Wraparound will serve youth who are in RCL 10-14, however youth who are currently in RCL 12-14 placement, awaiting placement in a higher level or in Juvenile Hall will be given priority for Wraparound. Prior to referral for Wraparound, youth and family members/potential caretakers must be contacted by the social worker, probation officer, or MH coordinator to inform them about the possibility of participating in services, and committed to fully participating in Wraparound should they be selected.
- C. Enrollment It is anticipated that the COUNTY can refer up to <u>fifty (50)</u> children to be served by June 30, 2010.
 - The number of referrals and the foregoing is an estimate only.
- D. CONTRACTOR agrees that the criteria for determining continued Wraparound eligibility for children/youth placed in a RCL 10-14 group home shall be as follows:
 - 1. A communal care setting (juvenile hall, psychiatric hospital, group home) shall not exceed thirty (30) days, unless determined to be appropriate by the Wraparound Community Team
 - 2. The Wraparound Community Team shall review cases within twenty-five (25) days of a child's admission to a crisis stabilization or placement facility to determine continued eligibility for a Wraparound slot.

 - 4. CONTRACTOR shall continue to provide Wraparound services through eligible Medi-cal funding when a Wraparound participant is placed in a crisis stabilization facility longer than thirty (30) days when assessed and determined to be appropriate by the Wraparound Community Team.

VI. Funding Formula

The funding amount available to the CONTRACTOR will vary based on the child being federally or non-federally eligible and the child's level of placement. This contract is **for the period beginning July 1, 2009 through June 30, 2010.** Contract may be extended and funds will be available for two years, subject to the continued availability of funds and satisfactory performance by CONTRACTOR.

Primary and ongoing funds for Wraparound that will make up the provider agency budget are based on SB 163 and come from Foster Care funding, Adoption Assistance Payments, AB3632 and Special Education funding, Kin-gap funds, Foster Parent Training funds, Medi-Cal funding, and Early and Periodic Screening, Diagnosis and Treatment (EPSDT) funding. Funds from these sources will be determined based on the appropriate RCL as determined by the RISC committee.

The COUNTY will hold back twenty percent (20%) of the foster care funding amount due to CONTRACTOR, on a per-child / per-month basis for the purpose of offsetting the county share for EPSDT funds spent for Wraparound eligible children. For a child federally and non-federally eligible to receive foster care funding the following new formula will apply:

	Total RCL Payment	Federal Deduction from TOTAL RCL Payment*	20% County Holdback	Contract Agency Receives	State's Portion of Payment	County's Portion of Payment
RCL 10.5						
Federally Eligible	\$5,291	\$2,646*	\$529	\$2,117	\$1,058	\$1,588
Non-Federally Eligible	\$5,291	\$0*	\$1,058	\$4,233	\$2,116	\$3,175
RCL 13						
Federally Eligible	\$6,294	\$3,147*	\$629	\$2,518	\$1,259	\$1,888
Non-Federally Eligible	\$6,294	\$0*	\$1,259	\$5,035	\$2,518	\$3,776

^{*} SB 163 is a State project that the Federal government is not participating in. Federal funds cannot be used for Wraparound services, therefore only the State and COUNTY portions of those payments will be available to the contract agency. The ratio of federally eligible versus non-federally eligible children referred for services shall be negotiated between the COUNTY and CONTRACTOR.

So that SB 163 funds can be maximized, Wraparound services should fully utilize the continuum of services within the existing service delivery system. These services are widely available and supported by funding streams that include, but are not limited to the following: Adoptions Assistance Program, Medi-Cal, Early and Periodic Screening, Diagnosis and Treatment (EPSDT), Kinship Support Services, Tobacco Settlement funds, Child Abuse Prevention, and Promoting Safe and Stable Families (PSSF) funding.

VII. Fiscal Provisions for Foster Care Funding

A. For children participating in Wraparound identified at the rate classification level 12-14, the COUNTY will reimburse the CONTRACTOR the RCL 13 payment, minus the cost, if any, of concurrent out-of-home placement for those children. For children participating in the Wraparound Program identified at the rate classification level 10 or 11, the COUNTY will pay the CONTRACTOR the average of the RCL 10 and 11 payments, minus the cost, if any, of concurrent out-of-home placement for those children. RCL payments shall be based on the State's most recent published rates. The federal deduction will be applied to federally eligible children.

The COUNTY will hold back twenty percent (20%) of the amount due to CONTRACTOR, on a per-child / per-month basis, for the purpose of offsetting the county share for EPSDT funds spent for Wraparound eligible children.

- B. Amounts paid to the CONTRACTOR and amounts deducted for concurrent outof-home placement/county withholding will be prorated to correspond with a child's entrance or exit from Wraparound and entrance and exit from concurrent out-of-home placements.
- C. CONTRACTOR is to provide COUNTY with their monthly invoice for State Foster Care payments by the 10^h working day of the following month in a spreadsheet format acceptable to the COUNTY.

EXHIBIT ADDENDUM – B1 BUDGET NARRATIVE TULARE COUNTY WRAPAROUND PROGRAM JULY 1, 2009 TO JUNE 30, 2010

REVENUE

SB 163 Revenue

Total SB 163 revenue is projected to be \$1,113,684. For budgetary purposes it was assumed the rate per client was \$3,068. This is the average rate per client for the period 7/1/08 - 12/31/08 minus a 20% county withholding. (3835 X 80% = 3,068) Given that intakes occur as projected at a rate of 1.5 per month starting 7/1/09, 363 months of service will be provided in the year. (363 months x \$3,068 = \$1,113,684)

EPSDT Revenue

EPSDT revenue is projected to be \$1,080,103. This assumes the delivery of 485,760 minutes of service at present SMA. This assumes delivery of aprox. 1,338 units of services per month to each participating family. For budgetary purposes, it was assumed that 31% of the service minutes would be for case management, 69% for mental health and .3% for crisis intervention. This blend of service functions was derived from actual figures for the period 7/1/08-12/31/08. Clinicians, Children and Family Team Facilitators and Family Specialists are billable positions.

