## Contractor: Tulare Youth Service Bureau Program: Children's Full Service Partnership (FSP) Program

## I. <u>DESCRIPTION OF SERVICES/INTENT AND GOALS:</u>

A. System-wide Program Intent and Goals

1. To develop a program tailored to children/youth (0-15) and transitional age youth (TAY) (16-21) with severe mental illness (SMI) and/or severe emotional disturbance (SED), that provides an array of wellness, recovery, and resiliency-focused mental health and supportive services, that are easily accessible, consumer-centered, and culturally competent.

2. To coordinate services with community-based organizations, public agencies, and learning institutions when applicable to provide an integrated array of services and reduce accessibility barriers that occur when children and families must navigate multiple agencies, programs, and access-procedures to receive services.

3. To reduce negative outcomes associated with severe and persistent mental illness, including, but not limited to: psychiatric hospitalization, involvement with juvenile justice system, school failure or dropout, homelessness and removal of children from their homes.

## B. Description of Services and Treatment Methods

1. Tulare Youth Service Bureau (CONTRACTOR) Full Service Partnership (FSP) program

a) Assessment/Enrollment

(1) Upon receipt of a referral, CONTRACTOR will contact the referring entity within 5 days to arrange for a case staffing or initial assessment to occur within an additional 5 days.

(a) A child/youth or TAY who is eligible for AB114 services (has mental health services prescribed within their school's Individual Education Plan (IEP)), is to be referred to the Tulare County Office of Education (TCOE) Behavioral Health Services for evaluation and services.

(2) CONTRACTOR will engage the individual in an initial psychosocial assessment, to include the CALOCUS, conducted by a licensed or waivered Clinical Social Worker or a licensed or waivered Marriage & Family Therapist.

(3) Pursuant to CCR, Title 9, Division 1, Chapter 14, Section 3620, a consumer wellness plan (CWP) shall be developed for each individual in coordination with other agencies that have a shared responsibility for services and/or supports, and the family, when appropriate.

b) Services

 (1) Each consumer will be assigned to a Personal Service Coordinator (hereafter referred to as Intensive Care Coordinator (ICC)), who will act as the single fixed point of responsibility and provide intensive case management and supportive services until the consumer is transitioned to a less intensive treatment modality.
 (2) Consumers will receive, at minimum, three contacts/services per week in a setting that aids the consumer in service accessibility (e.g., home, school, primary care clinics, family resource center, community agency, in-office, etc.).

(3) Services include a broad spectrum of activities including, but not limited to:

(c) Treatment and supports identified through the process shall be provided in environments that promote maximum independence, community connections, and quality of life.(d) A person's cultural background shall be recognized and valued in the decision-making process.

c) Flex Funding

(1) Flex funding is only applicable to consumers and can only be used to pay for short-term or one-time goods, supports, services

and activities that are not typically funded by other sources (e.g., housing, medical expenses, clothing, food, education, and transportation). See section III.

d) Transition and Discharge

(1) Transition of consumers to less intensive treatment modalities will occur as the consumer develops competencies and resources to meet recovery goals without FSP services.

- B. Full Service Partnership Focal Populations
  - 1. Child/Youth Focal Population (ages 0-15)

a) Child/youth with serious emotional disturbance (SED) who is at high risk of expulsion from school, is involved with or at high risk of being detained by Child Welfare Services (CWS), and/or has a parent/caregiver with SED or severe and persistent mental illness, or who has a substance abuse disorder or co-occurring disorders.

b) Child/youth with SED who has been removed or is at risk of removal from their home by CWS and/or is in transition to a less restrictive placement.

interpersonal relationships with peers and teachers;

The individual's functioning is clearly below that which had been achieved before the onset of symptoms. If the disturbance begins in childhood or adolescence, however, there may be a failure to achieve the level of functioning that would have been expected for the individual rather than deterioration in functioning.

## III. FUNDING TYPES

Mental Health Services Act (MHSA) Community Services and Supports (CSS) funding is divided into three categories: Full Service Partnership (FSP), General System

Development (GSD), and Outreach and Engagement (OE). For purposes of this program, it is anticipated that only the FSP category will be utilized. Time studies performed by service providers will be utilized to allocate funding. Allowable activities for the FSP funding category are below.

A. FSP Funding (including flex funding)

1. Shall be used to provide a full spectrum of mental health services and community supports to consumers.

2. Flex funding will be used to support the consumer for 'whatever it takes' to achieve optimal outcomes, and must be clearly linked to a goal/strategy in the care plan. The use of funds is not an entitlement.

a) Eligibility

(1) Consumers who are actively enrolled in an FSP program, and who have insufficient funds to provide the materials and resources necessary to achieve their treatment goals are eligible for assistance through flex funding.

(2) Consumers currently receiving government assistance and/or other income are only eligible to receive assistance through flex funding after it has been clearly established that there are insufficient funds or no other funding sources (insurance, etc.) available.

(3) Flex funding is to be used in support of the consumer and not the individual family members or support persons.

