 - More than 31,680 projects completed; more than 1,135 additional projects in the pipeline
 - Includes more than \$896 million in associated financing
 - GSFA's first energy efficiency financing program utilized American Recovery and Reinvestment Act (ARRA) Funds - Partnering with CEC

GSFA – Public Purpose

- As a JPA, Members utilize GSFA to perform common powers
- Provides for economies of scale and de-risk local capital formation efforts
- Members trust GSFA to issue debt and to develop and administer valuable programs

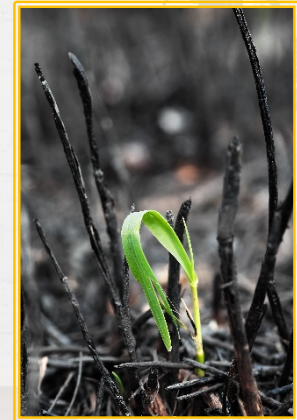

GSFA – Public Purpose (Cont'd)

- Focus on programs beneficial to low/moderate income individuals and families that may not otherwise be served; Reaching a diverse population
More than 50% of those participating in the housing program today are minorities.
- Ensure Housing and PACE Programs are accessible in urban, suburban and rural communities
- Support and implement economic development and job creation efforts along with municipal infrastructure finance

GSFA Public Purpose (Cont'd)

- GSFA – Giving Back to those most in need
 - GSFA has provided \$3.5 million in emergency assistance to victims of past CA fires.
 - *Resources were made available to assist residents with temporary and replacement housing and rebuilding efforts.*
- GSFA Affiliate Entities – Giving Back
 - Implementing Human Trafficking prevention and awareness education in rural CA public schools
 - Provided more than 1,300 laptops to foster youth
 - Participated in financing the renovation of a 12-unit apartment complex to house homeless veterans and their families
