and/or exploitation. Welfare and Institutions Code Section 16500 states, "The Legislation hereby declares its intent in providing for this statewide system of child welfare services that all children are entitled to be safe and free from abuse and neglect." As part of this legislation, Child Welfare Services monitors each foster family agency when any Tulare County foster child is placed in any of the County's foster homes for compliance with the delivery of services and placement regulations. Child Welfare Services meets quarterly with participating foster family agencies to ensure children are receiving quality services.

Legacy Behavioral Services, Inc will ensure that the physical, emotional, and academic needs of children in their care are met, agree to participate fully in the child and family's case plan as established by the Tulare County, and work to facilitate positive outcomes for children and families including the transportation for all case plan services as well as all medical, mental health, family visits, academic, and social events.

Tulare County children continued to be placed with Legacy Behavioral Services, Inc foster family homes during the period of insurance lapse from August 2019 to October 2019. Legacy Behavioral Services, Inc submitted their updated insurance documents to Tulare County as proof of coverage from August 2019 to August 2020.

This Memorandum of Understanding (MOU) did not require a competitive Request for Proposal, as any foster family agency may request to enter into a Memorandum of Understanding.

The goal of the MOU is to provide a collaborative approach for the delivery of safe, secure, and compassionate homes that meet placement regulations and court ordered case plan services for foster children in Tulare County when removed from their home.

FISCAL IMPACT/FINANCING:

There is no fiscal impact with this MOU. There is no additional net cost to the County General Fund.

The Memorandum of Understanding will encourage and support an innovative provision of quality supportive services for at-risk youth and children placed in the foster family agency foster homes. The quality of life for these at-risk youth and children will be improved with the support of the Memorandum of Understanding to be safe and free from abuse and neglect while placed in the foster family agency foster homes.
