consumer centered; family focused; and delivered in a culturally and linguistically competent manner. From July 1, 2020 to June 30, 2021, the program will provide services to 46 unduplicated consumers through residential services, and 248 unduplicated consumers through the outpatient services.

The Tulare County Mental Health branch released a Request for Proposal (RFP) in April 2013 for the Co-Occurring Disorder program. The RFP review team reviewed the proposal and recommended the Mental Health Branch award CVRS the Co-Occurring Disorder Program contract. CVRS has been providing quality services to Tulare County mental health consumers since the program's inception.

FISCAL IMPACT/FINANCING:

The budgeted costs associated with this agreement will be included in the HHSA 1142 budget, line 3331, professional services, for Fiscal Year 2020-2021 in an amount not to exceed \$1,104,171. The annual estimated cost per consumer is \$3,755. The estimated cost may vary based on actual utilization. This agreement is paid through Mental Health Services Act revenues. There is no additional net cost to the County General Fund.

LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:
