that approximately 200 consumers will receive services through this agreement in Fiscal Year 2019/2020.

This agreement did not include a Request For Proposal, as Turning Point of Central California, Inc., has been providing quality specialty mental health services for the County for over fifteen years. Furthermore, the Mental Health Branch seeks to

continue contracting with Turning Point of Central California, Inc., to ensure continuity of care and stability for children receiving service through this agreement.

This contract does not deviate from the standard County boilerplate.

FISCAL IMPACT/FINANCING:

The budgeted costs associated with this contract were included in the HHS 6041 budget, line 7052 medical providers, in the amount not to exceed \$450,000 and will be included in the Fiscal Year 2019/2020 budget submission. Funds are paid to the Human Services Branch through the California Department of Social Services single allocation and the Mental Health Branch is reimbursed through an interdepartmental transfer. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Quality of Life Initiative that encourages innovative provision of quality supportive services for at-risk adults, youth and children in State and Federally mandated programs. This agreement increases the ability to fulfill that obligation by providing intensive mental health services to children of TulareWorks clients.
