REQUEST(S):

That the Board of Supervisors:

1. Approve an amendment to Agreement No. 27808 with DLR Group to increase the contract amount by \$58,000 from \$2,862,300 to \$2,920,300 for Sequoia Field Programming Facility architecture and engineering services.
2. Authorize the Chair to sign the agreement.

SUMMARY:

On August 30, 2016, the Board approved Agreement No. 27808 with DLR Group for architecture and engineering services for the design of the Sequoia Field Programming Facility in Visalia, California. On January 28, 2020 the Board approved an Amendment in the amount of \$172,300. Currently, the agreement amount is \$2,862,300. However, there was a previous Amendment approved by the Board on December 5, 2017 in the amount of \$58,000. This previous Amendment amount was not included in the recently approved Amendment. Therefore, DLR Group's current contract is short by \$58,000. Staff is requesting to correct the clerical mistake and approve the current Amendment to make DLR's contract amount \$2,920,300.

DLR Group's primary responsibility is to complete all design work, facilitate State review of the plans, and assist the County during the bidding phase. DLR Group is contracted to provide; Project Administration, Preliminary Design, Schematic Design, Design Development, Construction Documents, Bidding Services, and Construction Services.

FISCAL IMPACT/FINANCING:

The project is funded by State grant funds and local County funds. The increased amount to the Agreement with DLR Group is funded in Capital Projects Fund 030-086-3240-8160.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's Strategic Business Plan includes the Safety and Security initiative to provide facilities for the protection of the public and housing of criminal offenders.
