 Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The Subrecipient agrees to comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The Subrecipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the Subrecipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

17. VOCA Requirements

The recipient assures that the State and its subrecipients will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 34 U.S.C. 20103(a)(2) and (b)(1) and (2) (and the applicable

program guidelines and regulations), as required. Specifically, the State certifies that funds under this award will:

- a. be awarded only to eligible victim assistance organizations, 34 U.S.C. 20103(a)(2);
- b. not be used to supplant State and local public funds that would otherwise be available for crime victim assistance, 34 U.S.C. 20103(a)(2); and
- c. be allocated in accordance with program guidelines or regulations implementing 34 U.S.C. 20103(a)(2)(A) and 34 U.S.C. 20103(a)(2)(B) to, at a minimum, assist victims in the following categories: sexual assault, child abuse, domestic violence, and underserved victims of violent crimes as identified by the State.

18. Demographic Data

The Subrecipient agrees to collect and maintain information on race, sex, national origin, age, and disability of victims receiving assistance, where such information is voluntarily furnished by the victim.

19. Performance Reports

The Subrecipient agrees to submit (and, as necessary, require sub-Subrecipients to submit) quarterly performance reports on the performance metrics identified by OVC, and in the manner required by OVC. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction.

20. Access to Records

The Subrecipient authorizes the Office for Victims of Crime (OVC) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper or documents related to the VOCA grant.

All appropriate documentation must be maintained on file by the project and available for Cal OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Subrecipient may be ineligible for subaward of any future grants if the Cal OES determines that any of the following has occurred: (1) the Subrecipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.
