**SUMMARY:**

Tulare County Health & Human Services Agency (HHSA) is requesting an amendment of Tulare County Agreement No. 28945 with the California Department of Public Health (CDPH) for the California Personal Responsibility and Education Program (CA PREP). **DATE:** July 30, 2019

Public Health Branch received notification from CDPH of the opportunity to amend the agreement and extend the term and funding for an additional two years. CDPH placed a deadline to submit the signed amendment by June 12, 2019. In order to comply with the State's requirements, the department obtained the Chairman's signature and submitted the amendment by the deadline. The department now seeks board approval ratifying the amendment and acceptance of the additional funds.

The amendment extends the term of the agreement by two years, through June 30, 2021. The amendment also extends the current funding for two additional years, in the amount of \$275,000 per year, increasing the total funding to an amount not to exceed \$825,000.

The Agreement enables HHSA, Public Health Branch, to implement the California Personal Responsibility and Education Program (CA PREP). The program's goals include: decreasing teen pregnancies and sexually transmitted infections; supporting youth's personal growth with meaningful opportunities for enrichment; increasing resiliency and self-efficacy; avoiding harmful behaviors; ensuring teen-friendly family and reproductive health planning services; increasing community support in the development of healthy youth and the reduction or risky sexual behaviors. Tulare County CA PREP achieves these goals by providing curricula through partnerships with traditional high schools, middle schools, foster care agencies, and alternative/continuation schools. The evidence-based curricula is implemented in accordance with the California Healthy Youth Act.

Tulare County CA PREP served 2,247 students in the grant cycle between the years of 2015 and 2018. Classes were held in the communities of Tulare, Lindsay, Alpaugh, Porterville, and Terra Bella. For Fiscal Year 2018/2019, program staff reached 590 students at the following locations: Lindsay High School, JJ Cairns High School, Golden State Foster Agency, Alpaugh Unified School District, Prospect Education Center, Saucelito Elementary School, Elbow Community Day School, Mid County Community School, Farmersville Community School, Carl Smith Middle School, Hope Elementary School, Allensworth School District, and Success Community School. For Fiscal Years 2019/2020 and 2020/2021, program staff will continue to reach a minimum of 500 students per year at locations throughout the county.

Tulare County Health and Human Services Agency staff have reviewed the terms of the compliance certifications and affirms that the County is in compliance with those terms.

**FISCAL IMPACT/FINANCING:**

The maximum revenue for this amendment is in the amount not to exceed \$825,000 which is allocated through CDPH. A total of \$275,000 was budgeted in Fiscal Year 2018/2019, and the same amount will be budgeted in Fiscal Years 2019/2020 and 2020/2021. There is no net County cost to the General Fund.
