REVOLVING FUND PROCEDURES

1. Document Substantial Financial Hardship and Immediate Need

- a. You may pay a claimant's request for an emergency award to cover unexpected expenses that are allowed under the Program. When someone suddenly has to pay for a funeral or needs to move to ensure their safety, they may need providers to be paid immediately. Emergency awards can only be allowed in cases where there would be substantial financial hardship if an award were not paid right away and where there is an immediate need for payment to the claimant or the provider on behalf of the claimant.
- b. Substantial financial hardship means that without the emergency award the claimant cannot provide for the necessities of life including, but not limited to:
 - i. Shelter
 - ii. Food
 - iii. Medical care or
 - iv. Personal safety
- c. The inability to pay for funeral and burial expenses or crime scene clean up expenses without the emergency award can also constitute substantial financial hardship.
- d. The amount you should award depends on the claimant's immediate need. Pay just those compensable expenses that, if you did not pay them, would cause a substantial financial hardship.

2. Contact the Provider

- a. Payments from the Revolving Fund should be verified:
 - i. to be a substantial financial hardship to the claimant,
 - ii. to be an immediate need, and
 - iii. that the provider will not provide services unless payment is received immediately.
- b. Prior to making payments to a provider of service on behalf of the claimant, local JP staff will contact the provider by phone to assess whether they are willing to wait for payment through the regular claims process.
- c. Document the fact that the provider will not wait for payment in the application summary.

3. Assess eligibility

- a. Prior to making a payment from the Revolving Fund review the application and associated documents (per instructions in the CalVCP online manual)

to make a preliminary assessment regarding the eligibility of the application.

- b. Whenever possible determine eligibility of the application prior to issuing the Revolving Fund payment; however, if circumstances do not allow for a complete eligibility assessment, follow the instructions found in the CalVCP online manual for making an emergency award.
- c. Do not issue a Revolving Fund payment in a case where issues that may bar eligibility are clearly evident. Consult the County Liaison and Support Section if you need assistance reviewing eligibility issues in these cases.

4. Issuing and Documenting the Revolving Fund Payment

- a. Check with the Liens and Overpayment Recovery Section (LORS) if there is a reimbursement source such as auto insurance, workers compensation, or civil suit on the application to get authorization to pay the bill. Using notes in the application summary, document all interactions with LORS using notes in the application summary as you would for any other bill.
- b. Confirm who needs to be paid (claimant or provider on behalf of the claimant). Obtain FIN or SSN for provider for future 1099.

VICTIM COMPENSATION AND GOVERNMENT CLAIMS BOARD

VCGCB

<p>C A L I F O R N I A</p>  <p>Victim Compensation & Government Claims Board</p>	<p>POLICY MEMO</p>
<p>SUBJECT: Imaged Document Confidential Destruct Policy – Scan Facility</p>	
<p>DATE ISSUED: December 17, 2008</p>	<p>EFFECTIVE DATE: Immediately</p>
<p>SUPERCEDES: N/A</p>	<p>EXPIRES: Indefinite</p>
<p>MEMO NUMBER: 09-001</p>	<p>ISSUED BY: Executive Office</p>

PURPOSE: It is the policy of the Victim Compensation and Government Claims Board (VCGCB) to properly retain and dispose of documents scanned into the California Compensation and Restitution System (CaRES) in a timely manner to save storage and handling costs.

AUTHORITY: California Codes
 Penal Code Section 11106.1, 11106.2
 Evidence Code Section 1550-1553
 Government Code Section 12159-12179.1

International Organization of Standardization
 ISO 15489-1-Information and documentation -Records management, Part 1
 ISO/TR 15489-2-Information and documentation -Records management, Part 2

POLICY: According to the California Codes, any document imaging system that does not permit additions, deletions, or changes to the original document, may be used as a photographic reproduction process to record documents, as long as a trusted system is utilized. A "trusted system" means a combination of techniques, policies, and procedures for which there is no possible scenario in which a document retrieved from or reproduced by the system could differ substantially from the document that is originally stored. The CaRES claims management system is fully compliant with these requirements.

Based on these requirements, an original document that has been electronically imaged into CaRES can be destroyed when the following document guidelines and retention periods have been observed.

Document Guidelines

All documents received by the Scan Facility are scanned in batches of like documents, such as new applications and bills, and include a batch header sheet. Quality control measures are then performed on every document released to the CaRES system. The first quality control measure is performed by the individual who scans the document; the second by the individual performing document validation; the third by the individual performing quality assurance. The document is then released to the CaRES system. The batch header sheet details the document types and the date and time the batch was scanned. Following scanning, these batches are placed in boxes labeled by batch type and divided by date and time.

Retention Period

All paper documents that have been imaged and released into the CaRES system will be retained by the File Room for a period of twelve (12) months. This period is determined by adding twelve (12) calendar months to the date the documents were released or imported into the CaRES system. If a business unit requires an original document, they may retrieve it through the Scan Facility within twelve (12) months of the original scan date. At the end of the twelfth month, the documents will be labeled and placed in the designated Confidential Destruct location in the File Room. These documents will then immediately be scheduled for Confidential Destruct. The documents will be sent to either the State Records Center for confidential destruction or scheduled for onsite confidential shredding with a certified confidential shredding service.
