If CDFA notifies Recipient of its decision to withhold the entire funding amount from Recipient pursuant to this paragraph, this Agreement shall terminate upon receipt of such notice by Recipient and CDFA shall no longer be required to provide funds under this Agreement and the Agreement shall no longer be binding on either party.

In addition, all invoiced vehicle costs must match the scope of work (work plan). On a related note, mileage rates used on invoices must be the same as contained in the work plan. CDFA will send an email that will notify Counties of new rates (current rate \$0.58) if the federal mileage rate changes during the term of the agreement.

All other expenses (travel, supplies, communications, etc.) for which the County will seek reimbursement under the cooperative agreement must be directly related to the cost of administering and conducting the program, and documentation must be available to support the reimbursement. In addition, all invoiced expenses must match the scope of work (work plan).