Projected Additions to Trust Fund

The projected addition to the Trust Fund at June 30, 2010 is \$56,558. For budgetary purposes, this assumes post cost settlement Medi-Cal costs are at 2008 – 2009 (present) SMA and that trust fund dollars pay for medi-Cal costs in excess of SMA.

Taxes and benefits were calculated at 28% of salaries.

Clinical Program Manager

The total cost for an average of 1.8333 FTE Clinical Program Manager is \$140,800. The base annual salary is \$60,000 per year. Taxes/benefits at 28% equal \$30,800. \$110,000 + \$30,800 = \$140,800.

Clinician

The total cost for an average of 1.8333 FTE Clinician is \$110,294. The base annual salary is 47,000 per year. Taxes/benefits at 28% equal \$24,127. \$86,167 + \$24,127 = \$110,294.

It is further expected that EMQ FamiliesFirst may not be able to hire staff fluent in all languages spoken in Tulare County. Provision has therefore been made for 363 hours of interpreter services at an estimated hourly rate of \$25. $(363 \text{ hrs } \times \$25 = \$9,075)$

Travel - Staff Mileage

Staff mileage was calculated at 11% of direct salaries ($$1,016,324 \times 11\% = $111,796$). The represents approximately 35 miles per day per direct care staff at a reimbursement rate of \$0.505.

Emergency Funds (Flex)

It is estimated Emergency Funds (Flex) expenditures will average \$250 per month per client family. Given intake estimates, 363 months of service are expected to be delivered. It is therefore estimated that Emergency fund expenditure will amount to approximately \$90,750. ($$250 \times 363 = $90,750$).

Occupancy Pool

Occupancy costs were calculated at 22% of direct personnel costs and include office rent, equipment/parts/materials, leases, telephone, outside services, repairs and maintenance and utilities. $(\$1,016,324 \times 22\% = \$223,591)$

Regional Pool

This pool includes the Training Coordinator, Regional Vice President, Executive Director, postage, shipping, printing, dues & subscriptions, office supplies, conference & training and travel. (\$1,016,324 x 6% = \$60,979)

ADMINISTRATIVE OVERHEAD - G & A Pool

Indirect costs were calculated at 32% of direct care personnel costs. Indirect costs are allocated on the basis of a program's total payroll costs prior to the addition of taxes and benefits and may fluctuate slightly from month to month. EMQ FamiliesFirst has a strong administrative infrastructure that provides agency-wide support and resources for all programs and services. These include: accounting/fiscal, administrative services, facilities, executive office, human resources, training and information technology. All allocations are in accordance with OMB A-122 and generally accepted accounting principles.

A. ANNUAL COST REPORT

CONTRACTOR shall submit an annual Mental Health Cost Report on or before the last day of the fourth month following the close of each COUNTY fiscal year, or on or before the last day of the fourth month following the termination of this Agreement. Extensions of time to file the cost report at any later date must be approved in writing by the Assistant Agency Director-Mental Health Services, the Deputy Director-Clinical Services, or the Assistant Director of Administration. Such cost report shall be prepared in accordance with the requirements set forth in the California Department of Mental Health's Cost Reporting/Date Collection Manual and must be submitted on appropriate California Department of Mental Health fiscal year forms.

B. RECONCILIATION/INTERIM RATE ADJUSTEMENT

COUNTY will reconcile the Annual Cost Report and settlement will be based on the lower of cost or Standard Maximum Allowance (SMA) rate, and shall be considered payment in full. SMA rates are updated annually in November. Within ninety (90) days thereafter, COUNTY will make payment, or receive reimbursement from CONTRACTOR, as appropriate. If the Annual Cost Report is submitted late, the CONTRACTOR understands and agrees that COUNTY may not make further payments to CONTRACTOR until Annual Cost Report is submitted.

C. REPAYMENT OR REIMBURSEMENT TO STATE OR OTHERS

CONTRACTOR agrees that any repayment or reimbursement that must be made by COUNTY to the State of California or others as a result of an audit or conduct by CONTRACTOR, its agents, officers or employees of the programs or services provided under this Agreement shall be paid by CONTRACTOR, out of its own funds, within thirty (30) days after the parties are notified that repayment or reimbursement is due. For purposes of this provision, it is agreed that offsets made by the state are included within the phrase "repayment or reimbursement".

D. EXCEPTIONS RE: REPAYMENT OR REIMBURSEMENT

The reimbursement provisions set forth above will not be applicable if any action or direction by COUNTY with regard to the program is the principal reason for repayment or reimbursement being required. The reimbursement provisions shall also not be applicable if COUNTY fails to give timely notice of any appeal, which results in the termination or barring of any appeal and thereby causes prejudice to CONTRACTOR. COUNTY shall have no obligation to appeal or financially undertake the cost of any appeal, but it shall be able to participate in

every stage of any appeal if it desires to do so. Any action or failure to act by CONTRACTOR or its officers, employees and subcontractors, past or present, including a failure to make a diligent effort to resolve an audit exception with the state, which has resulted in a required repayment or reimbursement to the state or to others shall be paid by CONTRACTOR in accordance with this Exhibit.