(4) Flex funds are a temporary support, not to be used for long-

term recurring expenses.

b) Uses

(1) Flex funding may be used to pay for housing, food, clothing, transportation, educational and vocational expenses.

(2) Flex funding may also pay for medical, dental, optical care, prescriptions, and laboratory tests when the consumer or family member does not have insurance to pay for such care.

(3) Excluded purchases include items such as: alcohol, tobacco, construction or rehabilitation of housing, buildings or offices, purchasing land or buildings, illegal substances and activities, sexually explicit materials, costs for staff to accompany consumers on outings (e.g., sporting events, concerts, amusement parks, etc.), prescription medication otherwise available through Indigent medication or prescription assistance programs, Service Extenders, or vehicles for programs.

(4) Every attempt should be made to purchase items that are considered reasonable purchases for the assistance of the consumers, and as economically as possible.

(5) Items purchased with flex funds become the property of the consumer and the consumer is not obligated to return the property upon leaving the program.

(6) If an expense is determined to be ongoing, the program must develop a plan for consumer self-sufficiency related to the ongoing expense.

c) Reimbursement

(1) CONTRACTOR shall itemize expenses claimed on the Flexible Funding Expense Form, hide the Protected Health Information (PHI) and submit to the COUNTY (MHSA Fiscal Analyst) within the close of the month after the reported period, preferably with the invoice capturing expense.

(2) Failure to submit claims on a regular basis impedes the efficiency of the process significantly. Claims that are not submitted in a timely manner each month may be subject to delays in review and payment.

(3) CONTRACTOR is required to archive all flex funding expenditure receipts for a period of at least six (6) years. There may be occasions when a copy of an archived receipt is requested.

Contractor shall offer hours of operation that are no less than the hours of operation offered to commercial beneficiaries or, in the alternative, Contractor shall offer hours of operation that are comparable to those hours offered to Medicaid fee-for-service consumers, if the provider serves only Medicaid beneficiaries.
- G. If the State, CMS, or the HHS Inspector General (Office of Inspector General) determines that there is a reasonable possibility of fraud or similar risk, the State, CMS, or the HHS Inspector General may inspect, evaluate and audit the subcontractor at any time.
- H. The right to audit will exist through 10 years from the final date of the contract period or from the date of completion of any audit, whichever is later. ## Compensation Fiscal Year 2020-2021

## 1. COMPENSATION for MEDI-CAL REIMBURSEMENT

- a. COUNTY agrees to compensate CONTRACTOR for allowed cost incurred as detailed in the Scope of Work (SOW), subject to any maximums and annual cost report reconciliation.
- b. The maximum contract amount shall not exceed one million, three hundred thousand dollars (\$1,300,000.00) per year, and shall consist of County, State, and Federal funds as shown in Exhibit B. Notwithstanding any other provision of this Agreement, in no event shall COUNTY pay CONTRACTOR more than this Maximum Contract Amount for CONTRACTOR's performance hereunder without a properly executed amendment. Notwithstanding any other provisions of this Agreement, in no event may CONTRACTOR request a rate that exceeds the County Maximum Allowance (CMA) or request a rate that exceeds the county Maximum Allowance (CMA) or request a rate that exceeds CONTRACTOR'S published charge(s) to the general public except if the CONTRACTOR is a Nominal Charge Provider.
- c. If the CONTRACTOR is going to exceed the Maximum contract amount due to additional expenses or services, it is the responsibility of the CONTRACTOR to request the amendment and provide all supporting documentation that substantiates the increase. No amendments can be requested after April 1, 2021.
- d. CONTRACTOR agrees to comply with Medi-Cal requirements and be approved to provide Medi-Cal services based on Medi-Cal site certification.
- e. CONTRACTOR shall be responsible for verifying the Consumer's Medi-Cal eligibility status and will take steps to reactivate or establish eligibility where none exists.
- f. CONTRACTOR shall certify that all Units of Service (UOS) entered/submitted by CONTRACTOR into AVATAR for any payor sources covered by this Agreement are true and accurate to the best of the CONTRACTOR'S knowledge.
- g. CONTRACTOR shall use funds provided by COUNTY exclusively for the purposes of performing the services described in the SOW of this Agreement.
- h. CONTRACTOR shall permit authorized COUNTY, State and/or Federal agencies, through any authorized representative, the right to inspect or otherwise evaluate the work performed hereunder including subcontract support activities and the premises, which it is being performed. The CONTRACTOR shall provide all reasonable assistance for the safety and convenience of the authorized representative in the performance of their duties. All inspections and evaluations shall be made in a manner that will not unduly delay the work.
- i. In the event the state or federal government denies any or all claims submitted by COUNTY on behalf of the CONTRACTOR, COUNTY will not be responsible for any payment obligation and, accordingly, CONTRACTOR shall not seek payment from COUNTY and shall indemnify and hold harmless COUNTY from any and all liabilities for payment of any or all denied claims, including those claims that were submitted outside the period of time specified in this Agreement.

