Changes shall not be implemented by the project until authorized by the BSOC.
- C. Under no circumstances will any budget line item changes be authorized which would cause the project to exceed the amount of the grant award identified in the Grant Agreement. Further, in no event shall changes be authorized for the Indirect Costs/Administrative Overhead line item that would result in that line item exceeding five percent (5%) of the grant award.

- C. Prior to terminating the Grant Agreement under this provision, the BSOC shall provide the Grantee at least 30 days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with Article 13.

Grantee agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the grantee and first-tier subgrants of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of grantee obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs website at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own operate in his or her name).
21. Grantee agrees that all income generated as a direct result of this award shall be deemed program income. All program income earned must be accounted for and used for the purposes of funds provided under this award, including such use being consistent with the conditions of the award, the effective edition of the OJP Financial Guide and, as applicable, either (1) 28 C.F.R Part 66 or (2) 28 C.F.R Part 70 and 2 C.F.R Part 215 (OMB Circular A-110). Further, the use of program income must be reported quarterly to the BSOC.
22. With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)
23. Grantee will coordinate the design and implementation of treatment programs between correctional

representatives and the local alcohol and drug abuse agency (and, if appropriate, between representatives of local correctional agencies and representatives of either the State alcohol and drug abuse agency or any appropriate alcohol and drug abuse agency).

24. Grantee will implement or continue to require urinalysis or other proven reliable forms of testing of individuals in correctional residential substance abuse treatment programs. Such testing shall include individuals released from residential substance abuse treatment programs who remain in the custody of the State.

25. The recipient agrees to submit to BJA for review and approval any curricula, training materials, proposed publications, reports, or any other written materials that will be published, including web-based materials and web site content, through funds from this grant at least thirty (30) working days prior to the targeted dissemination date.
