TulareWORKs STATISTICAL RESEARCH ANALYST

County of Tulare

DEFINITION

Under general direction, this position will provide leadership and technical expertise in developing and maintaining TulareWORKs related research and reporting intended to enhance division level assessment and effectiveness, strategic planning, policy analysis, and administrative decision-making.

DISTINGUISHING CHARACTERISTICS

This classification is distinguished by its responsibility for administrative tasks associated with the provision of the various social services programs provided by the TulareWORKs Division programs. This classification will serve an imperative role in the continued monitoring and reporting activities and success of the services provided by the TulareWORKs Division.

This classification requires a high level of flexibility in successfully working with people, data and equipment. Critical organizational decisions are based on the research and recommendations of this classification. A high level of discretion is required to avoid unwarranted disclosure of confidential information. Incumbents must possess a high level of initiative, critical thinking and professional judgment.

SUPERVISION RECEIVED AND EXERCISED:

General direction is provided by a Division Manager, Deputy Director, or higher level management position.

DUTIES may include, but are not necessarily limited to:

Understanding and support the TulareWORKs Mission and Vision and perform duties in order to get the job done with the highest quality and exceptional customer service.

Develop and maintain numerous reporting tools and methods;

Compile, analyze, and disseminate an extensive range of TulareWORKs program and operational data in various forms (electronic databases, spreadsheets, Word documents, PowerPoint Presentations, etc.);

Serve as a clearinghouse for a wide ranging number, type and frequency of requests for data and other information;

Design, coordinate, conduct and evaluate TulareWORK's client/customer and/or employee surveys as directed;

May directly or indirectly supervise the work of subordinates;

Collect and organize data; conduct advanced statistical analysis of data; evaluate and interpret findings to detect trends and identify significant findings. Including extracting, analyzing and inputting data sets using various sources;

Track, monitor, and report out to TulareWORKs management team on the operating success of TulareWORKs units;

Analyze real time data to identify operating issues that need to be addressed;

Work closely with TulareWORKs management to develop corrective action plan;

Work closely with TulareWORKs management to develop corrective action plans when operating issues are identified through the analysis of real time data;

TulareWORKs Statistical Research Analyst

County of Tulare Page 2

Work with and coordinate with various units within TulareWORKs and/or the Agency to understand various data systems and business processes that affect data quality and integrity; Recommend changes as necessary;

Participate in workgroups, user groups, committees, and/or meetings on a County, regional, State, or-Federal level as directed;

Write new and/or modified TulareWORK's Department Manuals, Policies, Procedures, and informational materials;

Prepare correspondence and reports, including technical papers, and assist in the development and preparation of project proposals for State and Federal funding requests;

Review, modify and negotiate contracts relative to TulareWORKs program performance; design and implement procedures for subcontractors to fulfill reporting obligations;

Perform related duties as assigned. (Essential duties may vary from position to position within this classification. Reasonable accommodation will be made when requested and determined by the County to be appropriate under applicable law.)

NECESSARY EMPLOYMENT STANDARDS

Knowledge of:

TulareWORKs Division policies, rules and regulations;

Regulations and procedures related to California Social Services Programs (CalWORKs, CalFresh, Medi-Cal);

Software tools for the storage, management, manipulation, analysis and reporting of large quantities of data;

CalWIN Eligibility Determination System;

Compass Traffic Monitoring System;

TulareWORKs Task Management Tool (TMT);

Research methods:

Skill/Ability to:

Plan and supervise the work of subordinates:

Research, analyze and interpret complex statistical material and to present analyses and conclusions clearly and precisely;

Communicate effectively, both verbally and in writing; keep abreast of new developments in the social services field including changes in laws and regulations;

Establish and maintain professional relationships as necessitated by work assignments;

Display a high level of initiative, effort and commitment towards completing assignments efficiently and accurately; Demonstrate responsible behavior and attention to detail;

TulareWORKs Statistical Research Analyst

County of Tulare Page 3

Express information to individuals or groups effectively, taking into account the audience and nature of the information; Listen to others and respond appropriately;

Translate technical questions into quantifiable tasks and results;

Collect, interpret and evaluate data; draw valid conclusions, evaluate programs and make recommendations for change where appropriate;

Conduct surveys, prepare correspondence and reports and evaluate results;

Education and Experience:

Any combination of education and experience that could likely provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the knowledge, skills and abilities would be:

Education:

A Bachelor degree in mathematics, economics, statistics, finance, business administration, public administration or closely related field.. Or, work experience in a CalWORKS program in Tulare County can substitute for a college education on a year to year basis.

Experience:

One (1) year of experience designing, conducting, analyzing, interpreting, and evaluating data related to social service programs or related government programs;

Or

One (1) year equivalent as a Unit Manager - CalWORKs in Tulare County

Clinic Coordinator County of Tulare

DEFINITION

Directs, organizes, and plans the coordination of services between County clinic sites, including various contract and regulatory compliance responsibilities for private providers operating clinics for the County or providers providing services in the clinics.

SUPERVISION RECEIVED AND EXERCISED

General supervision is provided by a HHS Unit Manager I or other higher department level staff.

Responsibilities include the direct and indirect supervision of subordinate staff. May have oversight of front and back office staff.

DUTIES may include, but are not necessarily limited to:

Coordinate the services and operations of County clinics to ensure efficient workflow, use of Electronic Health Records system, and adherence to County and clinic policy and procedures;

Plan, organize and direct the work of office staff involved in the delivery of medical services, billing, intake, medical records, reception, and general clerical activities;

Direct staff in the preparation of statistical reports needed for clinical analysis and performance criteria;

Work closely with physicians and management groups to create and manage contracted services for the clinics;

Participate in the annual clinic compliance review by assisting in the evaluation and developing corrective action plans where deficiencies are identified for each county clinic;

Coordinate and maintain a system to receive and respond to patient complaints:

Work closely and coordinate with other clinic administration regarding the management of daily operations of the county clinics;

Perform a variety of special projects related to the clinics that may require independent judgment, initiative and confidentiality:

Supervise, train and evaluate staff:

Review business procedures to recommend and implement changes to improve efficiency and services;

Represent the County clinics in the absence of the HHS Unit Manager when required;

Coordinate the work activities of staff in County clinics to maintain a consistent work flow within all aspects of the clinic operations;

Perform related duties as assigned. (Essential duties may vary from position to position within this classification. Reasonable accommodation will be made when requested and determined by the County to be appropriate under applicable law.)
