SUBJECT: Approve an agreement with Central Valley Recovery Services, Inc.

REQUEST(S):

That the Board of Supervisors:

1. Approve an agreement with Central Valley Recovery Services, Inc. for the provision of substance abuse, residential, outpatient, intensive outpatient, and transitional services in the amount not to exceed \$1,777,375, retroactive from July 1, 2019 through June 30, 2020. This agreement is retroactive due to delays in receiving insurance documents from the vendor. It was impracticable for the Board to take action prior to July 1, 2019 due to the time needed to process, prepare, and submit the agenda item;
2. Find that the Board had the authority to enter into this proposed agreement as of July 1, 2019 and that it was in the County's best interest to enter into the agreement on that date; and
3. Authorize the Chairman of the Board to sign two (2) copies of the agreement.

SUMMARY:

Central Valley Recovery Services, Inc. (CVRS) is a community-based non-profit organization that provides residential and community alcohol and drug recovery services. This program is operated under the California State Department of Health Care Services Substance Use Disorder (SUD) program regulations, as outlined in Title 9 of the Administrative Code. CVRS, Inc., provides adult SUD services in residential, outpatient treatment group and individual counseling, intensive outpatient treatment group and individual counseling, detoxification, and transitional services. It is anticipated that in Fiscal Year 2019/2020 this agreement will provide

SUBJECT: Approve an agreement with Central Valley Recovery Services, Inc.

DATE: August 13, 2019

462 consumers with residential services and 350 consumers with outpatient services.

This agreement did not include a Request for Proposal process because CVRS, Inc., has been a long-standing contractor for alcohol and substance abuse treatment.

This agreement does not deviate from standard County boilerplate.

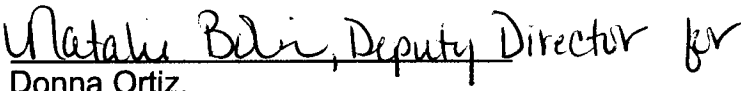

FISCAL IMPACT/FINANCING:

The costs associated with this contract were included in the fiscal year 2019/20 requested budget for HHSA specifically in unit 6041, 6068 and 6069 for medical providers in the amount of \$1,777,375. The funding is derived from Social Services single allocation and the Mental Health Branch is reimbursed through an interdepartmental transfer, Drug Medi-Cal, 2011 Realignment, and through the Substance Abuse Prevention and Treatment Block Grant. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Quality of Life Initiative that encourages innovative provision of quality supportive services for at-risk adults, youth and children in state and federally mandated programs. This agreement increases the ability to fulfill that obligation through residential, outpatient, intensive outpatient, and transitional programs.
