SUMMARY:
On June 18, 1998, Pursuant to the Statutes of 1997, Assembly Bill 1542, the Tulare County Board of Supervisors approved and established the Local Child Care Planning and Development Council (LPC). The LPC is composed of twenty-five members; thirteen members are appointed by Tulare County Board of Supervisors and twelve members are appointed by the Superintendent of Schools. Per legislative directive, the LPC membership is divided into five categories; Public Agency Representative, Community Representative, Consumer Representative, Child Care Provider and Discretionary Appointee.

It is the responsibility of the Tulare County Council on Child & Youth Development to determine the impact of increased numbers of working families on the local child care supply; to assess the unique child care and early education needs of each county; and to increase the availability and quality of such services. According to the 2018 needs assessment, the most recent available, the Tulare County Council

SUBJECT: Approve the Tulare County Council on Child & Youth Development 2020 Zip Code Priorities Report

DATE: August 11, 2020

on Child & Youth Development serves as an advocate for the child care needs of 103,745 children, ages 0-12, in Tulare County.

When the legislation does not identify specific target populations or geographic areas to be served in allocating expansion funds, the State Child Development Division will use priorities identified by the Tulare County Council on Child & Youth Development for the purpose of allocating new state and federal funds within each county.

The Council is mandated to submit priorities to the state annually. In the event that the priorities change from the previous year, the Council is mandated to hold a public hearing and submit the priorities to the Board of Supervisors and Superintendent of Schools for approval prior to submitting them to the state. The priorities have been revised for 2020. The Council held a Public hearing regarding the Priorities on July 9, 2020, which included the public posting of the hearing agenda 72 hours prior to the meeting as required by the Ralph M. Brown Act of California.

The Tulare County Superintendent of School has approved the priorities and it is recommended that the Tulare County Board of Supervisors approve and authorize the Chair to approve the Tulare County Council on Child & Youth Development 2020 Zip Code Priorities Report forms.

FISCAL IMPACT/FINANCING:

There is no fiscal impact associated with this Zip Code Priorities Report. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:

The County's five-year strategic plan includes the Quality of Life Initiative that encourages quality education opportunities for all county residents. The zip code priorities of the Tulare County Council on Child & Youth Development increases the ability to fulfill this obligation by ensuring that the child care needs of all children are identified and met.
