2. Registration of Pipeline Location. Upon completion of the Pipeline and prior to the acceptance of work in connection with the Permit Application, LTRID will register the location of the Pipeline with USA North 811 or an equivalent underground service locating organization, and shall renew annually to continue to provide for underground service locating. LTRID shall provide proof of registration set forth in Paragraph 15. This obligation runs so long as the Pipeline exists passes to any future owner of the Pipeline.

Design and construction standards shall be substantially similar to irrigation Pipeline installations or engineered equivalents.

If the effect of nullifying any conflicting provision is such that a material benefit of the Agreement to either party is lost, the Agreement may be terminated at the option of the affected party. In all other cases the remainder of the Agreement shall continue in full force and effect.
18. Compliance with Law. LTRID shall provide services in accordance with applicable Federal, State and local laws, regulations and directives.

23. Property Taxes. LTRID acknowledges and understands that this Agreement may create a possessory interest subject to property taxation. LTRID will pay any property taxes levied upon that interest before they become delinquent.
24. Effect of Annexation. If the land on which the Pipeline is to be constructed is annexed to a city, the County may assign to the annexing city all of its rights and responsibilities under this Agreement. The city council or its designee shall be deemed to have all of the rights and responsibilities conferred upon the County by this Agreement.
25. Renewal.