# 2. ACCOUNTING FOR REVENUES

CONTRACTOR shall comply with all County, State, and Federal requirements and procedures, as described in Welfare Institutions Code Sections 5709, 5710 and 14710, relating to: (1) the determination and collection of patient/client fees for services hereunder based on Uniform

# Exhibit B

Method for Determining Ability to Pay (UMDAP) (2) the eligibility of patients/clients for Medi-Cal , Medicare, private insurance, or other third party revenue, and (3) the collection, reporting, and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Grants, and other revenue, interest and return resulting from services/activities and/or funds paid by COUNTY to CONTRACTOR shall also be accounted for in the Operating Budget.

CONTRACTOR shall maintain internal financial controls, which adequately ensure proper billing and collection procedures. CONTRACTOR shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of the consumer receiving services under this Agreement shall be utilized by CONTRACTOR only for the delivery of mental health service units as specified in this Agreement.

## 3. INVOICING

- a. CONTRACTOR shall submit monthly invoices to Tulare County Mental Health Department, Managed Care, 5957 S. Mooney Blvd, Visalia, Ca 93277, no later than fifteen (15) days after the end of the month in which those expenditures were incurred. The invoice must be supported by a system generated report that validates services indicated on the invoice.
- b. Invoices shall be in the format approved by the Tulare County Health & Human Services Agency. All payments made under this Agreement shall be made within thirty (30) days of submission of all required documentation and in accordance with the COUNTY'S payment cycle.
- c. 10 month billing limit: Unless otherwise determined by State or Federal regulations (e.g. medical cross-over) all original (or initial) claims for eligible individual persons under this Agreement must be received by COUNTY within ten (10) months from the month of service to avoid denial for late billing.
- d. The COUNTY will withhold the final month's payment under this Agreement until such time that CONTRACTOR submits its complete Annual Cost Report.

# 4. COST REPORT:

- a. Within forty-five (45) days after the close of the fiscal year covered by this Agreement, CONTRACTOR shall provide COUNTY with an accurate and complete Annual Cost Report with a statement of expenses and revenue for the prior fiscal year. The Annual Cost Report shall be prepared by CONTRACTOR in accordance with all applicable Federal, State, and County requirements and generally accepted accounting principles. CONTRACTOR shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. All revenues received by CONTRACTOR shall be reported in its Annual Cost Report, and shall be used to offset gross cost. CONTRACTOR shall maintain source documentation to support the claimed costs, revenues, and allocations, which shall be available at any time to Designee upon reasonable notice.
- b. The Cost Report shall be the final financial and statistical report submitted by CONTRACTOR to COUNTY, and shall serve as the basis for final settlement to CONTRACTOR. CONTRACTOR shall document that costs are reasonable, allowable, and directly or indirectly related to the services to be provided hereunder.

# Exhibit B

c. The COUNTY will withhold the final month's payment under this Agreement until such time that CONTRACTOR submits its complete Annual Cost Report.

## 5. RECONCILIATION AND SETTLEMENT:

- a. COUNTY will reconcile the Annual Cost Report and settlement based on the lower of cost or County Maximum Allowance (CMA). Upon initiation and instruction by the State, COUNTY will perform the Short-Doyle/Medi-Cal Reconciliation with CONTRACTOR.
- b. COUNTY will perform settlement upon receipt of State Reconciliation Settlement to the COUNTY. Such reconciliation and settlement will be subject to the terms and conditions of this Agreement and any other applicable State and/or federal statutes, regulations, policies, procedures and/or other requirements pertaining to cost reporting and settlements for Title XIX Short-Doyle/Medi-Cal.

## 6. REPAYMENT OR REIMBURSEMENT TO STATE OR OTHERS:

- a. CONTRACTOR agrees that any repayment or reimbursement that must be made by COUNTY to the State of California or others as a result of an audit or conduct by CONTRACTOR, its agents, officers or employees of the programs or services provided under this Agreement shall be paid by CONTRACTOR, out of its own funds, within thirty (30) days after the parties are notified that repayment or reimbursement is due. For purposes of this provision, it is agreed that offsets made by the state are included within the phrase "repayment or reimbursement."
- b. It is understood that if the State Department of Health Care Services disallows Medi-Cal claims, CONTRACTOR shall reimburse COUNTY for any and all State and Federal Medi-Cal funds for those disallowed claims, regardless of the fiscal year of the disallowance within sixty (60) days of the State disallowing claims.

## 7. EXCEPTIONS REGARDING REPAYMENT OR REIMBURSEMENT:

The reimbursement provisions set forth above will not be applicable if any actions or direction by COUNTY with regard to the program is the principle reason for repayment or reimbursement being required. The reimbursement provisions shall also not be applicable if COUNTY fails to give timely notice of any appeal, which results in the termination or barring of any appeal and thereby causes prejudice to CONTRACTOR. COUNTY shall have no obligation to appeal or financially undertake the cost of any appeal, but it shall be able to participate in every stage of any appeal if it desires to do so. Any action or failure to act by CONTRACTOR or its officers, employees, and subcontractors, past or present, including a failure to make a diligent effort to resolve an audit exception with the State, which has resulted in a required repayment or reimbursement to the State or to others, shall be paid by CONTRACTOR in accordance with this Exhibit.
