Asian Citrus Psyllid (ACP) Trapping Guidelines

Trapping Season

- Infested counties Trap year round.
- Commercial citrus and citrus nursery stock production counties Begin commercial trapping in March (during spring flush) until September 30, 2010. If funding allows for extended trapping, the contract will be amended.
- Conduct urban trapping in citrus production counties during the normal pest detection season.

Trap Density

- Commercial Place 15 traps per square mile up to a three mile radius of commercial citrus groves. For trapping high-risk areas outside the 3-mile radius, consult with your local district entomologist.
- Where urban areas exist within three mile radius, place 15 traps per square mile.
- Urban Piggyback ACP traps on up to 5 existing pest detection trap sites per square mile. Trap must be placed in a host; if no host is available then do not place a trap. Therefore, the urban density may not always be 5 ACP traps per square mile.

Inspection Frequency

- Inspect commercial traps monthly.
- Inspect piggybacked urban traps at each regularly scheduled visit for that site.

Trap

• A yellow panel trap is to be used. The trap consists of two parts: a yellow panel trap and a trap hanger.

Attractant

• The yellow color is a visual attractant. Trap does not contain a pheromone or an insecticide.

Agreement No. 09-0771 Exhibit A 3 Attachment 3 Page 2 of 3

Hosts

 Citrus and citrus relatives such as kumquat, orange jasmine, and curry leaf. Do not place in non-host trees.

Trap Assembly

- Assemble the trap by folding the trap open, thereby exposing the yellow, sticky surface. Paperclip the white tabs on the side to hold the trap in position. Place a Jackson trap hanger through the holes in the top end of the trap.
- Write the trap number and date of deployment on the trap body prior to placing the trap. Trap numbers for ACP will include the six-digit grid number, subgrid designation, and the identifying letters "ACP". For example: commercial or rural: 075045-ACP-1; urban: 075045-W-ACP.

Trap Placement

- Hang traps outside the canopy of the tree in the upper 1/2 to 1/3 and near the outer ends of the branches. Maintain a foliage-free space 12 to 18 inches around the trap. Foliage should surround the trap beyond that distance, especially at the bottom and sides. Do not hang traps below the canopy or closer than four feet to the ground. Ensure that the trap is visible and in full sunlight. Place trap on south side of tree. In extremely hot areas, rotate trap to the north side of the tree.
- All sites trapped must be GPS'd using Datum NAD83 in decimal degrees (e.g., 34.42331, -119.82505). The minimum information recorded in the GPS unit is trap number, placement date, and degree decimal waypoint reading. New GPS points must be recorded for urban ACP traps when they are relocated. The GPS coordinates should also be added to the trap data card.

Baiting Interval

Not applicable.

Trap Relocation

Commercial - Relocate monthly if sufficient hosts are available.

Agreement No. 09-0771 Exhibit A3 Attachment 3 Page 3 of 3

 Urban - Relocate ACP traps when the primary detection traps are relocated. When relocating traps, always use a new trap. GPS the new site and document the new GPS coordinates on trap card.

Trap Replacement

 Change the trap with each relocation, every time a suspect is captured, or when it becomes dirty or cluttered with insects or other debris (i.e., as necessary).

Screening of Traps

- IMPORTANT: All traps removed from the field must be screened before being discarded.
 - CDFA will maintain regional screening centers for this purpose.
 Shipment costs for sending traps to a screening center will be reimbursed by CDFA.
 - Counties may instead elect to have a qualified staff member perform the screening.
 - o Consult with your district entomologist for the appropriate option.

Submitting Specimens for Identification

- The entire trap containing the suspect insect(s) should be collected and returned to the office for supervisory inspection. Before leaving the site, replace the old trap with a new one.
- Immediately contact the district entomologist after trapping a suspect insect.
- Submit the entire trap, leaving the suspect ACP in the trap, for identification to the Plant Pest Diagnostics Branch in Sacramento as efficiently and quickly as possible. If the suspect insect is alive on the trap, place the trap in the freezer for at least 1 hour to kill the specimen. Do not transport live specimens!
- All suspect specimens should be submitted along with Form 65-020, the
 electronic version of the Pest and Damage Report (e-PDR). The website
 for the e-PDR is http://phpps.cdfa.ca.gov. Persons submitting this form
 will need a username and a password.
- Notify John Pozzi at <u>ipozzi@cdfa.ca.gov</u> upon all submissions. Include the e-PDR number in this communication.

EXHIBIT C (County Agreement)

GENERAL TERMS AND CONDITIONS GTC 307

- 1. APPROVAL: This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. Contractor may not commence performance until such approval has been obtained.
- 2. AMENDMENT: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties.
- 3. ASSIGNMENT: This Agreement is not assignable by the Contractor, either in whole or in part, without the consent of the State in the form of a formal written amendment.
- 4. AUDIT: Contractor agrees that the awarding department, the Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. Contractor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated. Contractor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896).
- 5. INDEMNIFICATION: Contractor agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Contractor in the performance of this Agreement.
- 6. DISPUTES: Contractor shall continue with the responsibilities under this Agreement during any dispute.
- 7. TERMINATION FOR CAUSE: The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.
- 8. INDEPENDENT CONTRACTOR: Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.

Agreement No.: 09-0771 Page 2 of 3

9. RECYCLING CERTIFICATION: The Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods, or supplies offered or sold to the State regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply (Pub. Contract Code §12205).

10. NON-DISCRIMINATION CLAUSE: During the performance of this Agreement, Contractor and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, and denial of family care leave. Contractor and subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other Agreement.

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

- 11. CERTIFICATION CLAUSES: The CONTRACTOR CERTIFICATION CLAUSES contained in the document CCC 307 are hereby incorporated by reference and made a part of this Agreement by this reference as if attached hereto.
- 12. TIMELINESS: Time is of the essence in this Agreement.
- 13. COMPENSATION: The consideration to be paid Contractor, as provided herein, shall be in compensation for all of Contractor's expenses incurred in the performance hereof, including travel, per diem, and taxes, unless otherwise expressly so provided.
- 14. GOVERNING LAW: This contract is governed by and shall be interpreted in accordance with the laws of the State of California.
- 15. ANTITRUST CLAIMS: The Contractor by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Contractor shall comply with the requirements of the Government Codes Sections set out below.
- a. The Government Code Chapter on Antitrust claims contains the following definitions:
- 1). "Public purchase" means a purchase by means of competitive bids of goods, services, or materials by the State or any of its political subdivisions or public agencies on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code.
- 2). "Public purchasing body" means the State or the subdivision or agency making a public purchase. Government Code Section 4550.

Agreement No.: 09-0771 Page 3 of 3

b. In submitting a bid to a public purchasing body, the bidder offers and agrees that if the bid is accepted, it will assign to the purchasing body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the bidder for sale to the purchasing body pursuant to the bid. Such assignment shall be made and become effective at the time the purchasing body tenders final payment to the bidder. Government Code Section 4552.

- c. If an awarding body or public purchasing body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the public body any portion of the recovery, including treble damages, attributable to overcharges that were paid by the assignor but were not paid by the public body as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Government Code Section 4553.
- d. Upon demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under this part if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action. See Government Code Section 4554.
- 16. CHILD SUPPORT COMPLIANCE ACT: "For any Agreement in excess of \$100,000, the contractor acknowledges in accordance with Public Contract Code 7110, that:
- a). The contractor recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and
- b) The contractor, to the best of its knowledge is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department."
