**SUBJECT:** Approve an agreement with Valor Residential and Educational Services

**REQUEST(S):**

That the Board of Supervisors:

1. Approve an agreement with Valor Residential and Educational Services to provide services on behalf of Tulare County Child Welfare Service's foster children for the care and placement of foster children through cooperation, collaboration, and sharing of appropriate information retroactive from July 1, 2019 through June 30, 2022 in the amount of zero dollars. This agreement is retroactive due to Valor Residential and Educational Services being a brand new provider with Tulare County, making it impracticable for the Board to take action prior to July 1, 2019.
2. Find that the Board had authority to enter into this proposed agreement as of July 1, 2019 and that it was in the County's best interest to enter into the agreement on that date.
3. Authorize the Chairman of the Board to sign two (2) copies each of the agreement.

**SUMMARY:**

Tulare County Health and Human Services Agency, Child Welfare Services Division (CWS) has mandates from statutory codes that require placement of a child in a safe and caring foster home when a child is removed from his or her home due to abuse, neglect, and/or exploitation. Welfare and Institutions Code Section 16500 states, "The Legislation hereby declares its intent in providing for this statewide system of child

welfare services that all children are entitled to be safe and free from abuse and neglect.” As part of this legislation, CWS monitors each foster family agency when any Tulare County foster child is placed in any of the County’s foster homes for compliance with the delivery of services and placement regulations. CWS meets quarterly with participating foster family agencies to ensure children are receiving quality services.

Valor Residential and Educational Services will ensure that the physical, emotional, and academic needs of children in their care are met, agree to participate fully in the child and family’s case plan as established by the County, and work to facilitate positive outcomes for children and families including the transportation for all case plan services as well as all medical, mental health, family visits, academic, and social events.

The goal of the agreement is to provide a collaborative approach for the delivery of safe, secure, and compassionate homes that meet placement regulations and court ordered case plan services for foster children in Tulare County when removed from their home. We estimate to serve 10 Tulare County foster children. This agreement is retroactive because Valor Residential and Educational Services is a brand-new provider with Tulare County providing placement and services for our higher need kids effective July 1, 2019. CWS is State mandated under Continuum of Care Reform to provide Tulare County kids a safe and suitable placement with supportive services in a timely manner. Valor Residential and Educational Services is a provider whom offers specialized supportive services and placement for our Tulare County kids making it imperative for CWS to place our higher need kids with Valor Residential and Educational Services as of July 1, 2019.

**FISCAL IMPACT/FINANCING:**

There is no cost associated with this agreement, therefore, there is no net cost to the County General Fund.

**LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:**

The County’s five-year strategic plan includes the Quality of Life Initiative that will support monitoring of a foster family agency foster home for Tulare County foster children. The agreement will encourage and support an innovative provision of quality supportive services for at-risk youth and children placed in the foster family agency foster homes. The quality of life for these at-risk youth and children will be improved with the support of the agreement to be safe and free from abuse and neglect while placed in the foster family agency foster homes.
