SUBJECT: Capital Projects – Earlimart and Ivanhoe Branch Library Projects Furniture, Fixtures and Equipment Purchase

REQUEST(S):

That the Board of Supervisors:

1. Approve the purchase of new library shelving units for the Earlimart and Ivanhoe Branch Libraries utilizing California Multiple Award Schedule (CMAS) contract # 4-11-71-0066D with Yamada Enterprises; and
2. Waive competitive bid process and find that the purchase of the shelving and TMC Furniture from Yamada Enterprises is in the best interests of the County to match existing Library furniture due to system wide standardization; and
3. Find that the purchase of the shelving and TMC Furniture is in compliance with the Section 1605 "Buy American" requirements of the American Recovery and Reinvestment Act (ARRA); and
4. Authorize the Purchasing Agent to exceed the \$125,000 purchasing limit and execute any and all public works contracts and agreements with Yamada Enterprises necessary to complete the purchase.

SUMMARY:

On April 27, 2010 your Board approved the acceptance of two United States Department of Agriculture (USDA) grants to improve the Ivanhoe and Earlimart branch Libraries.

SUBJECT: Capital Projects – Earlimart and Ivanhoe Branch Library Projects
DATE: Furniture, Fixtures and Equipment Purchase
June 7, 2011

The projects include select remodeling of the branches as well as the purchase and installation of Furniture, Fixtures and Equipment (FF&E) for each Library.

The shelving units selected for each branch Library are available using a pre-bid State CMAS contract. The shelving unit costs are \$17,766.29 for Earlimart, and \$24,175.22 for Ivanhoe.

The furniture selected for each branch Library is not available on a CMAS contract, but is available from the CMAS vendor. By combining the purchases together there will be savings on installation costs and reductions in Purchasing staff time as a result of combining the separate purchases into one comprehensive agreement.

As part of the 2008 Visalia Library Expansion and Renovation project, a standard of furniture was selected for that project. During the intervening 3 years, the furniture selected has performed well, with no breakdowns or repairs required. As a result it is the stated desire of the Library to establish TMC Furniture as the preferred furniture for all branch Libraries. This will provide consistency for staff and Facilities for replacement and repair purposes, and will provide a uniform look for Library patrons throughout the County Library system. As other branch Libraries are remodeled or upgraded, similar furniture components will be installed.

The circulation desk and furniture for the Earlimart Library is quoted at \$48,043.80, and the Ivanhoe Library is quoted at \$48,450.53.

Section 1605 of ARRA stipulates that all goods used in the projects be manufactured in the United States. The vendor has verified that all of the requested items are in compliance with this requirement.

Staff is requesting that your Board approve the purchase of new library shelving units for the Earlimart and Ivanhoe Branch Libraries utilizing CMAS contract # 4-11-71-0066D with Yamada Enterprises, waive competitive bid process and find that the purchase of the shelving and TMC Furniture from Yamada Enterprises is in the best interests of the County to match existing Library furniture due to system wide standardization, find that the purchase the TMC Furniture is in compliance with the Section 1605 “Buy American” requirements of ARRA and authorize the Purchasing Agent to exceed the \$125,000 purchasing limit and execute any and all public works contracts and agreements with Yamada Enterprises necessary to complete the purchase.

FISCAL IMPACT/FINANCING:

The Ivanhoe and Earlimart FF&E purchases are funded in the Library Fund. The purchases total \$138,445.84.
