CONTACT PERSON: Terrie Saenz, Fiscal Manager    PHONE: 636-4635		

**SUBJECT:** Approve capital asset purchases.

**REQUEST(S):**

That the Board of Supervisors:

1. Approve capital asset purchases of a Livescan machine not to exceed \$37,000; a back-up server to store digital documents not to exceed \$79,000; and to upgrade 10 Livescan machines for a total amount not to exceed \$117,000.
2. Authorize the Purchasing Agent to waive the formal bidding process for the purchases of these items.
3. Authorize the necessary budget adjustments per the attached AUD 308 (4/5ths vote required).

**SUMMARY:**

Vehicle Code Section 9250.19 allows counties to collect \$1 for every vehicle registered in the County from the California Department of Motor Vehicles for the operation and enhancement of automated fingerprint equipment for law enforcement agencies throughout the County. This section requires the local California Identification (Cal-ID) Remote Access Network (RAN) Board identify a need for this funding.

On June 24, 2014, the members of the Tulare County RAN Board gathered for their annual meeting and unanimously approved the following capital asset purchases.

- **Livescan Fingerprint Machine:** The Livescan fingerprint equipment will be

**SUBJECT:** Approve capital asset purchases.

**DATE:** September 30, 2014

used by the Porterville Police Department. The Livescan machine provides digitally scanned fingerprinting for applicants and criminal records that are then forwarded to the state for processing.

- **Upgrade Livescan Fingerprint Machines:** Ten Livescan fingerprint machines will be upgraded to the newest technology available for biometric identification. The Livescan fingerprint machines allows the Department to scan, store, compare and identify high-quality fingerprints in a matter of minutes.
- **Back-up Server:** The back-up server will be used for the mobile ID system that was purchased last year which allows deputies to scan suspects in the field and provides almost instant identification. The back-up system will provide an industry standard back-up solution for this system, as well as other critical identification data stored on CAL-ID servers.

Additionally, the Department is requesting sole-source purchases from the vendors. It would not be cost-effective to purchase from another vendor as it would not be compatible with existing equipment.

**FISCAL IMPACT/FINANCING:**

The cost of these capital assets will not exceed \$233,000 and will be reimbursed from the Cal-ID Trust Fund 802. There will be no net County cost.

**LINKAGE TO THE COUNTY OF TULARE STRATEGIC BUSINESS PLAN:**

The County's five-year strategic plan includes the Organizational Performance Initiative to provide state-of-the-art technology and infrastructure to support better service delivery. The purchase of the capital assets is consistent with this initiative.

**ADMINISTRATIVE SIGN-OFF:**

---

Mike Boudreaux  
Sheriff-Coroner

Cc: Auditor-Controller  
County Counsel  
County Administrative Office (2)  
Purchasing Department
