During the year, the program will provide services to 180 unduplicated consumers in addition to participating in community outreach and engagement opportunities.

The County and Turning Point of Central California, Inc. entered into Agreement No. 29249 on June 25, 2019 and are now requesting to amend the agreement to include Exhibit B-5, the Interim Reimbursement Rate Schedule for Fiscal Year 2019-2020. This rate schedule is intended to approximate the Medi-Cal costs incurred by Contract providers for services rendered to Medi-Cal beneficiaries. Final reimbursement shall be the lower of cost or the Interim Reimbursement Rate, subject to all Title XIX Short-Doyle/Medi-Cal requirements. Exhibit B-5 was inadvertently omitted from the original agreement.

This contract does not deviate from the standard County boilerplate.

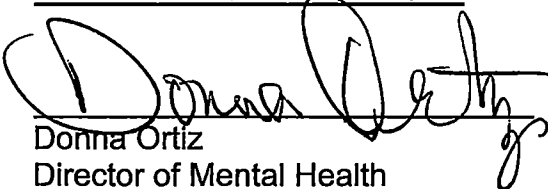

FISCAL IMPACT/FINANCING:

The budgeted costs associated with this contract are included in the HHS 3331 budget, line 7052 medical providers, in the amount not to exceed \$700,000 and was included in the Fiscal Year 2019-2020 budget submission. The average estimated cost per consumer is \$4,761 based on Fiscal Year 2018-2019. The estimated amount is subject to change based on actual utilization. There is no fiscal impact with approval of this amendment. These services are paid through State Medi-Cal reimbursement and MHSA revenues. There is no fiscal impact with approval of this amendment. There is no additional net cost to the County General Fund.
