SUMMARY: In December 2005, the Board authorized the CAO to submit the MHSA Community Services and Supports 3-Year Expenditure Plan to the State Department of Mental Health. The Board further authorized the Health & Human Services Agency, Mental Health Branch to begin the development of Requests for Proposal (RFP) and proceed with the contractor bid process. The MHSA 3-Year Plan has subsequently been approved as of April 28, 2006.

In ensuring the timely start-up of MHSA services, and for the successful oversight of contractor performance and management of MHSA services, it is necessary to hire additional staff. The additional staff was budgeted and submitted as part of the Community Services and Supports 3-Year Expenditure Plan for Fiscal Year 2006-2007, submitted to the State in December 2005. The following positions will be added:

- 2.0 FTE Staff Services Analyst (SSA) III
- 1.0 FTE Case Manager IV Bilingual
- 1.0 FTE Client Advocate
- 1.0 FTE Licensed Clinical Social Worker (LCSW)

The Staff Services Analyst (SSA) classifications will be responsible for successful implementation and oversight of contractor and service delivery performance. The Case Manager will be used to ensure consumers enrolled in Full Service Partnership are meeting their plan-of-recovery goals. The Client Advocate will work with consumers and family members to resolve service matters and provide clinical oversight of MHSA programs. The LCSW will be responsible for Quality Improvement, Utilization Review and additional oversight of MHSA programs. The hiring of these positions enables Tulare County to work proactively to ensure MHSA service delivery meets the 3-Year Expenditure Plan and performance requirements as identified in the Requests for Proposals and meets the recovery goals of consumers, as well as meet the mandates of the State Department of Mental Health.
