SUBJECT: Adopt a resolution proclaiming "Healthy Tulare County Week".

REQUEST(S):

That the Board of Supervisors:

Adopt a resolution proclaiming the first full week in April 2014 to be "Healthy Tulare County Week" coinciding with National Public Health Week and incorporating the themes of National Public Health Week into "Healthy Tulare County Week".

SUMMARY:

The Health Advisory Committee recommends to the Board of Supervisors that the week of April 7 be declared Healthy Tulare County Week to coincide with National Public Health Week. Since 1995, when the first full week of April was declared National Public Health Week (NPHW), communities across the United States have observed NPHW as a time to recognize the contributions of public health and highlight issues that are important to improving our nation and county.

The Tulare County Board of Supervisors calls on residents, public and private institutions, businesses, schools, and community organizations in Tulare County to recommit our community to increasing awareness and understanding of the determinants of health and the need for better health outcomes for all.

Healthy Tulare County Week will incorporate the National Public Health Week theme of *Public Health: Start Here*.
