SUBJECT: Donate Surplus Scissor Lift to Able Industries

REQUEST: That the Board of Supervisors donate a scissor lift to Able Industries.

SUMMARY: Able Industries has long been involved in helping the handicapped in our community. Through their efforts a large amount of individuals have been able to find work at Able Industries by providing services such as shredding documents, providing meals for fire crews and packing processing for industries, to name a few of the services they provide. Able Industries is a non-profit organization with limited funds and they are in need of a scissor lift in their warehouse facility. The County currently has one that has been surplused and no longer is needed for County use. We request that the scissor lift be donated to Able Industries.
