SUBJECT: Approve an agreement with the United States Department of Justice

REQUEST(S):

That the Board of Supervisors:

1. Approve an agreement with the United States Department of Justice to participate in the Federal Equitable Sharing program and to allow continued access to Equitable Sharing funds in the amount of \$7,121.55, retroactive to July 1, 2019 through June 30, 2020. This agreement is retroactive due to the United States Department of Justice's procedures in collecting this information at the end of the preceding fiscal year. It was impracticable for the Board to take action prior to July 1, 2019 due to the time needed to process, prepare and submit the agenda item;
2. Find that the Board had authority to enter into the proposed agreement as of July 1, 2019, and that it was in the County's best interest to enter into the agreement on that date;
3. Authorize the Chairman to sign the agreement; and
4. Authorize the District Attorney to electronically sign the agreement.

SUMMARY:

The Department of Justice Asset Forfeiture Program helps to remove the tools of crime from criminal organizations, deprive wrongdoers of the proceeds of their crimes, recover property that may be used to compensate victims, and deter crime.

SUBJECT: Approve an Agreement with the United States Department of Justice
DATE: August 20, 2019

One of the ancillary benefits of asset forfeiture is the potential to share federal forfeiture proceeds with cooperating state and local law enforcement agencies through equitable sharing. Participation in an investigation with either the Bureau of Alcohol, Tobacco, Firearms and Explosives, Drug Enforcement Administration, or Federal Bureau of Investigation may result in equitable sharing paid from the Department of Justice Assets Forfeiture Fund. The District Attorney's office does not receive funds directly from the DOJ; rather the DOJ sends the funds to the Tulare County Sheriff's Office, which in turn transfers the appropriate share to the District Attorney's Office. Funds received are contingent upon involvement in Federal cases.

To obtain any proceeds from the Program, the state or local agency must annually sign an Equitable Sharing Agreement and Certification, certifying that any forfeited proceeds received are allocated as required by federal statutes and regulations established by the U.S. Department of the Treasury and the U.S. Department of Justice (DOJ). Funds can be used for operations, investigations, training and education, among other things.

The agreement is entered into annually at the end of the preceding fiscal year, at which time the District Attorney reports funds received and spent for that year through the Annual Certification Report portion of the agreement. The Department did not receive any equitable sharing funds in FY 2018/19. The balance carried in from FY 2017/18 was \$6,980.60, and the trust earned \$140.95 in interest, for a total ending balance of \$7,121.55. No equitable sharing funds were spent in FY 2018/19.

This agreement has been approved as to form by County Counsel. The following terms deviate substantively from the standard County boilerplate: 1) The document is submitted electronically on the Department of Justice's template without signatures; and 2) Submission of the document constitutes acceptance of the agreement's terms.

Once a Board Chair signature is obtained, the Department's Fiscal Manager will submit the agreement through an online portal, which generates an electronic signature from the District Attorney.

FISCAL IMPACT/FINANCING:

The balance of Federal Asset Forfeiture trust fund (fund 550) at the beginning of FY 2018/19 was \$6,980.60. No funds were received or spent during FY 2018/19, but the trust accumulated interest revenue of \$140.95. As of June 30, 2019, the trust has a balance of \$7,121.55. This represents the fund balance that is being reported to the Department of Justice. There is no net County cost associated with this agreement, and this agreement does not have an impact on the General Fund.

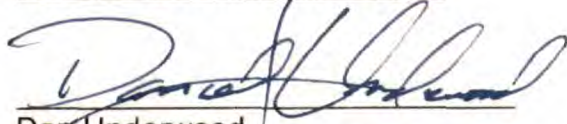

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year Strategic Business Plan and Management System includes a Safety and Security Initiative to effectively and fairly investigate, arrest, prosecute and punish individuals who engage in criminal behaviors. The Federal Equitable
