SUBJECT: One-Way STOP Control on Road 220 at Avenue 176, Northwest of Porterville

DATE: June 30, 2020

SUMMARY:

This location is an uncontrolled 'T' intersection located northwest of the City of Porterville, within Tulare County. Road 220, running north and south, 'T's into Avenue 176 which runs east and west. To the south of Avenue 176, there is a paved private drive which has been mistaken to be a continuation of Road 220. Both roadways have a prima facie speed limit of 55 miles per hour.

In response to safety concerns at this intersection, Tulare County Resource Management Agency (RMA) conducted an investigation.

The California Manual on Uniform Traffic Control Devices (CA MUTCD), Section 2B.04 Right of Way at Intersections, states in part; "State or local laws written in accordance with the 'Uniform Vehicle Code' ... establish the right-of-way rule at intersections having no regulatory traffic control signs such that the driver of a vehicle approaching an intersection must yield the right-of-way to any vehicle or pedestrian already in the intersection ...The right-of-way can be modified at through streets or highways by placing YIELD or STOP signs on one or more approaches."

In addition, the California Vehicle Code (CVC), Section 22450(c), states in part that "a local authority may adopt rules and regulations by ordinance or resolution providing for the placement of a stop sign at any location on a highway under its jurisdiction where the stop sign would enhance traffic safety".

This intersection meets the requirements of Section 2B.04 Right of Way at Intersections, for the installation of a One-Way STOP control. As such, RMA staff recommends approval for the installation of a One-Way STOP control on Road 220 at Avenue 176.

A Categorical Exemption was prepared by the Tulare County Environmental Planning Division and approved by the Environmental Assessment Officer. The activity/project is considered Exempt under Categorical per Title 14 CCR Section 15061(b)(3), Common Sense Exemption.

FISCAL IMPACT/FINANCING:

No Net County Cost to the General Fund.

The cost of installing a One-Way STOP on Road 220 at Avenue 176, is budgeted in the current fiscal year's Roads Budget for signs and stenciling.
